Recipes & Uses
AMPLIFY is a special blend of herbs and spices that perk up the flavors in a variety of dishes. It has been used as a rub for beef, pork, chicken and fish. Amplify is great when added to fresh and roasted vegetables, potatoes, sauces and even salads! It is truly an everything spice, as it is a combination of spices that you use most often in your cooking. Ingredients include black and red peppers, oregano, basil, garlic and onion powder, coarse salt, sunflower oil, natural flavors, and paprika.

Roasted Vegetables:
Spray a sheet of aluminum foil or cookie sheet with vegetable oil. Cut potatoes, onions, zucchini, and red peppers, place on foil sheet, sprinkle with olive oil, and Amplify. Bake at 350 degrees for 30 minutes! Enjoy!!! Use your favorite combination of veggies.
