Prayer to St. Jude
Most holy Apostle, St. Jude, faithful servant and friend of Jesus, the church honors and invokes you universally, as the patron of hopeless cases, of things almost despaired of. Pray for me, I am so helpless and alone. Make use, I implore you, of that particular privilege given to you, to bring visible and speedy help where help is almost despaired of. Come to my assistance in this great need that I may receive the consolation and help of heaven in all my necessities, tribulations, and sufferings, particularly (your request) and that I may praise God with you and all the elect forever. I promise, O blessed St. Jude, to be ever mindful of this great favor, to always honor you as my special and powerful patron, and to gratefully encourage devotion to you. Amen.

ST. JUDE'S NOVENA

O Holy St. Jude, apostle and martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need: To you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance.

Help me in my present and urgent petition; in return, I promise to make your name known and cause you to be invoked, with publication promised.

Say 3 Our Fathers, 3 Hail Marys, and 3 Glories for 3 days, and your petition will be granted. This novena has never been known to fail.

It has helped me.

L.L.

Novena to the BLESSED VIRGIN

(Never known to fail). O Most Beautiful Flower of Mt. Carmel, Fruitful Vine, Splendor of Heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. O Star of the sea, help me and show me here in, you are my mother. O Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (make request). There are none that can withstand your power. O Mary conceived without sin, pray for us who have recourse to thee (3 times.) Holy Mary, I place this cause in your hands (3 times). Say this prayer for three consecutive days. You must publish it and it will be granted to you. Grateful Thanks.

Home Management in the Digital Age

Home automation is becoming all the rage, but many homeowners balk at rigging up remotely controlled ther-

mostats or security systems because they're concerned about the cost or about locking into contracts.

And some DIY'ers don't want automation, but they do want to bring a little order into the chaos of home maintenance and improvement. Fortunately, the explosion of mobile apps is making life a bit easier ... and at an affordable price.

Here are some of the latest connected devices that aim to make home management, automation and security easier:

- BrightNest: This home maintenance app for iOS (think iPhones and iPads) and Android platforms helps you set up a maintenance schedule and offers helpful tips on cleaning and maintenance. Free. (brightnest.com, App Store or Google Play)
- Cozi Family: Need to assign chores to the kids or split up home-maintenance tasks? This app can do that. It also syncs with everyone's device from a single account and has a simple interface. Free. (www.cozi.com, App Store or Google Play)
- HomeZada: This desktop software allows you to make an inventory of all your home's systems for free. For \$59 a year, it gives you maintenance reminders and instructions, a calendar, a remodeling budget tool and more. (www.homezada.com)
- Nest: While this startup company's physical products include a "learning thermostat" and a smoke/CO detector, both of which can be controlled remotely, it's also partnering with other tech firms to connect systems in and outside your home — from your car to your fitness wristband and more. Products can be found online or at home-improvement stores, and start at \$99 for the smoke/CO detector. (nest.com)
- Notion: This home-sensor system goes beyond the standard security system: It senses pretty much anything you want it to, whether it's an open garage door, an almost-empty propane tank or a window being lifted. The system sends a message to your smartphone. Sensors along with a necessary Wi-Fi bridge are available on line and start at \$129. (getnotion.com)

TIP: Home security starts with good maintenance, so make sure windows are in good shape and lock tightly, and install sturdy deadbolts at entrance doors.

Send your home tips and questions to ask@thisisahammer.com.

The Libraries of Foster are still collecting IGA grocery receipts. They are able to put them to good use.

Save Money and Your Back!!

Why do this... When you can do this? OFTEN FOR THE SAME OR LESS COST!

Why is CONCRETE QUICK Different?

1. Concrete is mixed on site. There is no minimum order as with traditional concrete companies.	2. 1 YARD OF CONCRETE YIELDS = 50 (80lb.) Bags of Cement = A sidewalk 3'x25'x4" = A patio 8'x10'x4" = 20 (8") Deck Piers	3. Why load-up your vehicle and mix bag after bag of cement in your wheelbarrow.

Into the Fire

Opening Day for Major League Baseball was a rather lackluster affair this year. The only record of note that was set was one related to payroll — the Dodgers have a \$270 million one — and that's kind of hard to cheer for. "Yay, payroll!"

In the Bronx, it was I.A.D. (after Derek). They say the Yankees are the most improved team in baseball defensively, just by replacing him and A-Rod on the left side of the diamond. Seeing the shortstop Didi Gregorius throw lasers to first without having to jump, they may be right ... but Jeter wouldn't have made the last out of an inning trying to take third base. Anyway, that's about it for the youth movement with the Yankees. They are old.

Joe Torre threw out the first pitch, and half the stadium thought he was young enough to be the starter. There seems to be little doubt that their ace Masahiro Tanaka will need Tommy John surgery at some point. You know that Mark Teixeira and Carlos Beltran are going to get hurt. It's nerve wracking to watch the Yankees. It's like watching a senior citizen with a bag full of groceries trying to walk across an icy parking lot.

Meanwhile, Red Sox fans were paying \$8 for beers and having a blast, but the ownership was STILL griping about how much money they

were losing by playing at Fenway Park ... the last of the cool stadiums in America. It never ends with those guys. They make a kajillion dollars a year, but they want more and more and more. They can't be happy with just making Fenway into the greatest experience it can be. No ... they have to blame dark forces like the Yankees. That is why they must move to some saccharine suburb and ruin the whole thing for everyone.

That brings us to Wrigley Field, which was somehow transported to Yemen on opening day. The unfinished bleachers were covered with a blanket, and there were no bathrooms. Not even Porta Pottys. I used to cover up my laundry piles in college with a blanket so my girlfriend wouldn't see them, but then I wasn't a baseball exec. And even the smallest festival director in whatever small town around say, Glenview, knows that people go to the bathroom after drinking beer in the sun.

What is the matter with the Cubs organization? Seriously. What is it about you that has gone so terribly wrong for so terribly long? How many times have you made Bill Murray cry? You know, according to "Back to the Future Part II," this is the Cubs' year, so you're making Michael J. Fox look bad on top of it all. How do you sleep at night, Cubs management?

It doesn't matter. I see the White Sox and Nationals as the top contenders for the throne ... the Dodgers in that mix, too. But October is a long way off. We all know what the beginning of summer is for: Stanley Cup hockey! Baseball can wait.

Random Acts of Kindness...

I would like to express my appreciation to: R. Davis Jervis.

Dave's wonderful acts of kindness and thoughtfulness were certainly appreciated during this terrible winter. Especially the month of February, his help and friendship was wonderful. I speak not only for myself, but for many other friends of his that he also helped - repeatedly.

Thank you, Dave, from all of us.

Sincerely,
 SCS

Your Jesus is Here in the Holy Eucharist Talk to Him!

Dear Heart of Jesus:
 In the past, I have asked many favors. This time, I ask you this very special one.
 Take it dear Jesus and place it within your own broken heart, where your father sees it. Then, in your merciful eyes, it will become your favor, not mine.

Say for 3 days and promise publication.

ST. JUDE'S NOVENA
 O Holy St. Jude, apostle and martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need: To you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance.

Help me in my present and urgent petition; in return, I promise to make your name known and cause you to be invoked, with publication promised.

Say 3 Our Fathers, 3 Hail Marys, and 3 Glories for 3 days, and your petition will be granted. This novena has never been known to fail.

It has helped me.

Candlesticks

Q. My grandparents were married in 1920, and one of their wedding gifts was a pair of candlesticks made by Rookwood. They feature a blue and turquoise matte glaze. Do you have any idea of how much my candlesticks are worth? — *Billie, Athens, Georgia*

A. I found your candlesticks referenced in "Warman's Rookwood Pottery: Identification & Price Guide" by Denise Rago and Jonathan Clancy. Your candlesticks were produced in 1919 and are valued in the \$150-\$250 range, according to this guide.

Q. My mother has an oil painting that was done by A.R. Shulz. Do you know anything about the artist and how much it might be worth? I am enclosing a self-addressed envelope for a quick reply. — *Irene, Lombard, Illinois*

A. The self-addressed envelope you sent me was a waste of money, since all questions I answer appear in this column and no personal replies are possible. Because of the volume of mail, not every question received can or will be answered. Adolph Robert Shulz was born in Wisconsin in 1869. He studied with William Merritt Chase and eventually traveled to Paris. Shulz opened a studio in Munich but returned to the United States in 1917 and settled in Brown County, Indiana. He is primarily known for his landscapes. Shulz

died in 1963. To determine the value of your painting, I suggest you contact a professional art appraiser. You might begin with the American Society of Appraisers, 11107 Sunset Hills Road, Reston, VA 20190; ASAINfo@appraisers.org; and 800-272-8258.

Q. I have older postcards, including some from the early 1900s, and would like to find other collectors so I can sell them. Can you direct me to people who might be able to help me dispose of my collection? — *Tom, Three Churches, West Virginia*

A. The Ephemera Society of America was formed in 1980 "to cultivate and encourage interest in ephemera." Ephemera is defined as items that are short-lived or transitory, such as circulars, tickets, matchbooks and, yes, postcards. This is an especially good organization for people who collect or have paper memorabilia. Contact is the Ephemera Society of America, P.O. Box 95, Cazenovia, NY 13035; info@ephemerasociety.org; and 315-655-9139.

Write to Larry Cox in care of KFWS, P.O. Box 536475, Orlando, FL 32853-6475, or send e-mail to questions-forcox@aol.com. Due to the large volume of mail he receives, Mr. Cox cannot personally answer all reader questions, nor do appraisals. Do not send any materials requiring return mail.

LIBRA (September 23 to October 22) A problem neighbor might be looking to goad you into an action you don't want to take. Ask someone you both respect if he or she would act as an impartial arbitrator for both of you.

SCORPIO (October 23 to November 21) A recent workplace accomplishment hasn't been overlooked by those who watch these things. Meanwhile, start making travel plans for that much-too-long-deferred trip with someone special.

SAGITTARIUS (November 22 to December 21) Those money matters continue to move in your favor. Now would be a good time to start putting some money back into the house, both for esthetic as well as economic reasons.

CAPRICORN (December 22 to January 19) A changing workplace environment can create job pressures. But, once again, follow the example of your birth sign and take things a step at a time, like the sure-footed Goat you are.

AQUARIUS (January 20 to February 18) Cheer up. You could soon have the funds you need for your worthy project. Your generous gifts of time and effort are well known, and someone might decide it's time to join with you.

PISCES (February 19 to March 20) Your inner scam-catcher is right on target, and you're absolutely right to reject that "too good to be true" offer. Meanwhile, something positive should be making its way to you.

BORN THIS WEEK: You are generous, and also sympathetic to people who find they need the help of others.

Prayer to the BLESSED VIRGIN
(Never known to fail). O Most Beautiful Flower of Mt. Carmel, Fruitful Vine, Splendor of Heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. O Star of the sea, help me and show me here in, you are my mother. O Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (make request). There are none that can withstand your power. O Mary conceived without sin, pray for us who have recourse to thee (3 times.) Holy Mary, I place this cause in your hands (3 times). Say this prayer for three consecutive days. You must publish it and it will be granted to you. Grateful Thanks.
