PHARMACY TOPICS
by **Rex Smith**
Hospital Discount CENTRAL

Pictured L-R: Vanessa Patton, Becky Cook, Becky Burks and Rex Smith, RPh

New research published in the New England Journal of Medicine, shows that adults and children who have simple abscesses five centimeters or smaller in diameter have higher cure rates if the abscess is drained in combination with antibiotic treatment, either trimethoprim-sulfamethoxazole (TMP/SMX or Bactrim) or clindamycin, compared to drainage alone.

Long-term off-label use of quinine, still prescribed to individuals with muscle cramps despite Food and Drug Administration warnings of adverse events, is associated with an increased risk of death, according to a study published by JAMA.

The U.S. Food and Drug Administration has approved Radicava (edaravone) to treat patients with amyotrophic lateral sclerosis (ALS), commonly referred to as Lou Gehrig's disease. ALS is a rare disease that attacks and kills the nerve cells that control voluntary muscles. Voluntary muscles produce movements such as chewing, walking, breathing and talking. The nerves lose the ability to activate specific muscles, which causes the muscles to become weak and leads to paralysis. ALS is progressive, meaning it gets worse over time. The Centers for Disease Control and Prevention estimates that approximately 12,000-15,000 Americans have ALS. Most people with ALS die from respiratory failure, usually within three to five years from when the symptoms first appear.

FREE BIBLE READING SCHEDULE
 This time of year many of us will be making those "New Year's Resolutions." Wouldn't it be great to determine to consistently and regularly read God's Word, the Bible? It was Jesus who said, "Man shall not live by bread alone, but by every word that proceeds from the mouth of God" (Matt. 4:4). "Your word is a lamp to my feet and a light to my path" (Psalm 119:104). We have a **5-days-per-week reading schedule** which will enable you to read through the entire Bible in one year. That is a resolution you will never regret!
We will mail or email you this schedule for free:
 email leon.mauldin@gmail.com or phone/text 256-339-0755.
 You are invited to visit with the
HANCEVILLE CHURCH OF CHRIST.
 Our building is located at 812 Commercial St., beside the school.
