## Roshay (Reimers) Gath Baby Shower Announcement

Please join family and friends to celebrate with a Come and Go Baby Shower for Tyson and Roshay Gath on Saturday, November 4. It will be held at the Lake Park United Methodist Church, from 9:30 to 11:30 am. They are registered at Target and Amazon.

## Nature Nook Grand Opening

We would like to invite donors, media, and the public to the Okoboji Elementary School Nature Nook Outdoor Learning Environment Grand Opening on Tuesday, November 7th. The event will be held at the Okoboji Elementary beginning at 1:30 p.m. There will be an opening ceremony that involves students and staff.

Asa Jacobsen shown with his classroom teacher, Mr. Evenson, was awarded the 10,000th OYEAH at Okoboji Elementary School. He is an excellent role model and follows the schoolwide expectations both in and outside of the classroom setting.

### OES Students Earn 10,000th OYEAH!

The staff at Okoboji Elementary is proud to announce that their students have earned their 10,000th OYEAH this school year! OYEAHs are given to students who are showing the appropriate behaviors and following the schoolwide expectations. Okoboji Elementary School staff members are working hard to implement the Positive Behaviors Interventions and Supports (PBIS) framework this year. There are specific expectations for being Kind, Respectful, and Responsible, in each of the following areas of school: bus, hallway, restroom, classroom, and playground. PBIS is a systemic approach to supporting children who choose to do the right thing while also supporting those who need reteaching of expectations. Staff enjoy the program because all rewards focus on interpersonal relationships and leadership development. PBIS also supports the schoolwide initiative of building collaborative skills at all grade levels.

Justin Bouse, OES Principal, states "We are very excited by how well the PBIS framework has been received by the staff and students at OES. Kids want to do the right thing, need a clear understanding of what is expected. This framework uses some common language and expectations and puts everyone on the same page."

Information about the research driven PBIS movement can be found at pbisworld.com. In addition to information about the school framework, it also has great ideas for families at home. The next OES Press school newsletter will have an article and links for tools for the home setting as well.

The OES PBIS team would like to thank the Milford Pioneer Theater, Rob Mayer, Sandy Alexander and all OES staff for their role in making this celebration possible and for their continued support of all students.

Turn our **COMMUNITY GREEN** for Our Veterans

The Lakes News Shopper is excited to announce that we are spearheading a "TURN OUR COMMUNITY GREEN" project. We want to honor OUR VETERANS when the community replace a bulb in their porch light or window with a GREEN LIGHT BULB.

The Lakes News Shopper will run a special section in the November 7<sup>th</sup> edition featuring ads supporting our veterans. In that section there will be a list of where the community can purchase a GREEN LIGHT BULB for just \$3 each or two for \$5.

Ad Size	Black & White	Full Color	# Bulbs Included*
1/16 page (7" x 2.5")	\$80	\$120	25
1/8 page (7" x 5")	\$160	\$200	50
1/4 page (7" x 10")	\$300	\$330	75
1/2 page (14.25" x 10")	\$580	\$630	100

\*You are not required to take the bulbs and sell them to participate. If you choose not to sell the bulbs, we will move those bulbs to another participant that will be able to sell them to bring the participation to the highest level possible.

The night for the entire community to "TURN GREEN" will be Veteran's Day, Saturday, November 11th. This will be a great time to show our support for our local Veterans

**100% of the purchase price of the light bulbs will go to the VFW of Spirit Lake and The American Legion of Milford.**

We will also have a "TURN OUR COMMUNITY GREEN" contest where readers can win one of two \$100 gift cards by sharing their "TURN GREEN" photos with us

**Ad deadline for this special section will be Thursday, November 2<sup>nd</sup>**

**Lila Haning** was born in Durant, Oklahoma, and spent most of her early life in Dallas and Denison, Texas. She graduated from Denison High School, class of 1951.

Lila worked at Perrin Air Force base for several years commencing in October 1951. She married her high school sweetheart, Charles Robert (Bob) Haning, on January 24, 1953, and moved to College Station, Texas, where Bob was attending college. During this time she worked at Bryan Air Force Base until she resigned in 1956 to give birth to her first child, a son named Dave Robert Haning. Her second child, Randa Lynn Haning was born in May of 1958. Lila and her young family lived in College Station until October, 1960, when they relocated to Sherman, Texas. In 1965, Bob's career took them to Hightstown, New Jersey, where they lived until 1971. During her time in New Jersey, Lila was very actively involved in the Girl Scouts of America organization as a troop leader, and also in the leadership of the local organization. She was also a Cub Scout den leader as well.

In 1971, the family relocated to Denver, Colorado. They remained there until 1977 when they again moved, this time to Spirit Lake, Iowa. It was at this time that Lila became involved in the local arts program, where she volunteered her time.

In 1990, Lila inherited a food service business that her son had established in Arnolds Park, Iowa. She performed as the owner/operator of the restaurant until she sold it in 1995. At this point Lila and her husband, Bob, retired to Sherman, Texas, where she remained until her death on Saturday, October 21, 2017. She was afflicted with Parkinson's disease and related dementia.

She was preceded in death by her parents, Lillian Cora, and Chester Lee Foreman, and her daughter Randa Lynn Haning Kroeckel.

She is survived by her husband Bob and her son Dave Haning. She has left behind a legacy of seven grandchildren and fifteen great-grandchildren.

Burial was at Fairview Cemetery on Saturday, October 28, 2017, with a graveside service.

The family suggests memorials be in the form of donations to one of Lila's favorite charities, the ASPCA, in lieu of flowers. May God Bless You.

## View From The Bench

### Cyclones Keep Rolling

As Cyclone fans, when the calendar turns to late October we are normally 100% ready for basketball season to get started as our football team is usually out of bowl contention, and we can't wait to get inside and watch some Hilton Magic. Not that we aren't excited for this basketball season, but what a difference Head Coach Matt Campbell, his staff and this team have made in the Cyclone culture, as Iowa State now sits at 6-2, is tied for first place in the Big 12 with four games remaining, and have us Cyclone fans pumped for the last month plus of the football season. The latest upset came this past weekend in Ames as the Cyclones knocked off #4 TCU 14-7 in front of a raucous crowd at Jack Trice Stadium. The atmosphere all game was electric and the Cyclones' play on the field was amazing. The offense did its part in the first half, scoring on two Kyle Kempt passes after long drives to take a 14-0 lead into halftime. The defense was stellar in the first half, shutting out a TCU offense that rolled into Ames averaging 41 points per game. The second half started with TCU's Ka Vontae Turpin returning the opening kickoff 94 yards to cut the lead in half. TCU's league leading defense would shut the Cyclones down the entire second half, holding them to just 53 yards and two first downs. However, the Cyclones' defense was every bit as good, if not better on Saturday, forcing three second half turnovers, including two in the red zone, to seal the victory for ISU and send another ripple across the national football landscape.

If you have not heard Coach Matt Campbell's post game speech to his team, you need to get online and check it out. I loved everything about it, from the opening prayer from their Chaplain, to the team saying the Lord's prayer, to Campbell's words about "loving the process" and how hard it is to love this process, but if you do the process will eventually love you back. This team has definitely embraced "the process" and they are playing together as well as any team in the nation right now. One week it's the offense putting up 38 points to shock Oklahoma, the next week it's the defense not allowing a defensive touchdown to take down TCU. Who would have ever guessed when this team was 2-2 and lost their starting quarterback that they would put together a perfect 4-0 October? I can tell you who would have thought a 4-0 October was possible, and that's the players and coaches as they fully believe in each other, maybe it's time us Cyclone fans take their lead and also believe!

# Rock 4 Vets Rockin' Across Iowa

Iowa Rock 'n Roll Music Association is rockin' out across the state this Veteran's Day and partnering with Spirit Lake VFW and Brushy Creek Honor Flight to produce Rock 4 Vets November 11th at the VFW Memorial Hall in Spirit Lake. Sponsored by MHR Insurance, Northwest Bank, Screenscape Studios, Lakes News Shopper, Central Bank, Steamway Incorporated, and Bank Midwest, Rock 4 Vets will honor all military past and present with music from Starfire and special appearances by Spirit Lake VFW's Color Guard and Lexy Duffy.

Listening to live music has a universal positive impact on well-being and has been successfully used as therapy for years because it makes people happier, has an analgesic effect, and helps people feel connected - all of which are vital for mental health and longevity.

"This event is near and dear to my heart as my husband is a veteran," commented Iowa Rock 'n Roll Music Association's Executive Director Cindy Stanbro. "Brushy Creek Honor Flight is going to be at the event to share information about what they do and a portion of the proceeds will go to them. Shirley and the VFW have been amazing to work with. They will have maid rites, baked beans, and chips available at the event for a freewill donation and all veterans and military eat free." Tickets for Rock 4 Vets November 11th are \$10 at the door and all military and veterans get in free.

Rock 4 Vets rocks across the state with concerts at Camp Dodge in Johnston on November 9 and the Diamond Joe Casino in Dubuque on November 12.

The Iowa Rock 'n Roll Music Association is a 501(c)(3) nonprofit organization whose mission is to preserve the legacy of rock 'n roll music in Iowa by honoring achievements, educating youth, and inspiring artists. For more information about the Iowa Rock 'n Roll Music Association, please go to [www.iowarocknroll.com](http://www.iowarocknroll.com) or call 712-330-0889.

**Farmers Market News**  
Located at Dickinson Co. Fairgrounds  
15th Street & Peoria Avenue, Spirit Lake, IA 51360

Now that cool weather has arrived and the Farmers Market is closed for the season, it is time for produce vendors and others to clean up their gardens. It is a good idea to remove woody plant stalks, vines from cucumbers, squash, and zucchini and tomato plants from the garden and discard them. If you had blight on your tomatoes this year, you should rake up and discard all plants, fallen leaves, and tomatoes. It is a good idea to wash and disinfect, with bleach, buckets and cages used for tomatoes. Plan to locate them in a different place in your garden next year. Also rake and remove paper, mulches, and other trash from your garden. Some plants can be mowed and tilled back into the soil. Pea and bean plants tilled in will add nitrogen to the soil. You can trim brittle flower stalks from cone flowers and black-eyed susan or you can leave them until spring since birds will feast on their seeds over winter. When peony stalks have dried, trim them off to the ground to prevent disease. Bulbs and tubers, such as gladiolas, dahlias, cannas, and calla lilies, will need to be dug, their plants trimmed off, and the bulbs stored in a cool dry place for the winter. Mulch tender perennials with straw or leaves. This is the time to plant tulips, daffodils, and hyacinths. You should also plant garlic now and it will be ready for use in the spring.

If you still want fall vegetables, a few vendors may be at the northeast corner of the Spirit Lake mall parking lot, weather permitting. Look for the Farmers Market banner on Wednesday or Saturday, which indicates their presence. And visit our Winter Market, December 9, in the Community Building. More details about it will be given later. We hope to see you there.

### LETTERS TO THE EDITOR

We met with the State Auditors this last week. We are very happy with their findings and I think you will be too. The Council will approve the City's responses at the November Council meeting. After that, The State Auditors will review and if they approve our responses, it will be made public.

I want to share the results of our recent financial report. We received our annual independent auditors report October 23 and, once again, the news was good. The city is in excellent financial shape. Since the beginning of my term as mayor, we have spent less money than budgeted and income has exceeded expenses each year. The result is that our cash surplus continues to grow. This will allow us to get creative when opportunities arise for business and community development. It shows that your leaders today are very, very fiscally responsible. I will strive to maintain that discipline.

We have an absolutely great team of employees working in Milford today. From the streets department to the parks, library and police departments, we have great leaders running our city and staff retention is strong. Please thank all city employees for their hard work when you see them!

I care tremendously about Milford and love serving as your mayor. It can be hard work and the hours are long, but the reward is great. We have had many tremendous accomplishments during my administration and many more are on the horizon.

I'm asking all of our great citizens to support me in the upcoming election. I have a proven track record as Mayor and over 26 years of experience managing large businesses. I can honestly say that every business I have managed in my career has grown in revenue and profitability. I'm very proud of that record.

Please get out and vote November 7th or by absentee ballot. I will be honored and privileged if you vote for me and allow me to continue being your Mayor and leading Milford into the future. Thank you!

Sincerely,  
Milford Mayor Bill Reinsbach

### Sanford Worthington to Celebrate 3000th Blood Donation

Sanford Worthington (Minnesota) will celebrate the 3,000th donation of life saving blood with Community Blood Bank at a special blood drive on Thursday, November 2, from 10:00am to 1:30pm and 3:00 - 6:00pm. Worthington community members, Sanford Worthington faculty and staff have partnered with Community Blood Bank for over 15 years and have hosted 60 blood drives, saving up to 9,000 lives in our community.

"In recent days we have seen a spike in blood usage by 15% due to an increase need for blood to be used for surgeries, traumas and cancer patients," states Ken Versteeg, Executive Director, Community Blood Bank. "This blood drive will help ensure that blood is available for all patients. When you donate blood on Thursday, November 2, you are helping local patients in their time of need. Your donations will make blood readily available 24 hours a day, 7 days a week. We encourage new donors as well as those donors that have donated multiple times to give the gift of life. Community Blood Bank is very grateful for the partnership that we have with Sanford Worthington and the tremendous support from all the staff and community."

A person must be at least 16 years old (16 year olds require a signed parent consent form found at www.cbblifeblood.org), weigh 110 pounds or more and be in good general health. It is recommended that a person eat and drink plenty of fluids prior to donating blood.

Community Blood Bank is the sole provider of blood (platelets, plasma and red blood cells) to 34 local hospitals including Sanford Worthington, Sanford Health, Avera McKennan Hospital, Avera Heart Hospital of South Dakota and the V.A. Medical Center. For additional information call Barb Arnold at Sanford Worthington at 507-372-3319 or log onto www.cbblifeblood.org. Walk-ins are welcome.

To commemorate this blood drive event, special treats will be served and a thank you gift will be given to each person donating blood that day.

Based in Worthington, Minnesota, Sanford Worthington includes Sanford Worthington Medical Center, Sanford Worthington Clinic, Sanford Worthington Acute Care Clinic, Sanford Worthington Surgery Clinic, Sanford Worthington Outreach Specialty Clinic, Sanford Worthington OB-GYN Clinic, Sanford Worthington Orthopedics & Sports Medicine and Sanford Worthington Cancer Center.

Sanford Worthington Medical Center is a 48-bed facility offering services in medical, diagnostic, therapy and outreach, surgery, women's health care, emergency and acute care. It includes 23 providers and over 400 employees and is a member of Sanford Health, an integrated health system headquartered in the Dakotas. Sanford Health is one of the largest health systems in the nation with 45 hospitals and nearly 300 clinics in nine states and four countries.

## Music students earn IHSMA All-State slots

Congratulations are in order to 10 area high school musicians who qualified following auditions to participate in the 2017 Iowa High School Music Association's All-State Music Festival, in Ames.

Okoboji High School students Dallas Johnson (clarinet) and Samuel Heikens (percussion), will participate in the *All-State Band*, while John Alexander (violin) and William Alexander (cello) will be a part of the *All-State Orchestra*. Additionally, Luke Thompson (trumpet), Catherine Rohret (tuba), and Jady Baumann (clarinet) were selected as alternates.

Spirit Lake High School clarinetists Ruby O'Hagan and Noel Roberts were selected to be *All-State Band* members. Max Miller and Tanner Thomsen were accepted to provide two of the voices in the *All-State Chorus*.

And four year All-Stater, flutist Catherine Glackin, will be part of the *All-State Orchestra*, along with first-year tuba player Brandon Nolin. Both are students at Spencer High School.

Listing all the students in Dickinson, Emmet and Clay counties who tried out for the All-State aggregations would unfortunately take more space than we have here. Of the approximately 5,000 state-wide who tried out for the nearly 300-member band, 600-voice chorus, or 200-member orchestra, only about 17 percent earn a seat — or a standing position in the chorus. But let it be said that each student who practiced and rehearsed deserves credit for trying.

As Spencer band director Kurt Schwark explained, "The competition is getting kinda crazy." Even with fewer schools and fewer band and choir students, Schwark says there's still a lot of very good competition.

That should make each participant stronger in the long term. Good competition breeds better performance.

The Iowa High School Music Association's All-State Music Festival will take place at Iowa State University, in Ames, on November 16, 17 and 18, and be broadcast on IPTV at a later date...

Graettinger-Terril-Ruthven-Ayshire band director Emily Doerder didn't have any students qualify for the All-State situation, but does have three middle school students who will be trying-out for the North Central Bandmasters Association (NCIBA) Middle School Honor Band on November 11th. We wish Aiden Egerton and Dalton Young, both trombone) and Benjamin Walmer (tuba), well in their endeavors...

The start of a new month brings the Iowa Lakes Community College Jazz Festival for area high school students, with the return jazzmen Joey Gulizia, Tony Gulizia, and Andy Hall. The trio will lead clinics for area high school students and Iowa Lakes musicians, and take part in a concert tomorrow night (Wednesday) in the ILCC gymnasium in Estherville. The show starts at 7:00...

Also Wednesday night, *The Itty-Bitty-Boji Band* will be performing at the Rolling Oaks Barn in Spirit Lake, for listening and dancing, from 7 - 9:00...  
Thursday night will see Terry Klein taking the stage in the barn at the Little Swan Lake Winery from 6 - 8:00. *The Okoboji Jazz 6tet* will perform on the same stage Saturday night from 6 - 8:00. And Damon Dotson is scheduled there, too, for Sunday afternoon, from 4 - 6:00...

Don't forget: Thursday night will also bring the Pearson Lakes Art Center screening of *Loving Vincent (van Gogh)*, starting at 6:30, in the Lauridsen Theatre...

*Roy and Rosemary*, pianist Roy Tan and violinist Rosemary Siemens, will be the second show in the Window Area Concert Association's 71st season, Saturday night, in the BARC Auditorium. The two are billed as "brilliant improvisers whose style knows no limits." The show begins at 7:30. Memberships are still available...

Even though she shuns sweets, research director RD knows that today is all about Trick or Treat (candy) and the music of folks like pianist Vince Guaraldi, who created the music for the animated television special *It's the Great Pumpkin, Charlie Brown*. RD's favorite songs from the show include *The Great Pumpkin Waltz* (which was really the title song), along with *Linus and Lucy*, and *Trick or Treat*. The prime-time perennial was first broadcast 51 years ago, on October 27, 1966...

Today is -- quite understandably -- Magic Day, a day RD thinks is right for Rosemary's Clooney's collaboration with Perez Prado, on *Magic Is The Moonlight*, on their 1960 LP *A Touch of Tabasco*...

Vocalist Jane Monheit turns 40 on Friday. The jazz-pop singer was born in Oakdale (Suffolk County, Long Island), New York, and recorded her debut album of quality songs like *More Than You Know*, *My Foolish Heart*, and *I Got It Bad (And That Ain't Good)* when she was just 23. Monheit is worth a YouTube listen or two...  
Friday is also Cliché Day! While there are many clichés to choose from, RD lost no time in picking "In the nick of time," and Ed Ames' 1967 release of *Time, Time*. Part of that decision has to do with Saturday being the time to set your clocks back one hour before you go to bed as we revert to Standard Time at 2:00 Sunday morning. Either that, or you'll be the first one in church on Sunday morning...

Saturday is also Common Sense Day, which brought to mind the admonition to *Button Up Your Overcoat (When the Wind is Free)*, a 1928 ditty written by Ray Henderson, Buddy DeSylva, and Lew Brown. Lyrics from the song (Again, check YouTube) remind trick or treaters to "Be careful crossing streets..." That's sage advice for Trick or Treating youngsters who will be out on the streets tonight, and drivers who should be even more cautious than usual...

Saturday should see a Full Moon. RD was most impressed to hear the *Vocality* men's quartet sing Van Morrison's *Moon Dance*, Sunday afternoon at the *Spirit of Harmony* show — as if they had planned it for the occasion...

Finally, we note here that Saturday is Arthur William Matthew 'Art' Carney's natal day. Born in 1918, Carney was Jackie Gleason's television sewer worker cohort on *The Honeymooners television show*, and also recorded prolifically for the Columbia label in the 1950's — including a syncopated, rap-like recitation of *'Twas the Night Before Christmas*. If you think it's too early to be thinking of the last holiday of the year, you apparently haven't been in any retail outlets recently...

All the news that fits we print.

## LETTERS TO THE EDITOR

### Spirit Lake Middle School Fundraiser Ready, Set, Give

Every year, at Spirit Lake Middle School, we have a fundraiser, so our students can go on field trips, our teachers get supplies for classrooms, and much more. This year we tried a new fundraiser, and we set a big goal of \$10,000. As you can see we surpassed that goal! In the picture are some of our top fundraisers and winners, holding the total amount raised of \$14,104.25. So it is with great pride, we get to say *thank you*, to our students, our families and our generous community. We are beyond grateful for your support. Our students and teachers will have new opportunities because of it.

Thank you,  
Spirit Lake Middle School P.I.E.

## Medical Equipment Phone Scam

Officials at Lakes Regional Healthcare have been notified by community members who had received suspicious calls about medical equipment that seemed to be coming from the hospital's phone numbers.

These calls were not made by Lakes Regional Healthcare staff; Lakes Regional Healthcare does not sell medical equipment. One of the more recent scams that has been occurring recently is called spoofing. Scammers now have the ability to "spoof" actual local numbers.

Lakes Regional Healthcare wants people in the region to be aware of this scam. If you believe the phone call is a scam, feel free to hang up. The hospital has contacted law enforcement.

## ATTENTION MILFORD CITIZENS!

*I would like to express my opinion on the upcoming election in Milford. I wholeheartedly support Adam Roos and Adam Layman for City Council. I believe them to be honest and forthright and would indeed have a wealth of fresh ideas. I believe Milford needs young minds on the council, and these two would be welcome assets. I urge those of you who voted for me to put your trust in these gentlemen and give them a chance to show you what they are capable of.*

*As for the third seat, there is a businessman, always a good mind on the council; a police officer, with proven integrity; and a former councilman. As for Mayor, I see the clear pick to be the present mayor. Those who are against the mayor are against him for personal reasons, not because he has performed his duties in anything but a dutiful manner. His ideas of finding housing, in Milford, for the upcoming staff at Grape Tree is exactly what he was elected to do. Rather than send them to live in another town, like one of his opponents would have us do. He is stellar at budgeting this city, something his opponents know nothing about. Like him or not, he is by far the most qualified to be Mayor of this city, will get my vote, and putting your personal feelings aside, should get yours also. After all, this is about an entire city and not individuals, right? Thank you for supporting me, and I sincerely hope you will support these folks as well.*

### Dedication of Anderson eXplore Labs on November 7

The Okoboji Community School Foundation was established in 1996 as a 501(c)3 non-profit entity to enhance the facilities, services and resources of the Okoboji Community School District and to provide broader educational opportunities to its students, staff and residents.

After extensive cuts in educational spending at the state level, the Okoboji Community School Foundation Special Projects Committee was established in the spring of 2016 to broaden the Foundation's support to include K-12 field trips and other vital educational opportunities. During the 2016-2017 academic year, the Special Projects Committee worked with the school administration and the makerspace team to create a plan for spaces for our students to collaborate, explore and learn. With a generous donation from the Marvin and Garnette Anderson Family, the vision of having makerspaces in the elementary school and middle school is a reality. Every student in the Kindergarten through 4th grade use the OES Marvin and Garnette Anderson eXplore Lab weekly, where they do hands-on discovery and apply their core learning in collaboration with their classmates. The middle school students will use the OMS Marvin and Garnette Anderson eXplore Lab during regular class time and in the Midmester Academy curriculum. Middle school students will also be able to have independent learning time in the Lab. These spaces allow all students to share ideas, build interests in new areas and discover learning in a whole new way. Marv Anderson served the Milford and Okoboji Community School District as Superintendent from 1973 to 1997. Marv and wife, Garnette, were avid Pioneer supporters from academics to athletics and the arts. For the past 13 years, students have benefitted from a scholarship honoring Marv and now, both Marv and Garnette will be remembered in the elementary and middle schools with the eXplore labs which stimulates creative thinking.

Following is the schedule for the dedication of the Marvin and Garnette Anderson eXplore Labs to be held on November 7.

4:00 pm--Official "ribbon cutting"

## Benefit Concert at Immanuel Lutheran Church in Spirit Lake

Musicians, Dave Anderson and Roger Walck from Arizona will perform at Immanuel Lutheran Church (Highway 71 and 27th Street, Spirit Lake) on Monday evening, November 6, at 7:00pm, to benefit Shepherd's Canyon Retreat, a place that is renewing, reviving, and refreshing for clergy and professional church workers and spouses. The goal is to provide renewal and instill the recovery of spiritual and emotional vitality in a safe, peaceful and confidential atmosphere. Standing Stones is the location of Shepherd's Canyon ministries, located 90 minutes northwest of Phoenix Sky Harbor Airport. It provides a beautiful place to cross over tough circumstances into God's promised restorative healing. Your free will contribution to Shepherd's Canyon Retreat ministry will help ensure this wonderful Christian outreach will continue. Light refreshments will be served after the concert.

### Omelet Brunch Benefits Special Needs Camps at Camp Okoboji

All are welcome Sunday, November 5, from 9:30am - 1:00pm, for an Omelet Brunch at the Ginny DeWall Dining Hall at Camp Okoboji in Wahpeton. Proceeds from the Benefit will help defray the costs of JOY Camp experiences for "Special Need" campers. JOY camp was the vision of Ginny DeWall, a Milford Schools Special Education Teacher who realized the summer camp needs of her classroom children. Thus JOY (Jesus first, Others second and Yourself last) was created and now today, over 30 years later, has grown to serve over 90 campers each season. These summer campers are treated to Christian fellowship and music, Bible studies, a boat cruise, crafts, indoor and outdoor recreation, an evening at historic Arnolds Park, as well as a theme related banquet and dance. It's no wonder these campers look forward to returning year after year! This year's camps are scheduled for June 12-15 and July 7-10. For more information, you may visit our website at [www.campokoboji.org](http://www.campokoboji.org).

**Fresh Conversations Group Puts the Spotlight on the Benefits of Cheese**

This month for the free Fresh Conversations group, Dickinson County Population and Public Health Director Brandon Rohrig will be reviewing cheese. Cheese is no longer considered a food to be purely avoided. Cheese is part of the dairy food group and has many of the nutritional benefits of its other dairy counterparts. Diving into the dairy department, however, can be quite daunting. Therefore, Fresh Conversations will discuss the many types of cheese, the different ways to enjoy it, and the important nutritional benefits. As a brief teaser to the upcoming session:

Cheese has been often shrouded with the veil of unhealthiness and given a bad rap; following are a couple work arounds to issues with cheese consumption:

Portion distortion: while cheese is healthy, the portion sizes are easy to forget. A serving of cheese is roughly the size of a pair of dice or the end of your thumb!

Sodium: Swiss and mozzarella have the lowest sodium content of all cheese. When on a low sodium diet, these are your best choices.

If you are unsure whether to choose cheese, here are a couple of the main benefits:

Protein: Cheese is a great source of long lasting casein protein. This protein not only helps to maintain and build tissues but also help to keep you fuller longer.

Calcium and Vitamin D: Cheese is made from milk and therefore has many of the same properties, especially the calcium and vitamin D content. Cheese can be a good substitute for milk as it gets you the necessary minerals that milk also contains.

Join the free Fresh Conversations group at Spirit Lake Dinner Date on Thursday, November 2 at 12:30 pm for an engaging and interactive discussion regarding nutrition and some free samples. If you have any questions, please call Dickinson County Public Health at 712-336-2682.

## Community Invited to Attend Heartland Honor Choir Concert

Eight high school choirs will unite to create music together at the upcoming Heartland Honor Choir at Iowa Lakes Community College.

More than 150 singers will participate in the mass choir, including students from Graettinger-Terril-Ruthven-Ayrshire, Estherville-Lincoln Central, Clay Central-Everly, West Bend-Mallard, West Lyon, Newell-Fonda, South O'Brien and Pocahontas Area schools.

"The mass choir of over 150 area singers produces such a remarkable choral sound," said Brett Fuelberth, professor of vocal music and choir director at Iowa Lakes.

The honor choir will perform in concert at 6:00pm. Thursday, November 9,

in the Estherville campus gymnasium at Iowa Lakes. Tickets will be available at the door and are \$5 for adults. Students can attend for free. The Iowa Lakes Community College Chamber Choir will also be featured at the concert.

"It is a unique experience especially for the high school singers of the smaller schools in Northwest Iowa that don't have the experience of singing in a choir of over 150 singers. It helps those singers gain confidence as well as give them an experience of a large, powerful choral sound," Fuelberth said. "Singing in a mass choir like this is often a pinnacle experience for these high school students in that they are proud of the impressive choral sound

they create, as they join forces with other schools from around the area."

The Honor Choir will be conducted by Cornelius Koerselman, who teaches vocal pedagogy and recruits students for the music program at Northwestern College in Orange City. He received his bachelor's degree from Northwestern and his master's degree from Northwest Missouri State University. He has more than 30 years of music teaching experience. He has served as vocal director at Sibley-Ocheyedan High School, where his vocal jazz group was selected as Class 2-A state champions at the Iowa Vocal Jazz Championships in 2011, according to Northwestern's website.

### TRAILS TALK

Erin Reed, Executive Director, DCTB

**Dickinson County Recreational Trails**  
 dctrails@co.dickinson.ia.us

We have had some amazing weather to get out and enjoy the Dickinson County Trails. We continue to see many people out walking and biking while we appreciate the cooler temperatures and fall's abundant beauty in the Iowa Great Lakes!

#### TRAIL PROJECTS CONTINUE

**NEW BRIDGE NEAR PLAC:** A new bridge replaced a decaying and damaged bridge north of the Pearson Lakes Art Center at the end of September just in time for the fall trail events that were approaching. This project is the beginning of trail reconstruction and development in the area that will continue next spring.

**TATONKA SKA TRACE BRIDGES & CULVERTS:** Contractors continue to work on rehabilitating the railroad trestle bridges and culverts so they are ready for trail construction. The first bridge west of Montgomery had its concrete deck surface placed last week. This project to preserve 4 bridges and 9 culverts along the old railroad bed will continue through the winter and wrap in the spring.

## The Addams Family Musical at OHS

The Okoboji High School Music Department invites the public to attend the fall musical "The Addams Family" to be presented on stage in the OHS Auditorium on Friday and Saturday November 10 and November 11. Showtime is 7:30pm both nights. Tickets are \$7 for adults, \$5 for students which may be purchased at the door.

The show is based on the Addams family characters which depict a ghoulish American family with an affinity for all things macabre. This show is not really suitable for the younger set. "The Addams Family" is directed by Erin Chappas and assistant director Zane Knudtson.

*Paid for by Jerry Robinson*

MEMBERS OF THE SPIRIT LAKE BUILDER'S CLUB AND KEY CLUB, along with their advisors, and Kiwanis representatives met on October 28 to Trick or Treat for UNICEF. They went door to door in several neighborhoods in Spirit Lake asking for monetary donations to raise awareness of the Eliminate Project, which helps eliminate maternal and neonatal tetanus. With stats of a newborn dying every fifteen minutes from tetanus and nearly 55 million women in 15 countries needing help, this annual event is a tradition for Builder's Club and Key Club. This year \$500 was raised in two hours for this worthwhile cause.

LETTERS TO THE EDITOR. The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper. Rev. Clint Lovell on the great sin of ego. Timely and relevant piece was in the D.C.N. Pastor's column last week by Rev. Lovell. He said: "The great sin" as described by C.S. Lewis that pride is not only a danger to the Christian heart, but pride often gives birth to a whole family of other sins as well. The Bible claims in Proverbs "pride goes before the fall." As stated by Ryan Holiday "Ego is the Enemy."

## NOTICES NOTICES

**OPEN LETTER TO THE RESIDENTS OF CITY OF ORLEANS FOR YOUR INFORMATION & EDIFICATION**  
**Original Letter Sent to the Mayor and Council October 10, 2017**  
**Mayor Maas and City Council Members:**  
 It is my regret that, because of your refusal to uphold your elected duties, your appointed duties, your public responsibilities to the residents of the City of Orleans and the zoning ordinances of the City of Orleans, I must now take legal action against all entities, in my ongoing search for justice and equity in the matters that I have faithfully brought to your attention over the last continuous 3½ years.  
 You have failed to give me any detailed or proper documentation as to your reasons, non-action or conclusions as to the extremely important material matters brought before you.  
 Your only explanations have been misleading and contrary definitions, nonspecific and lacking in any fact-based qualifications, designed to muddy the waters of the exact issues and distort problems solely to circumvent any action on your parts.  
 I have faithfully and numerous times, requested, both verbally and in writing, detailed information regarding material specific facts, exact comparisons and measurements to the ordinance requirements and documentation of times and persons city officials have made observations or reports. Sadly, all has been to no avail.  
 Enough is enough... Just because you claim that you have "closed" (these matters of concern (matters effecting not only our family but all of Orleans residents), does **NOT** make these material matters, their legal and logistic ramifications or the violations of ordinances go away!  
**Sincerely,**  
**Durand Cook, Trustee, Cook Trust** **1-3C**
