TREE CARTS FOR EASY HAULING

## HOLLYWOOD by Tony Rizzo

HOLLYWOOD — Bradley Cooper's direction of Stefanie Germanotta in the reboot of "A Star Is Born" must be so hot, Warners has moved up the opening from September 28 to May 18. In case you don't know, Stefanie Germanotta also is known as Lady Gaga. In this version, the Esther Blodgett/Vicki Lester character in the Judy Garland version is named Ally, and Cooper's character is named Jackson Maine instead of Norman Maine. Elliott Gould (former husband of Barbra Streisand, who starred in the 1976 reboot) is playing her "benevolent manager." Andrew Dice Clay is portraying her father and Dave Chapelle is playing someone named Noodles. Meanwhile, Chapelle has taped a special for Netflix, "The Age of Spin: Dave Chapelle Live at the Hollywood Palladium."

Chris Pratt

When Chris Pratt starred in "Parks and Recreation" from 2009-2015, he was overweight, which worked for his comedic role on the show. In order to become superhero Peter Quill/Star Lord for "Guardians of the Galaxy" in 2014, he pumped iron and became a super hunk. "Jurassic World" (2015) further cemented his ascent to stardom. His wife, Anna Faris, had their son, Jack, in 2012 and began the CBS series "Mom" in 2013. A new baby, both parents working in series and the global attention afforded Chris may have been the straw that broke the camel's back. They announced in August they were amicably separating. Anna has confessed, "Life is too short to be in a relationship where you feel it isn't fully right or somebody doesn't have your back or fully value you!"

Pratt went from "Guardians of the Galaxy, Vol. 2" (\$200 million cost; \$864 million gross) right into filming "The Avengers: Infinity War," due May 4, "Jurassic World: Fallen Kingdom," out June 22, "The Lego Movie Sequel," opening February 2019, and the anti-

2019. He had no time to play house!

Another "super hunk," Henry Cavill, is of course playing Superman in the Nov. 17 release of "Justice League." He is now filming the psychological thriller "Nomis," with Oscar-winner Ben Kingsley, Alexandra Daddario, Stanley Tucci and Nathan Fillion, and will be dealing with Tom Cruise (they haven't said if it's as a friend or foe) when "Mission: Impossible 6" opens July 27, with Rebecca Ferguson, Simon Pegg, Angela Bassett and Alec Baldwin.

Baldwin has taken time off from his "SNL" White House duties while they are not taping to complete "Downsizing," with Matt Damon, Christoph Waltz and Kristen Wiig (due Dec. 22). He gets top billing in "Drunk Parents," with Selma Hayek, and with Sienna Miller in "The Private Life of a Modern Woman." Alec's been so busy he hasn't had any time to clash with photographers!

Now here's a tip! by Jo Ann Derson

"I buy gifts all year long and save them in a closet until the holidays, when I get them out and have festive fun while wrapping. As a matter of fact, I buy my cards after Christmas, too — on sale. I get them out and start writing the day after Thanksgiving instead of shopping." — M.E. in Minnesota

"I have a gorgeous metal tray that I like very much but didn't have counter space for in my kitchen. My husband attached it to the wall with a screw and found some lovely magnets. I use it to hold recipe cards when I'm cooking or planning to cook. It is wonderful." — A.A. in Arizona

When the family shops together, the kids become more invested in making good nutritional decisions. Talk about healthy choices before you go and while you're making your lists. Then break down the nutritional labels together to make the best choice.

Make your own moth repellent by mixing whole cloves, ground cinnamon and black peppercorns. Wrap in cheesecloth and secure with ribbon. Hang in a closet or tuck in a drawer as you would a sachet.

For a refreshing and really good-smelling hair treatment, mix a quarter cup each of honey and ground cinnamon. Rub into hair at the scalp only, and then shampoo as normal.

Your kitchen sponge sees a lot of action in the sink — sometimes too much. Be sure to replace the sponge when it gets worn or smells bad — weekly if you're the type who leaves it sitting in the sink drenched in bacteria-loving dishwasher. Try cutting sponges in half or in thirds to make them last longer.

We are now looking to expand our recruitment of high quality and ethical open shop contractors that specialize in that type of work.

Discover the value IBEW can have for your company:

- You pay nothing to the Union to sign with us!
- Immediate access to indentured apprentices!
- 1-1000 qualified Men and Women available with a single phone call!
- IBEW quickly becoming the main source of manpower in the Northeast!
- Flexible rates for non-traditional work!
- Your partner in protecting the industry!
- The safest and most productive workforce in the industry!

- Contractor Training and Support!

We are looking for only the best in manpower and contractors. If you are a great contractor, we should be talking to you now. There are many very unsatisfied craftspeople looking for a better life who are available right now and ready to move to your company!

HERE IS A PLEASANT LITTLE GAME that will give you a message every day. It's a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner and check one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

### The Garden Bug

**Displaying vintage tools**

Use a "shabby chic" wooden frame as a mount for a piece of heavy-gauge chicken wire cut to fit the frame. Using small wire pieces, attach old gardening tools to the chicken wire in a varied, pleasing arrangement. The aged tools display well together and make a nice gift for the gardening enthusiast on your holiday shopping list. - Brenda Weaver

Rich in fiber and protein, this hearty Macaroni, Cabbage and Bean Soup can be served as a main course. Offer fresh, crusty bread and a green salad to accompany.

- 1/2 cups elbow macaroni or mini penne pasta
- 1 tablespoon olive oil
- 1 medium onion
- 1/2 head savoy cabbage
- 2 clove garlic
- 1/4 teaspoon ground black pepper
- 3 cans chicken broth
- 2 cans white kidney beans (cannellini)
- Grated Parmesan cheese (optional)
- Salt

1. Heat 4-quart saucepan of salted water to boiling over high heat. Add macaroni and cook as label directs.
2. Meanwhile, in 5- to 6-quart saucepot, heat oil over medium-high heat until hot. Add onion, cabbage, garlic and pepper; cook until cabbage begins to wilt, 6 to 8 minutes, stirring often. Stir in broth, beans and 1 1/2 cups water; heat to boiling.
3. Drain macaroni. Stir macaroni into cabbage mixture; heat through. Serve with Parmesan if you like. Serves 6.

## Salome's Stars

ARIES (March 21 to April 19) Restless Rams and Ewes might want to let others finish a current project while they start something new. But if you do, you could risk losing out on a future opportunity.

TAURUS (April 20 to May 20) The Bovine's creative forces start revving up as you plan for the upcoming holidays. Some practical aspects also emerge, especially where money is involved.

GEMINI (May 21 to June 20) Moments of doubt disrupt your otherwise clear sense of purpose. Don't ignore them. They could be telling you not to rush into anything until you know more about it.

CANCER (June 21 to July 22) A planned trip might have to be delayed. Plan to use this new free time to update your skills and your resume so you'll be ready when a new job opportunity opens.

LEO (July 23 to August 22) A flood of holiday party bids from business contacts allows you to mix work and pleasure. Your knowledge plus your Leonine charm wins you a new slew of admirers.

VIRGO (August 23 to September 22) An unexpected act by a colleague complicates an agreement, causing delays in implementing it. Check out the motive for this move: It's not what you might suspect.

LIBRA (September 23 to October 22) You might want to cut ties with an ingrate who seems to have forgotten your past generosity. But there might be a reason for this behavior that you should know about. Ask.

SCORPIO (October 23 to November 21) Be careful not to set things in stone. Much could happen over the next several days that will make you rethink some decisions and maybe change them.

SAGITTARIUS (November 22 to December 21) Your plans to help provide holiday cheer for the less fortunate inspire others to follow your generous example. Expect welcome news by week's end.

CAPRICORN (December 22 to January 19) You're in your glory as you start planning for the holiday season ahead. But leave time to deal with a problem that needs a quick and fair resolution.

AQUARIUS (January 20 to February 18) The upcoming holiday season provides a perfect setting for strengthening relationships with kin and others. A new contact has important information.

PISCES (February 19 to March 20) Instead of fretting over a cutting remark by a co-worker, chalk it up to an outburst of envy of your well-respected status among both your colleagues and superiors.

BORN THIS WEEK: You instinctively know when to be serious and when to be humorous — attributes everyone finds endearing.

only help.  
 The Eagles and the Patriots may have made the best deals, however. The Eagles, with Carson Wentz behind center, look like the real deal. Anyone that has watched the NFL over the years knows that in order to be taken seriously in the league you have to put together two consecutive seasons of top performance, otherwise you're a Scott Mitchell or a Matt Cassel. We've seen enough of Wentz to know he's going to be around for quite a while. He throws a ball like Dan Marino used to ... no West Coast offense in Philly. They matriculate the ball downfield. Wentz not afraid to chuck the ball a good 30-yards a clip. Their fifth-ranked rushing attack just added Jay Ajayi for a fourth-round pick, and even though Ajayi is gaining a reputation for being a locker-room cancer, that move has the word "steal" written all over it.

**Let's Make a Deal**

It's a new era in the NFL. For the first time in years, a new crop of general managers and head coaches have taken a leap by bounding into the trade market. Usually the providence of Major League Baseball, the NBA and NHL, the time has finally come for the NFL. With the exception of one or two streaking teams, the vaunted parity of professional football, the desperate fight to make the playoffs or the desire to begin a quick rebuild has led to a spate of high-profile trades.

It began when Marcell Dareus, a defensive tackle and former No. 3 overall draft pick, was traded to Jacksonville from Buffalo. One year after Rex Ryan, Buffalo has surprised many this season, actually challenging New England despite having a weak passing attack. That changes with the addition of wide receiver Kelvin Benjamin, a former first-round pick and Carolina's leading receiver this year.

Three-time Pro Bowler and former first-round draft pick Duane Brown was dealt to the Seahawks in exchange for draft picks, quarterback Russell Wilson restructuring his contract in exchange for added protection on the line. With the loss of Aaron Rodgers in Green Bay, a Giants team in total disarray, Seattle vaults to the head of the pack in the NFL with the move. Wilson is dynamic as ever, and this pickup can

The Patriots shook up the market, dealing highly touted backup quarterback Tony Garoppolo to the 49ers for, get this, a second-round pick. At the time of the trade, Tom Brady told the press he couldn't name his backup, but it likely won't matter anyway ... the guy is a rock.

Even the Jets made trades! Hapless Cleveland tried to make a trade for Cincinnati's backup quarterback, but in true Browns fashion, forgot to call in the trade. That franchise is a mess. I wouldn't be surprised if they had an intern try to fax it over.

In all, let's hope that this is a harbinger of things to come. As any MLB fan will tell you, trades are practically half the fun of the game. Shaking things up in the NFL versus standing pat is a tradeoff most fans would take any day.

### The Garden Bug

Displaying vintage tools

Use a "shabby chic" wooden frame as a mount for a piece of heavy-gauge chicken wire cut to fit the frame. Using small wire pieces, attach old gardening tools to the chicken wire in a varied, pleasing arrangement. The aged tools display well together and make a nice gift for the gardening enthusiast on your holiday shopping list. - Brenda Weaver
