*Assistant Coaching Opportunities for Men's & Women's Soccer*

Dordt College is accepting applications for a part-time assistant for both the men's and women's soccer programs. The college is also looking to fill a graduate assistant (GA) coaching position. As a GA, the assistant coach would also be a part of the Master of Education program.

Duties for both positions may include but are not limited to: assisting the head coach with varsity practices and games, managing and coaching the junior varsity program, implementing extensive summer camps, working individually and with small groups of players, maintaining the social media network, breaking down game film, and assisting with scouting reports and making recruiting calls/visits.

A Bachelor's degree along with admission to the Dordt College Master of Education program is required for those interested in the graduate assistant role. For those interested in the part-time coaching position, 1-3 years of soccer coaching experience is preferred along with the ability to establish and maintain effective working relationships with student-athletes, athletic officials, and college constituents. For both positions, commitment to the mission of Dordt College is a must.

For more information, please contact human resources at [hr@dordt.edu](mailto:hr@dordt.edu). A cover letter of interest and resume can be sent with additional application requirements to follow depending on the track you are interested in.
