SPEAK OUT

Dear Speak Out,

The Board of the Mount Morris Historical Society has exciting news we want to share with you. As you know since the Society's creation in 1976 the focus of each Board was to restore the home of our town's founder to its original beauty and elegance staying true to it's 1830's history while raising the needed funds to do so. In accomplishing this restoration every Board took it upon itself to become historically educated about the vast and interesting history surrounding General Mills and the era in which he and his family lived. It has been an amazing journey and each person taking this walk has left his or her footprint upon our 41 year history.

We, as a Board, are now going to take on the role of historians and move in the exciting direction of investing much of our efforts in learning about, documenting and sharing ALL the amazing History that has taken place in our Village and Town since the time surrounding the General's impact on our History. In doing so we will continue to showcase the gem of our beautiful Village - the Mill's Mansion - which was deemed the Society's home base when created.

Did you know: there was a POW camp housed in our Village; that once three railroad companies used a now abandoned railroad station? As these, as well as many more questions, are answered we can then recognize those people and events that have brought us to our current juncture. History that we, the Board, feel honor bound to do our part in making this destination a reality.

We would welcome those who share our passion and who would like to take this journey with us via offering suggestions to be researched; sharing any area history that you witnessed; and/or joining a committee to help us reach our goals. We would also welcome any plausible and creative fund raising ideas and help in carrying out these accepted suggestions.

By doing so we all will leave our footprints in our Village history as we embark on this exciting journey - one whose destination will insure our amazing History, in it's entirety, is traceable throughout the ages.

Sincerely,

The Board of the Mount Morris Historical Society
Please send all research/fund raising ideas to us at

PO Box 94
Mount Morris, N.Y. 14510
Thank you.

**Nunda
Town Highway
Superintendent**

**VOTE
Tuesday
November 7**

**The right man
for the job**

Attention Mount Morris Voters

My name is Christie Murphy, your current your Town Clerk and I am running for re-election. I truly enjoy my job and feel that I am uniquely qualified for this position due to my expertise in this office. I sincerely hope that you value my performance as Town Clerk and will support me on Election Day. Below you'll find some information about me and the Town Clerk's position.

- ★ Resident of Mount Morris since 1990. Mother of 3 adult children (Sarah, Rebecca & Joshua) who graduated from MMCS and are caring and successful individuals employed in their fields of study in education and radio broadcasting. I'm also a grandmother which is my greatest joy.
- ★ College degree in Data Processing & Accounting which I apply daily in my office. (graduated with Honors).
- ★ 17 year career at Eastman Kodak as a computer operator, programmer and business research analyst.
- ★ Hired as Deputy Town Clerk in April of 1997 and worked at least 2 days/week for almost 5 years. Groomed by former Clerk to take over upon her retirement.
- ★ Also employed at that time in the Mount Morris Library and Livingston County Records Department where I learned skills and information that assist me in the Town Clerk's office to this day.
- ★ Elected as Town Clerk in 2001 and have served in this capacity since 1/1/2002.
- ★ In 2004 Duties of the Clerk's office expanded to include collection of Town & County tax bills in January which involves the use of a complicated computer database and knowledge of tax laws.
- ★ Also proficient in Microsoft Word, Excel, and specialized software/databases required to perform Town Clerk duties, issue NYS hunting and fishing licenses, Utility Billing Software for the Town's water & sewer districts, NYS new Electronic Death Registry System which only a few Clerks currently use.
- ★ I continue to educate myself on all aspects of my duties and have met the requirements to be a Registered Municipal Clerk and a Certified Municipal Clerk.
- ★ I have improved the service in this office in many ways including extending the open office hours, offering Notary service, improving the water billing system, ordering office supplies for all departments and other measures to save taxpayers' dollars. I'm always employing and looking for ways to save YOUR money.
- ★ This is a very demanding full-time position that I operate single-handedly, so I work an average of 40-50 hours per week, and even more in January with the collection of Town & County taxes. I have always been available by appointment if my office hours don't fit your schedule.
- ★ This position is my livelihood and embodies my income, health insurance and retirement, but more importantly it's WHO I AM. I LOVE serving as the Mount Morris Town Clerk and hope that I can continue to do so.

Please call me if you have any questions about my office. THANK YOU to those who support me in any way ... to those who display my signs, encourage others to vote for me, and especially those that have made financial contributions to my campaign. Major party endorsements include financial support and I don't have that luxury. I'm currently struggling financially and campaigns can be costly, so I greatly appreciate such donations. With no county races, and only the Clerk's race in Mount Morris, I worry about lack of turnout for the election which was a problem for me at the caucuses.

**SO PLEASE get out and VOTE
on November 7th. Thank you!**

TIME FOR CHANGE!

I am not here to take anyone's livelihood. I am only here for what's best for the town of Mount Morris.

I will be more available to the public by having one day a week of late office hours and also having one day a week that you can make an appointment if you need to come in later.

I plan to utilize online capabilities as far as paying your water bill and getting a dog or marriage license.

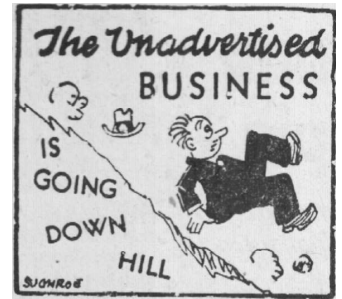

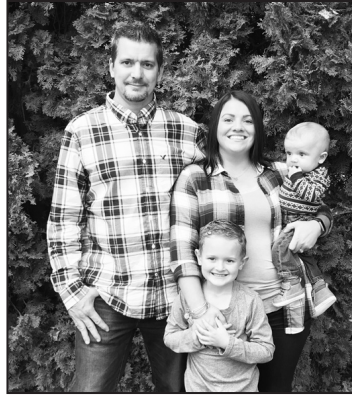

To give you a little insight into who I am:

- I am married to a lifelong resident of Mt Morris
- We have two children Chase and Cole
- I am a Part Time Sheriff's Deputy
- I am a Veteran
- I am Commander of the VFW
- I have experience in finance
- I am dedicated to helping our community!
- I am very organized!

There are too many of you to mention, but we appreciate you very much!

Who We Are: We were established in 2013, beginning as a fundraiser for a dear friend undergoing treatment for cancer. We then decided to go forward and develop a fund to help anyone in need who resides in the Keshequa Central School District.

What We Do: We will do one or more fundraisers throughout the year to build the community fund, and we will disperse the funds based on the need and availability of such funds. We are not only here in times of sickness. We can help with many types of financial burdens.

Whether you are new to the area or looking to find a new dentist, where do you start, who do you trust? Most people start by asking around.

At Summit Family Dental Care referring someone to our office means the world to us. Knowing someone thought enough of our practice to recommend our services to someone they care about. Living up to those expectations is what we strive for.

We have the friendliest, gentlest and most advanced practice around. But don't take our word for it. Ask your friends, your neighbors, your co-workers who they would recommend. We think you'll be happy with what you hear.

#1 Best Attraction in New York State

It's no surprise that people who visit Letchworth State Park fall in love with it. They tell the world and now, yet again, the park has solidified its popularity by being voted the #1 Best Attraction in New York State.

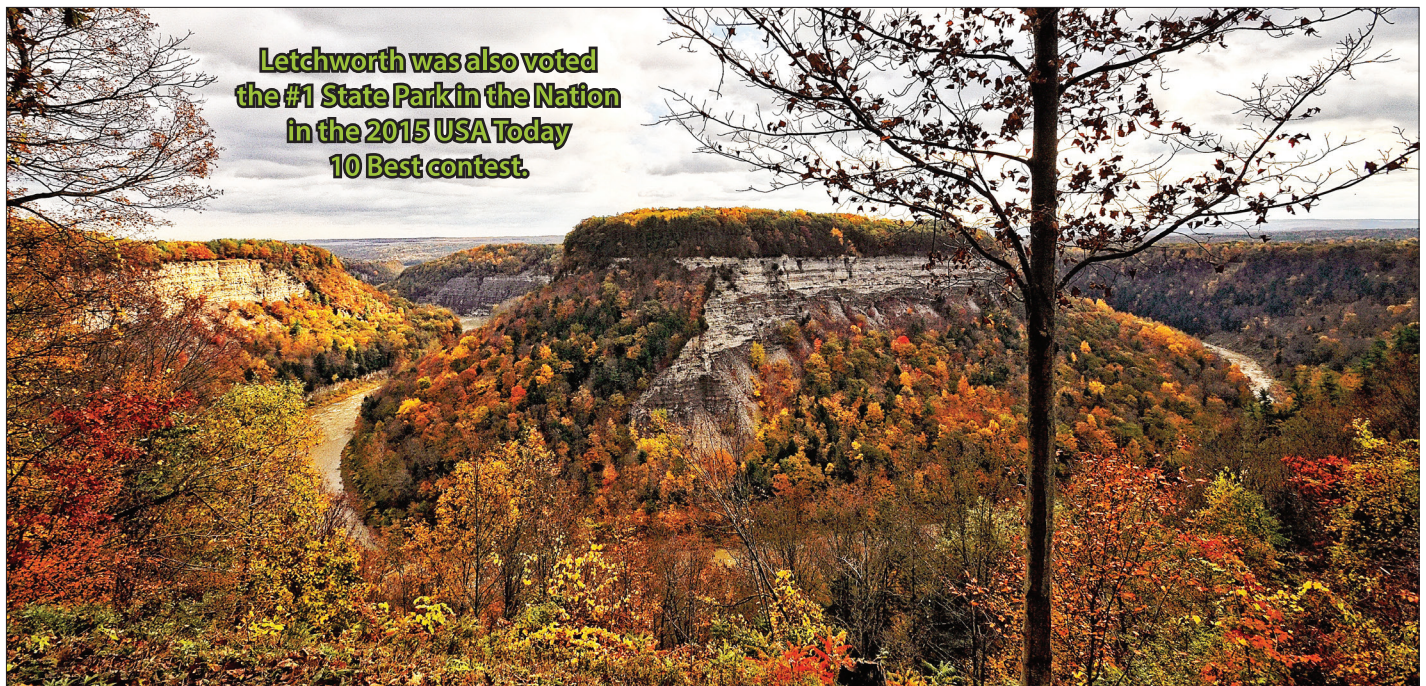

In the most recent USA Today 10Best Readers' Choice for Best Attraction in New York State, Letchworth came out on top.

"It's somewhat humbling to know that this great park means so much to so many people. We are thankful to everyone who sees Letchworth as special and we continue to be honored by these testimonies," stated General Park Manager Roland Beck. "We are also very proud to know that the Top 3 Attractions in this poll happen to be also in our back yard. Watkins Glen State Park and The Corning Museum of Glass are great attractions and we are encouraging visitors to spend time at all three."

USA Today's 10 Best nominees for all categories are chosen by a panel of relevant experts which include a combination of editors from USA TODAY; editors from 10Best.com; relevant expert contributors; and sources for both these media and other Gannett properties. The nomination panel for each award category is displayed on its associated contest page. All voting is digital and the 10Best Readers' Choice Award contest is accessible on the [1](http://10Best.com) website.

Letchworth State Park, known as the "Grand Canyon of the East" saw over 750,000 visitors in 2016 and is on track to exceed that number in 2017. The recent annual event, Letchworth's Arts and Crafts weekend, a collaboration with the Arts Council of Wyoming County greeted 64,000 visitors in just a three-day period.

"We are tremendously excited that Letchworth State Park has been recognized as the number one attraction in all of New York State," said Wyoming County Chamber & Tourism President and CEO Scott Gardner. "We are so proud to have this natural wonder and tourism destination right in our backyard. This designation once again affirms the value of Letchworth and its attraction to the thousands of visitors it welcomes each year. Many thanks to the Park's loyal following and everyone who voted in the contest."

**Letchworth was also voted
the #1 State Park in the Nation
in the 2015 USA Today
10 Best contest.**

Along with over 65 miles of hiking, biking, snowmobiling and cross country skiing trails, come and see to the new, state-of-the-art Humphrey Nature Center. There you'll find history and performing arts programs, guided walks, tours and both a summer and winter lecture series. And for outside activities, you'll enjoy park camping, kayaking, swimming, whitewater rafting and even hot air balloon rides over the gorge. Letchworth Park offers a well-rounded natural experience for everyone.
