HERE IS A PLEASANT LITTLE GAME that will give you a message every day. It's a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner and check one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

Childproofing Blinds

Q. A friend told me that the cords on my apartment blinds weren't safe, and that kids or my cat could get tangled up in them. I'm not sure what to do to make them safe — should I replace the blinds? — Val in Duluth, Georgia

A. Window blinds manufactured for sale in the U.S. are required to have a safety feature installed to prevent children or pets from getting tangled up in the pull cords. Older window blinds manufactured before 1991 may not have this feature. The blinds' manufacturer should include instructions for cord safety. If you can't locate them, you can find general information at websites like the Window Covering Safety Council at windowcoverings.org. Look on the pull cords of your window blinds for cord stops. These are small round plastic discs threaded through the cords. Here's how to use them to make the pull cords safer, from the WCSC (www.windowcoverings.org/how-to-retrofit/):

1. Lower the blind to its proper closed length and tug the cords slightly to the right to lock them in position.
2. To install a new cord stop, pinch together a section of the pull cord (near the top of the cord) and slide the plastic disc over the pinched-together cord so that you create a loop threaded through the disc
3. Keeping the loop large for now, bring the bottom part of the same pull cord through the loop and then tug it into a loose half-knot under the disc.
4. Adjust the disc until it is about 2 inches below the blinds' head rail and tighten the knot. Repeat with the other cords.
5. The bottom of each cord shouldn't hang past the bottom window sash

when the blinds are closed. Shorten them by cutting each cord above the plastic tassel to a safer length, then re-threading the tassel onto the cord and securing with a knot tied on the end.

Why is CONCRETE QUICK Different?

1. Concrete is mixed on site. There is no minimum order as with traditional concrete companies.	2. 1 YARD OF CONCRETE YIELDS = 50 (80lb.) Bags of Cement = A sidewalk 3'x25'x4" = A patio 8'x10'x4" = 20 (8") Deck Piers	3. Why load-up your vehicle and mix bag after bag of cement in your wheelbarrow.

The Garden Bug Oregano BY BRENDA WEAVER

This popular herb contains potent antioxidants that can prevent damage to cell structures throughout the human body. In laboratory studies, oregano has demonstrated 42 times more antioxidant activity than apples, 30 times more than potatoes, 12 times more than oranges and 4 times more than blueberries. It's also an excellent source of vitamin K, manganese, iron and calcium.

Q. Awhile back you wrote that "The Mortal Instruments" was going to become a TV series, but I've seen nothing about that since. Is it still happening? — *Ellie R., via email*

A. Back when I reported that, everything was still in the beginning stages of development, so there weren't a whole lot of details. Finally, I can say with certainty that "The Mortal Instruments" book series will indeed be reimaged on the small screen as "Shadowhunters." For those unfamiliar with the book series, "Shadowhunters" centers on Clary Fray, who finds out on her 18th birthday that she comes from a long line of human/angel hybrids who hunt down and kill demons. ABC Family will air the 13-episode first season, with shooting expected to commence in May. There is no casting or premiere date news yet, but just knowing that showrunner and executive producer Ed Decter ("Helix," "Unforgettable," "The Client List") is heading up the project makes me feel confident that the TV series will fare better than the not-so-great 2013 feature film.

Q. I love the ABC series "Cristela." Do you know if it will be back for a second season? — *Geena F. in West Virginia*

A. ABC will announce May 14 which series will be coming back, as well as the new series that will debut this fall. I spoke with "Cristela" co-star Maria Canals-Barerra recently, and she is keeping a positive outlook regarding the future of her show. "There's a lot of thoughtful storytelling on 'Cristela,' and I feel really good about it based on how I feel about the episodes, the writing and the fact that the ratings have been decent. I'm very optimistic. Just because I'm in it doesn't mean I've been blinded to it. I really do think I have some perspective because I've been in the business so long." As season one comes to an end, let's

Maria Canals-Barerra

hope we get a second season, because Maria promises we won't be disappointed: "There are going to be a lot of different dynamics to set up season two. I told the writers: 'You guys are so good. The way you set up season two, everyone is going to be like, 'I can't wait to watch it.'"

READERS: The folks at Fox have been teasing for months, even years, about the possible re-exploration of "The X-Files." I am thrilled to report that it is official: "The X-Files" will return to Fox as a six-episode event series. Series creator, executive producer and head writer Chris Carter is on board, as are series stars David Duchovny and Gillian Anderson. Mitch Pileggi will return as Skinner, as well as Annabeth Gish and Robert Patrick as Reyes and Doggett, respectively. Production begins this summer, with the series likely airing in 2016.

Write to Cindy at King Features Weekly Service, P.O. Box 536475, Orlando, FL 32853-6475; or e-mail her at letters@cindyelavsky.com.

Prayer to the BLESSED VIRGIN
 (Never known to fail). O Most Beautiful Flower of Mt. Carmel, Fruitful Vine, Splendor of Heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. O Star of the sea, help me and show me here in, you are my mother. O Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (make request). There are none that can withstand your power. O Mary conceived without sin, pray for us who have recourse to thee (3 times.) Holy Mary, I place this cause in your hands (3 times). Say this prayer for three consecutive days. You must publish it and it will be granted to you. Grateful Thanks.

Thanksgiving Novena to ST. JUDE
 O Holy St. Jude Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ. Faithful intercessor of all who invoke this special patronage in time of need. To you I have recourse from the depth of my heart and humbly beg you, to whom God has given such great power to come to my assistance. Help me in my present and urgent petition. In return, I promise to make your name known and cause you to be invoked. Say three Our Fathers, three Hail Marys and three Glory Be's. Publication must be promised. St Jude pray for us and all who invoke your aid. Amen. This novena has never been known to fail. It helped me. Thank you St. Jude for answering my prayers.

ARIES (March 21 to April 19) Don't
be put off by a seemingly too-tangled
situation. Sometimes a simple proce-
dure will unsnarl all the knots and get
you in the clear fast and easy, just the
way the Lamb likes it.

TAURUS (April 20 to May 20) It's
a good time to go through your work
space — wherever it is — and see
what needs to be replaced and what
can be tossed (or at least given away)
without a second thought.

GEMINI (May 21 to June 20) Some-
one who disagrees with your posi-
tion might try to intimidate you. But
continue to present a fair argument,
regardless of how petty someone else
might be while trying to make a point.

CANCER (June 21 to July 22) You
might find yourself exceptionally sen-
sitive to family matters this week. An
issue could come to light that you had
overlooked. Ask other kinfolk to dis-
cuss it with you.

LEO (July 23 to August 22) You
might have more questions about a
project (or perhaps someone you're
dealing with on some level) than you
feel comfortable with. If so, see which
can be answered, which cannot, and
why.

VIRGO (August 23 to September 22)
It's a good time to clean up and clear
out what you don't need before your
tidy self is overwhelmed by "stuff."
Then go celebrate the Virgo victory
over clutter with someone special.

LIBRA (September 23 to October
22) You might feel a mite confused
about why something you were sure
couldn't go wrong didn't go all right
either. Be patient. Things soon move
into balance, exactly as you like it.

SCORPIO (October 23 to Novem-
ber 21) At this decision point, you
could be moving from side to side, just
to say you're in motion. Or you could
be considering making a move straight
up. What you choose is up to you.

SAGITTARIUS (November 22 to
December 21) Although your finances
should be in an improved situation at
this time, thrift is still the savvy Sag-
ittarian's smart move. Advice from a
spouse or partner could be worth heed-
ing.

CAPRICORN (December 22 to
January 19) Taking on a new challenge
brings out the Goat's skills in maneu-
vering over and around difficult spots.
Best of all, the Goat does it one careful
step after another. (Got the idea, Kid?)

AQUARIUS (January 20 to Feb-
ruary 18) Your well-known patience
might be wearing thin because of a
disturbing (and seemingly unending)
problem with someone close to you.
This could be a time to ask for help.
Good luck.

PISCES (February 19 to March 20)
Be careful about a new venture that
lures you into a "just-look-and-see"
mode. Be sure that what you're being
given to see isn't hiding what you
should be seeing instead.

BORN THIS WEEK: Aries and
Taurus give you the gift of leadership
and the blessings of care and concern
for all creatures.

Novena to the BLESSED VIRGIN
(Never known to fail). O Most Beautiful Flower of Mt. Carmel, Fruitful Vine, Splendor of Heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. O Star of the sea, help me and show me here in, you are my mother. O Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (make request). There are none that can withstand your power. O Mary conceived without sin, pray for us who have recourse to thee (3 times.) Holy Mary, I place this cause in your hands (3 times). Say this prayer for three consecutive days. You must publish it and it will be granted to you.
