Christmas Safety Tips

Any string of lights with worn, frayed or broken cords or light bulb connections should not be used.
Never use a lit candle to decorate a tree.
Always unplug Christmas Tree lights or any other Christmas lighting source on your home/property before leaving your home or going to sleep.
Do not place tree where it may block an exit.
Try to keep live trees moist as possible by giving them plenty of water daily.
Safely dispose of tree when it begins dropping needles. Dried-out trees are highly flammable and should not be left in a house, garage, barn, or placed against any other building.

Farmer's Give Back Project

The **Farmer's Give-Back Project** held Tuesday, December 5th was a huge success. Thanks to our awesome friends who came out, we were able to pack and help deliver over 40 bushels of squash, 15 big bags of cabbage, 15 large bags of onions, over 300 loaves of Monk's bread, turkeys, chickens, pork and warm winter wear.

It was incredible! We so truly needed an army to get it done and make it successful. Everyone involved came through not just for us, but for our community as well. We're so very proud of what we all did together in just a few days.

The project's generous army delivered to nine food pantries and homeless shelters in five counties in Western New York.

SPECIAL THANKS to Betsy and Leslie Degroff at DeGroff Farm, Andrew Starowitz and Barbie Starowitz at Star Growers and the Starowitz Family, Paul Kennedy at the Abbey of the Genesee and Steven Teed at Beau Teed Farm (a lieutenant in MMFD) for their **generous donations**; and to all the **volunteers**.

Steve & Jodi Teed

We are so honored to call you our friends. We love you all. Thank you for making the *Farmers Give Back Project* a wonderful success!
