Do You Hear But Not Understand?

You May Have Hearing Loss...
or Maybe it's just WAX...

We Can Find Out!

Never put anything smaller than your elbow in your ear.

Even this X-Large cotton swab is too small to put in your ear. Your ears are actually self-cleaning! Using a cotton swab to clean your ear pushes wax deeper into the ear canal and can create a blockage. Wax blockage is one of the most common causes of hearing loss, and we have an easy and painless way to check your ears. We'll use a miniaturized camera to do a complete inspection of your ear canal and ear drum to see if there's a wax blockage problem. Please call today to make an appointment for your FREE Ear Canal Inspection!

"I have had at least 8 sets of hearing aids over the past 32 years. Nothing has matched the quality of sound nor the price of these devices from The Hearing Aid Center. Service is outstanding, readily given and with a cheerful smile. These people are all terrific and the products are excellent."

THANK YOU

Quatina & Kerstie Wolaver and their family would like to express their sincerest gratitude for everyone coming out to Old Town on September 30th to show their love and support while Quat battled Clear Cell Ovarian Cancer. Even though she couldn't be there, she felt the love that was being poured out on her and Kerstie by her wonderful community. As we are sure she would say, her "cup overflows."

A special thank you goes to the Bank of Lincoln County for hosting the benefit account and allowing people to make donations through them.

A very special thanks is owed to the Porter family for putting together and hosting this benefit at their beautiful new event venue, Old Town, LLC. None of this would have been possible without a lot of hard work from those precious neighbors & friends. We love y'all so!

"For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future".
