Jefferson Medical Associates is now South Central Clinics

Submitted

As healthcare becomes more complex, physicians in private medical practices have been forced to spend more time on business operations and less time with patients. Experts say the number of physicians selling their practices to hospitals has increased 30 percent to 40 percent in the last five years. Jefferson Medical Associates (JMA) is one of those practices. Jefferson Medical Associates joined the South Central Regional Medical Center healthcare team on November 6. Reasons for this trend vary, but a pri-

mary reason is the desire of physicians to do more of what they do best – care for patients – and leave the business aspects of healthcare to those best suited to that endeavor.

Mark Horne, MD, president of Jefferson Medical Associates, stated, "I have witnessed the field of medicine change dramatically over the years. Some physicians around the country have just given up medicine completely and others have become employed by hospitals. At one time physicians coming out of training wanted to work in private practice instead of an employed

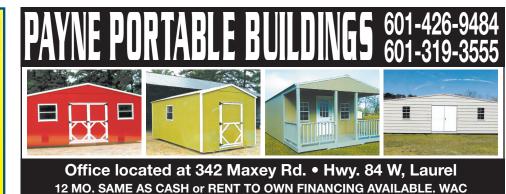

practice, but that too has changed. Today's new physicians no longer desire managing their own practice, with all of the business distractions. Most simply wish to spend time caring for patients."

In the past several years, multiple local private practices have been acquired by South Central Regional Medical Center including: Laurel Family Clinic, Laurel Pediatric Clinic, Laurel Surgery Clinic, OB-GYN Group of Laurel, South Central Urology Clinic, South Central Orthopaedics and others. Doug Higginbotham, president and chief executive officer of South Central Regional Medical Center, stated, "Many physicians who previously worked in private practice in Jones County have come to us over the years and asked that we acquire their practice. Since we have done so, they have seemed to be pleased with the transition. They enjoy focusing their time on patient care."

Prior to the acquisition of JMA, 73 pro-

Dr. Horne said, "We have worked together with South Central Regional Medical Center to improve healthcare in this region for many years, and we are pleased to be joining forces with South Central. South Central Regional Medical Center is an excellent, well-run operation. This change was the obvious next step for us."

The only change patients will see is the name change. The telephone number of the clinic (601-649-2863) will remain the same. Jefferson Medical Associates is now South Central Clinics and the individual service lines are South Central Cardiology, South Central Gastroenterology, South Central Hospitalists, South Central Internal Medicine, South Central Neurology and South Central Pulmonary Medicine. As part of the acquisition, neurologist Gulshan Oberoi, MD, has relocated his practice from its current location at 319 South 13th Avenue to the Jefferson Medical Associates east building located at 1203 Jefferson Street, where he will work alongside the cardiologist and the gastroenterologists. Grand opening to celebrate state-ofthe-art eye clinic and surgery center

Submitted

While the Laurel Clinic of Southern Eye Center officially opened in June of this year, the physicians and staff will host a Grand Opening and ribbon-cutting event on Thursday, November 9 from 4:30 – 7 p.m. in conjunction with a business after hours event with the Economic Development Authority of Jones County.

This event will be open to the public. The 10,759-square-foot facility, which offers a full surgical suite, will be open for tours with the physicians and staff members. The event will also feature refreshments and giveaways to include vouchers for vision correction procedures including a free cataract upgrade, Blade-Free LASIK, BOTOX, Maui Jim sunglasses, as well as other door prizes.

"Our beautiful new clinic will enhance the way we serve our patients. We hope the space is not only welcoming but that the additional clinic and surgery center will be more convenient for our patients across the Pine Belt and throughout south Missis-

sippi,' said Dr. Jaime Jiménez. "It reflects our values and

our role in the community."

Southern Eye Center has a dedicated team of physicians, including doctors Kiper Nelson, Jaime Jiménez, Cameron Griffith, Abumere Akinwale, Stan Saulny and Joseph Childs. They offer a variety of eye procedures including treatment for diabetic retinopathy, retinal detachments, cataract removal, corneal transplants, eyelid surgery, and vision correction procedures, including LASIK and corneal inlays. Each physician is fellowship-trained in their area of expertise and will be seeing patients in the Laurel facility.

"Our patient's vision and comfort is paramount in what we do at Southern Eye Center. We have built a strong reputation of highly-skilled, fellowship-trained physicians who tailor treatment plans for each individual patient with care and compassion," said Dr. Kiper Nelson. "That's what makes our team special and different from the rest. Please come meet our physicians and staff at the Grand Opening celebration!"

Brookhaven blanks **West Jones in** Region 3-5A title game

By James Pugh

Brookhaven and West Jones entered Friday's regular-season finale unbeaten in Region 3-5A.

By night's end, Brookhaven finished that way with a 26-0 win over West Jones in Soso and claimed the Region 3-5A title for the first time since moving up to Class 5A in 2009.

The Panthers end the regular season 10-1 overall and faces Wayne County (6-5) next Friday night at home in the first round of the playoffs.

West Jones closes out the regular season with an 8-3 record and faces Stone (7-3) at home next Friday night in the first round.

Impressive season thus far

West Jones won seven straight games before Friday night's regular-season finale, including six straight wins to earn the right to contend for the Region 3-5A title.

After two straight seasons without a postseason appearance, West Jones will enter the playoffs as a second seed.

"We were pleased [with the events that led to tonight]," said West Jones head football coach Scott Pierson. "The problem is we ran into a team tonight that is playing some really good football.

"We're better than we played tonight, but that is a really good team that beat us. The best part is that there is another game for us. It's really bad when you get beat, and you feel like you didn't play well, and you don't get to play another game. Fortunately for us, we get a do-over and line back up to play. Hopefully, we will do a better job next week."

Troubled first half

Brookhaven scored 16 of its 26 points in the first half.

A safety, a 12-yard touchdown run by quarterback Sevante Quinn and a 3-yard touchdown run by running back Damarrell Legget put the Panthers up 16-0 at the

West Jones struggled to gain any offensive yards, especially in the first half. Constantly starting off deep in its territory, the Mustangs managed only 53 yards of offense in the first half.

"It goes back to what we talked about earlier in the week," said Pierson. "We always talk about winning on special teams, and tonight their punter, who is good, pinned us inside the 5-yard line twice."

Brookhaven racked up 210 yards of offense in the first half, 140 of those coming on the ground.

West Jones played a more solid game after the first half, but Brookhaven was able to maintain the shutout, outscoring the Mustangs 10-0 in the second half.

Grand Opening of Rubies Home Furnishings

By Linda Cranford

Stepping through the doors of Rubies Home Furnishings is like stepping into a wonderland of beautiful home décor for Christmas as well as all the seasons of the year. Friday morning, November 3, the owners, sisters Kim Smith and Karlyn Pugh, were joined by their parents Larry and Charlotte Loftin as well as Laurel City Mayor Johnny Magee, EDA staff members, Chamber ambassadors and family and friends for the Grand Opening and ribbon cutting ceremony to officially open Rubies Home Furnishings. The store is located two doors down from its mother store, City Home Center, at 2139 Highway 15 North, Suite A, in Laurel.

Smith thanked everyone for coming and answered a few questions about the new store that she said a lot of people have been asking. One of the questions was why they changed the name from City Home Center. She explained that the two separate locations was a little confusing for some so they decided to give it a new name. The other question they've been asked a lot was where did the name come from. The sisters have named the store after their grandmother, Ruby Sherman, who worked for over 30 years in the family business. According to their father, everybody knew Miss Ruby and she kept everybody straight. Most of her time with the business was spent at the locations near Masonite Corporation when they were known as City Salvage and City Building Supply. Miss Ruby always wore a red smock and her smock was on display at the ribbon cutting refreshment counter where guests were given an opportunity to taste Miss Ruby's famous sweet potato pie. The two sisters along with their mom used Miss Ruby's recipe that they had gotten her to write down years ago to cook 120 mini sweet potato pies for the ribbon cutting.

"This is surreal," exclaimed Pugh as her eyes began to tear up. "All these years we've watched our parents do so many things. Now, here we are." She talked about the influence her grandmother had on both sisters. "This is a testimony of what our grandmother taught us about working hard to get what you want."

Jones County Chamber of Commerce ambassadors Chris Tullos and Chataura Sanders presented the sisters with their first dollar of profit and a commemorative poster of a print of downtown Ellisville created by artist Dwelia Haas.

For more information call 601-428-0198. Like them on Facebook at Rubies Home Furnishings. Store hours are Monday through Friday from 9 a.m. until 5:30 p.m., Saturday from 9 a.m. until 3 p.m., and closed on Sunday.

Rubies Home Furnishings is named after the owners, Kim Smith's and Karlyn Pugh's grandmother Ruby Sherman. Miss Ruby always wore this red smock when she worked in the family's business when they had City Salvage and City Building Supply which was located near Masonite Corporations.

Owners Kim Smith and Karlyn Pugh were surrounded by family, friends, Chamber ambassadors, and Mayor Johnny Magee as they cut the ribbon to officially open Rubies Home Furnishings. *Photo/Linda Cranford*

The new 50,000 square foot building is filled with all types of merchandise. "We have everything from tools to flowers, to camouflage clothing, purses and tarps," exclaimed Regina Dennis, store manager. "If you see something you like

Braves to tangle with Hattiesburg in the first round

By James Pugh

South Jones at Hattiesburg

Good news: South Jones is in the playoffs for the first time since 2009.

Bad news: South Jones now faces Hattiesburg in the first round of the

Hattiesburg hasn't lost a game this season. South Jones will need to pull off a performance, and then some, like it did two weeks ago at Brookhaven to achieve an upset against the Tigers. Anything can happen in the playoffs, and everyone begins 0-0.

Prediction: Hattiesburg +24

Laurel at Picayune

This season for Laurel hasn't been as successful as years past. But this is part three of the season. Laurel's loss to Brookhaven and West Jones in the regular season can all be forgotten. This can be Laurel's fresh start.

Picayune can be explosive on offense, but so can Laurel. These two teams are no strangers to postseason matchups.

Expect a shootout Friday night. The team who wins the turnover battle, wins the game.

Prediction: Picayune +3

Stone at West Jones

West Jones has missed the playoffs for two straight years. Friday night will be a new experience for most players on this years roster. Head coach Scott Pierson wasn't pleased with last week's regular season finale, and typically that means

a better showing the next time around.

West Jones may be shaky to start off Friday night. As I stated before, Friday night is a new experience (postseason play) for most on the team. How comfortable West Jones gets as the night lingers will determine how the night ends.

Prediction: West Jones +1

Big Creek 10 Water Park holds first Fall Festival

The weather was beautiful Saturday, November 5, for Big Creek 10 Water Park's first Fall Festival. Vendors from all over the area were set up in one camping area near the 150 acre lake. The park has 57 campsites, a 2-mile nature trail, 5.5mile horse trail, lodge hall, two bungalows and two cabins. The park is located at 171 Cooley Park Road between Laurel and Collins and is part of the Pat Harrison Water District. Park Ranger Teresa Dinwiddie said from November 1 until February 28 all campsites and cabin rentals are discounted 20 percent. For more information call 601-763-8555.
