HE-100 June 2000
by Floyd Sterns

Artist Creates Larger Than Life

Nunda International Airport? No, it's the latest full size replica airplane constructed by George Lucas, a retired Art Teacher.

Replicated in detail, the airplane is a Heinkel 178, the world's first jet aircraft, flown in 1939. No original HE-178 exists today. The airplane was later shipped to the Planes of Fame Museum in Chino, California.

Lucas has constructed six other aircraft which reside in museums in California and

New York. And his last two planes are housed in the National Warplane Museum in Geneseo, New York.

George Lucas grew up in Warsaw, New York and graduated in 1960. After attending RIT, he graduated in 1968, having earned both a Bachelor's and Master's Degree in Art Education. His first teaching job was with BOCES, teaching between Mount Morris and Keshequa. After that, he took a full time Art Teacher position at Mount Morris Central School from 1968-1996.

Since his retirement, he has built seven full size replica airplanes and donated them to museums. As a youngster he built many balsa and plastic models. His earliest airplane was a glass airplane that once contained candy. He was about four years old.

The spark to build full sized aircraft came after he read the book, "The Blonde Knight of Germany," by Raymond Toliver. The book was about Erich Hartmann, the highest ranking fighter pilot of WWII.

George met and corresponded with both men and even named his youngest son after Hartmann. He decided to build a full sized model of Hartmann's ME-109 as his first replica. George also corresponded with Willie Messersmitt, who designed the plane. George met both Hartmann and Toliver in Saint Louis at a P-51 pilots reunion. He's even traveled to Germany twice to attend a Luftwaffe pilots reunion.

**Each airplane takes five to six years to complete.
Pictured is the 7th airplane Lucas constructed.**

What's next for your DOWNTOWN?

Calling all residents,
business owners, developers,
community stakeholders &
elected officials.
We need YOUR input!

DREAM BIG!

The **Downtown Partnership of Livingston County** is conducting a market analysis study to research:

- ★ **The current condition of the County's downtown districts**
- ★ **Changes occurring within the marketplace**
- ★ **What consumers want from a downtown district**
- ★ **What businesses the downtown market will support**

The goal is to create a Downtown Business Development Strategy to **recruit new businesses** that will **compliment existing businesses** and buildings in Livingston County's downtowns. The analysis will determine **what businesses the people want** and **what the market will support**.

Community meetings are geared towards specific regions of the County. You need only attend ONE meeting, preferably the meeting with a focus on your community, however you are welcome to attend any date/time that works with your schedule.

Whether you are new to the area or looking to find a new dentist, where do you start, who do you trust? Most people start by asking around.

At Summit Family Dental Care referring someone to our office means the world to us. Knowing someone thought enough of our practice to recommend our services to someone they care about. Living up to those expectations is what we strive for.

We have the friendliest, gentlest and most advanced practice around. But don't take our word for it. Ask your friends, your neighbors, your co-workers who they would recommend. We think you'll be happy with what you hear.

We are looking for someone to contribute to our Mission Statement objectives and provide excellent service to our existing and growing member base. Both positions are listed below with details on responsibilities and qualifications. All candidates must be able to work rotating Saturdays. GVFCU is a growing member owned credit union with excellent banking products and services. We offer a comprehensive benefits package including: health insurance, 401(K), paid time-off, paid holidays, paid life & disability insurances and tuition reimbursement.

#### Senior Financial Services Representative: Warsaw Location

This individual is responsible for providing our members with tailored financial solutions by focusing on consultative selling and quality interactions. Our process is based on understanding our members needs and matching the products that best serve them, not the bottom line. We are looking for a candidate who knows the area and values community involvement. This role will function in many ways as an Assistant Branch Manager.

#### Requirements:

- Prior financial institution experience in dealing with members/customers in a Sales and Service culture.
- Extensive knowledge on consumer financial affairs and how to structure their deposit and borrowing affairs in a manner that meets their needs.
- Experience with deposit products and setting up accounts.
- Experience with consumer loans including auto, personal, line of credits and other secured loans.
- Experience in home equity and traditional mortgages is preferred but training will be provided.
- Understanding of various services including but not limited to: direct deposit, auto loan payments, bi-weekly loan payments, ACH and debit cards.
- 2-year degree or higher preferred.

#### Senior Operations Specialist: Genesee Location

This individual is responsible for daily operational needs to support our front-line team as well as maintenance to existing member accounts. We are looking for a hardworking, individual that is task oriented and able to maintain multiple tasks simultaneously. Our operation specialists do interact with our members to keep them informed of issues and updates as needed.

#### Requirements:

- ACH In-Clearing and Origination processes
- Draft Processing and related imaging processes
- ATM/Debit Card Program including network settlement
- ATM terminal management and compliance
- Virtual Branch systems including: Bill Pay, E-Statements, Mobile Banking
- Wire Transfers
- Collection on past due accounts
- Member service interactions
