Tissue Paper PUMPKIN FAVOURS

onelittleproject.com

Here's what you'll need:

- Orange tissue paper
- Green tape (floral, electrical or painters tape)
- Assorted candy
- 9" cake pan
- Scissors
- Pencil

1. Place 2 pieces of tissue paper together and draw the outline of a circle. Use an upside down 9" cake pan to draw the circles. Ending up with two tissue paper circles on top of each other. If you want to make more than one pumpkin, you could probably pile as many as 6 to 8 sheets of tissue paper together to speed things up.
2. Pile your favourite candy into the center of the circle. You'll have to do a little trial and error to see how much will fit. Take the circles and the candies and center them over your hand. Use your fingers to gently bend the paper around the candy.
3. Try to get the folds as neat and tidy as possible. Gather up the edges of the circle. Cut a small piece of green tape. I used dollar store electrical tape, but you could also use floral tape or green painters tape. And twist it around to get the pumpkin stem.

CITY LOOKING FOR EMERGENCY SNOW LABORERS

Even though we have a few months before snow season, the City is thinking ahead and preparing for the winter. The Department of Sanitation (DSNY) is looking to register emergency snow laborers who can be called upon to remove snow and ice citywide from bus stops, crosswalks, and from other areas after heavy snowfalls. The rate of pay begins at \$15.00 per hour and increases to \$22.50 per hour, after completing the first 40 hours, each pay week. Interested individuals can register at any DSNY garage between the hours of 7:00 AM to 3:00 PM, Monday through Friday. The closest garage is located at 800 Zerega Ave (between Hermany & Lafayette Aves). Applicants must be at least 18 years of age, be eligible to work in the United States, and be capable of performing heavy physical labor. For more information on how to register to become an emergency snow laborer, call 311 or go to www1.nyc.gov/assets/dsny/snow/operations.shtml.
