### Prayer to the BLESSED VIRGIN

(Never known to fail). O Most Beautiful Flower of Mt. Carmel, Fruitful Vine, Splendor of Heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. O Star of the sea, help me and show me here in, you are my mother. O Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (make request). There are none that can withstand your power. O Mary conceived without sin, pray for us who have recourse to thee (3 times.) Holy Mary, I place this cause in your hands (3 times). Say this prayer for three consecutive days. You must publish it and it will be granted to you. Grateful Thanks.

## Random Acts of Kindness...

While traveling this July on the New Jersey Turnpike, on our way to vacation in Virginia, we were pulled over by a New Jersey policeman, Sgt. J. Kutz from Sayreville Police Station.

Sgt. Kutz noticed we were having trouble and offered to direct us to the right route. Realizing we might get more lost he told us to follow him and he would leave us off at the correct route.

We were very grateful to the Sgt. who went out of his way to help us.

## Attention: Electrical Contractors and Electricians

In addition to all of the "BIG" work our men and women do every single day, the IBEW is further expanding its market into Light Commercial, Residential and Security Systems. We are also continually growing our market in Residential and Commercial Solar projects.

We are currently interviewing **Quality Open Shop Electrical Contractors** and **Qualified Unrepresented Electricians** who are interested in the amazing opportunities the IBEW has to offer.

**We offer Contractors:** Light Commercial and Residential Rates, complete control over their own company, marketing, estimating, and relationship tools to help you grow and prosper, along with an inexhaustible supply of qualified manpower around the corner...or around the world. Best of all, Local 99 is funded by the membership, not by you! Let's start the conversation today. You will be amazed at what you've been missing!

**We offer Electricians:** An opportunity to become a part of the **only** organization that has been successfully protecting the health and safety of **all** electricians for 125 years. If a cutting edge education, safer work environments, and a respectful wage and benefit package focused on the needs of you and your family are important to you, then what are you waiting for? We believe that the best trained people, working for the most qualified contractors, offers a fantastic future for all. Best of all, we never make you leave your current employer to start the interview process with us!

Appointments are available 7 days a week, in our home or yours.  
We look forward to hearing from you soon!

### Prayer to St. Jude

Most holy Apostle, St. Jude, faithful servant and friend of Jesus, the church honors and invokes you universally, as the patron of hopeless cases, of things almost despaired of. Pray for me, I am so helpless and alone. Make use, I implore you, of that particular privilege given to you, to bring visible and speedy help where help is almost despaired of. Come to my assistance in this great need that I may receive the consolation and help of heaven in all my necessities, tribulations, and sufferings, particularly (your request) and that I may praise God with you and all the elect forever. I promise, O blessed St. Jude, to be ever mindful of this great favor, to always honor you as my special and powerful patron, and to gratefully encourage devotion to you. Amen.

## "Over the Counter"

by Bill Marcotte, Proprietor

In seeing pictures of the ground breaking for a new gazebo, which will be used for festivals, concerts, etc., and be sort of a center for the community, I was reminded of the old days. The gazebo will be located at the Town Hall Annex, across from the Town Hall and Library. I chatted with Pete Stevens from The Reminder about the things we remembered about Old Home Days. We talked about when Paine Field was used as the home of the yearly event. For about 5 days every summer, it was converted into a carnival atmosphere, with rides, shows, clam cakes and chowder and a multitude of other things. There was a parade which stepped off in the Anthony section of town and proceeded west on Rte. 117. Miss Coventry would ride on the back of a beautiful convertible, and would later crown the new Miss. The 5 days culminated with a fireworks display right there at the field. The whole town showed up for Old Home Days. It was a good time, during the 50's and early 60's. I'm not sure the same kind of atmosphere would work now, but it surely is great to reminisce about those hot summer days when we were kids!

### Prayer to St. Jude

Most holy Apostle, St. Jude, faithful servant and friend of Jesus, the church honors and invokes you universally, as the patron of hopeless cases, of things almost despaired of. Pray for me, I am so helpless and alone. Make use, I implore you, of that particular privilege given to you, to bring visible and speedy help where help is almost despaired of. Come to my assistance in this great need that I may receive the consolation and help of heaven in all my necessities, tribulations, and sufferings, particularly (your request) and that I may praise God with you and all the elect forever. I promise, O blessed St. Jude, to be ever mindful of this great favor, to always honor you as my special and powerful patron, and to gratefully encourage devotion to you. Amen.

O Mary conceived without sin, pray for us who have recourse to thee (3 times.) Holy Mary, I place this cause in your hands (3 times). Say this prayer for three consecutive days. Classic Cookbook

Q. My grandmother lived in St. Louis during the 1920s and '30s, and she was a personal friend of Irma S. Rombauer, author of "The Joy of Cooking." In 1931, she received an autographed copy of the very first edition, which surprisingly, was soft bound. I have been told it could be quite valuable. My question is, how valuable? — Carol, St. Charles, Missouri

A. "The Joy of Cooking" is one of the most famous and significant cookbooks ever published in this country. Irma S. Rombauer had no cooking experience, but after the death of her husband in 1930 she decided to self-publish a collection of recipes. That edition was illustrated by her daughter, Marion, who later became her writing partner. Now for the tasty part. Your cookbook could be worth \$3,000 or more, according to cookbook experts Patricia Edwards and Peter Peckham.

Since the 1931 edition was published mostly for family, friends and neighbors, the more popular hardback edition did not appear until 1936. It sells in the \$150-\$300 range in good condition. The one I use in my kitchen is the 1943 edition, which contains sugarless recipes prompted by the rationing of World War II. It is my favorite cookbook.

**ARIES** (March 21 to April 19) Avoid adding to the tension around you. Even a well-meant reaction against something you perceive as unfair could be misunderstood. Let things calm down, and then talk about it.

**TAURUS** (April 20 to May 20) It's a good time for romance for unattached Bovines, and a good time for reinforcing the bonds between partners. Children's needs are important during the latter part of the week.

**GEMINI** (May 21 to June 20) A compliment from a surprising source sends you wafting way up into the clouds, where — sorry to say — your view of what's going on is obscured. Come on down and face some reality.

**CANCER** (June 21 to July 22) Even a family-loving person like you sometimes can feel you're at the end of the line with contentious kinfolk. But things can work out. Remember that it's better to talk than walk.

**LEO** (July 23 to August 22) A job-related move might hold more positive surprises than you'd expected. Go into it with confidence, and look for all the advantages it offers. Then decide what you'll do with what you find.

**VIRGO** (August 23 to September 22) Driving yourself too hard to get something done on a deadline you set up can backfire. Ease into a more realistic finish date, and add more breaks to your work schedule.

**Birding BITS** BY Cindy Brook

**Stretch Your Dollar**  
 I like to buy a basic blend that has black-oil sunflower, safflower and white-stripe sunflower seed. Then I mix in sunflower chips and a little bit of millet to make it all last longer. I find I buy seed less often, and every bird is happy.

**LIBRA** (September 23 to October 22) Your sense of humor can brighten any dark period, and your laughter can dispel those gray clouds swirling around you. The weekend presents a surprising but welcome change.

**SCORPIO** (October 23 to November 21) Be careful about the words you use, especially in touchy situations. The old Chinese saying that the spoken word is silver, but the unspoken gold could well apply here.

**SAGITTARIUS** (November 22 to December 21) Some facts could emerge to shed light on unresolved past problems. What you learn also might help explain why a once-warm relationship suddenly cooled down.

**CAPRICORN** (December 22 to January 19) Don't let your pride get in the way of checking into what could be a great new opportunity. Get the facts first, and worry about procedure and protocol later.

**AQUARIUS** (January 20 to February 18) A health problem in the family might have other relatives assuming that, as before, you'll take over the health-care duties. Surprise them and insist they share in the caretaking.

**PISCES** (February 19 to March 20) A series of changes can be unsettling, but in the long run, it can pay off with new perspectives on what you plan to do. Keep your mind open to the possibilities that might well lie ahead.

**BORN THIS WEEK:** You might be under a "royal" sign, but you have a wonderful way of embracing everyone as an equal.
