Better known as an anesthetic or as an illicit hallucinogenic drug, ketamine has also long been noted for alleviating depression. But ketamine has not been tested in a large clinical trial, and all evidence of its antidepressant effects has come from anecdotes and small studies of fewer than 100 patients. Now, in the largest study of its kind, researchers mined the FDA Adverse Effect Reporting System (FAERS) database for depression symptoms in patients taking ketamine for pain. They found that depression was reported half as often among the more than 41,000 patients who took ketamine, as compared to patients who took any other drug or drug combination for pain. The study, published in Scientific Reports, also uncovered antidepressant effects for three other drugs typically used for other purposes- Botox, the pain reliever diclofenac and the antibiotic minocycline.

New research being presented at the 2017 Pediatric Academic Societies Meeting found infants prescribed antacids to manage acid reflux, or spitting up, under age 1 had more bone fractures later in childhood. Acid reflux, also known as gastro-esophageal reflux (GER), is frequently treated with drugs such as proton pump inhibitors (PPIs) and histamine H2-receptor antagonists (H2-blockers) that decrease production of stomach acids. These types of medications have been linked with increased bone fractures in adults, but there has been a lack of research into whether they might have the same effect in children.

Patients with age-related macular degeneration who received seven or more eye injections of the drug bevacizumab annually had a higher risk of having glaucoma surgery, according to a study published by JAMA Ophthalmology.

The Holy Bible reveals it is vain worship when taught for doctrines the commandments of men (Mt 15:9, Isaiah 55:8,16: Mt16:22-23). Let the so called Christian church prove who they follow: Christ The Holy Word Of Elohim or man (Jn 1:1-14, Mt 4:19,16:22-24, Mt 4:4, 5:17-19, 24:35, Lk 16:17, Jn 14:24, Heb 13:8). All shall face judgment (Acts 3:23,17:31, 2Cor 5:10, Heb 9:27). So Be It!

Sarah Jo Schaffer
August 17, 1937 ~ November 16, 2017

The family of the late Jo Schaffer would like to offer their sincere thanks for all of the prayers and support we received during this most trying time.

A special thanks is extended to all of the friends and family for the food we received after Jo's passing. All of the beautiful flowers are also greatly appreciated.

The family wishes to thank Fr. Patrick Egan, the Sacred Heart Choir, and all others involved for the beautiful service during the funeral mass. We also want to thank the Bereavement Committee for the wonderful meal served after the graveside service.

Wife, Mother and friend to all. Jo will be missed by many. The family of Jo Schaffer sincerely wish that all of you accept this most heartfelt thank you.

The Family Of
Vessie Burrow

would like to express our appreciation for every act of kindness shown to us during Mother's illness and death.

We would especially like to thank Helen and Amy for their love and care. She loved you both very much. Also, Allen and Daryl Calvert and families for doing things for her when we couldn't be there.

Special thanks to the 2nd floor employees at the Folsom Center.

Thanks to Bro. Ron Collett, Bro. Darrell Mosley and Brandon Harbison for their comforting words.

Leah and Jason Sapp, Marie Sandlin and Alice Burrow for the music.

Finally to the Livingston Chapel Church, there are not enough words to express our appreciation for everything y'all did to show your love for Ms. Vessie and she loved y'all for that. It did our heart good to have been a part of that special love. Keep showing the love of God to a needy world.
