HEAP BENEFITS AVAILABLE

The Home Energy Assistance Program (HEAP) is an important City benefit available to low-income homeowners and renters who pay their fuel and utilities. Income-eligible renters who have ConEdison included in their rent are also eligible. The program offers assistance to eligible New Yorkers to help defray energy costs, which we all know can be exorbitant. According to recently released eligibility guidelines, HEAP benefits are now available to homeowners and renters making less than \$2,300 per month (for an individual) or \$3,007 per month (for a couple). Income limits increase with household size. Applications are currently available. Funds are limited so you should apply as soon as possible. Call the HEAP Hotline at (800) 692-0557 or call the HRA Heat Line at (212) 331-3150. You can also visit www.nyc.gov/hra and select "Energy Assistance" under the "I Need Help" tab to get an application online. If you have any questions, or would like an application mailed to you, you may also call my office at (718) 931-1721.
