The Family of Ian Pierce

would like to express sincere gratitude for the outpouring of support and love toward Ian and our family throughout his life. It was humbling to see how many were touched by Ian and how many touched our lives deeply as well. We appreciate all who prayed, sent cards, food and stopped us to ask how we were doing, the hugs, the tears and thoughts shared with us.

A special thank you to Pastor Ron Duttweiler, our Trinity Church family and the ladies of the church who served a wonderful luncheon. Sandy & Catie with the VNA, who helped us care for Ian at home and who also became part of our family. Dr. Flender, Carla and the caring staff at Stony Brook Pediatrics, Drs. Vermilion, Varade & Korones of the Golisano Children's Hospital, Holy Childhood, Ian's teachers and tutors over the years, and to John Mann of Mann's Funeral Home for taking care of the arrangements and being a good friend to us. God bless you all and thank you from the bottom of our hearts.

The Mayor, Village Board members and all employees of the Village of Mount Morris extend their condolences to the family of Joe Christiano. Joe was a former Mayor and Village Board member, who was always available to meet the needs of our community. His life long work with the youth was unmatched. His dedication to Bellamy Park promoted opportunities for all people of our community to enjoy. Joe was especially proud of being inducted into the Mount Morris Central School Sports Hall of Fame.

A good man who will be missed by all who knew him.

word of mouth

Whether you are new to the area or looking to find a new dentist, where do you start, who do you trust? Most people start by asking around.

At Summit Family Dental Care referring someone to our office means the world to us. Knowing someone thought enough of our practice to recommend our services to someone they care about. Living up to those expectations is what we strive for.

We have the friendliest, gentlest and most advanced practice around. But don't take our word for it. Ask your friends, your neighbors, your co-workers who they would recommend. We think you'll be happy with what you hear.

Protect Yourself and Your Family from Carbon Monoxide

Dear Natural Gas Customer,

With the heating season right around the corner, here are a few safety tips to keep you and your family safe from the dangers of carbon monoxide:

Are you feeling okay? Exposure to carbon monoxide can cause flu-like symptoms, including headache, dizziness, weakness, nausea and loss of muscle control or worse. Carbon monoxide is a colorless, odorless gas that is the product of an incomplete combustion. Carbon monoxide poisoning can happen in a matter of minutes. Protection is as easy as having your heating system, chimney, flues and vents checked* once a year by a professional.

Take protection to the next level by installing a carbon monoxide alarm. If you suspect a natural gas leak or carbon monoxide problem, get up, get out, get away! Then call RGE immediately at 1.800.743.1702 or 911 from a safe location. We'll respond quickly to make sure you and your family are safe. Thank you for taking the time to review this information. Please visit our website for more information on how to protect yourself and your family from carbon monoxide.
