**BROCK AUCTION COMPANY, INC.**  
Proudly Presents  
**Prime, America Township, Plymouth County Iowa Farm**  
**Super High Quality, Approx. 132.91 Unimp. Acres M/L**  
**PUBLIC AUCTION**  
**Friday, December 1, 2017 @ 10:00 am**  
**Sale held at Primebank - 37 1st Ave. NW, Le Mars, Iowa**

**LAND LOCATION:** Land located on the North Side of Highway 3 and on the East Side of Highway 75 By-Pass on the NW edge of Le Mars.  
**GENERAL DESCRIPTION:** Location! Location! Location! Once in a blue moon a piece of high quality farmland comes on the market that is as desirable as you can find. The "Harold Sitzmann" farm is one such farm. For decades people have driven by the farm on Highway 3 and seen the beautiful crops on the gently rolling land and thought "how wonderful it would be to own this farm with it's great high quality soils and absolutely perfect location". Well the Sitzmann Family is giving you the opportunity to make that dream come true.

The farm is combined with another tract of land and the Plymouth County FSA will determine the exact figures and splits according to their formulas when a new owner is determined. The NRCS and Assessors office show the main soil types to be Galva which makes up over 93% of the field and the remainder is Radford and combined they have an outstanding 86.9CSRII.

Every time you turn on the TV or listen to the radio or get on the internet, you are bombarded by ads enticing you to invest your money in Stocks and Bonds, Gold or Silver, and anything else they can think of to gain control of your hard earned money. Every Buy & Sell they get a cut whether you make money on it or not. When you invest in top quality land like this property, you are in complete control of your decision making and that doesn't cost you a fee. Give this farm strong consideration not only for yourself but for your generations to come and keep the farming lifestyle you have enjoyed, safe for your kids and grandkids as your fore fathers did for you.

gather up energy savings

Stay cozy and save energy with these tips:

- Have your heating system checked.
- Seal air leaks to prevent heat loss and ice dams.
- Install insulating drapes or shades if windows feel drafty after weatherizing.
- Use a programmable or smart thermostat.
- Install door sweeps to prevent warm air from escaping outside.

Ask us about our rebates!
