# Wishing You a Hoilday Wrapped in Happiness

As we open up another holiday season, we are filled with gratitude for the support and goodwill of our customers, friends, neighbors and fellow merchants here at home. Thanks to all of the folks who help make this community a great place to live, shop, work and do business. We can't think of anywhere we would rather be at the holidays and all year round.

(In the suburbs of Floris, IA)

# NOTICE

**Southern Iowa Electric Cooperative, Inc. will be cutting and trimming trees in Van Buren and Davis Counties.**

Overgrown right-of-way can cause problems during severe weather and can make it difficult to reach trouble spots to make repairs. Due to our experience with the ice storms, maintenance issues and the requirements for increased reliability, we will be trimming re-growth and areas that may have been previously missed in years past to insure your electric reliability. Southern Iowa Electric Cooperative has hired contractors to cut and trim trees in the Troy and Roscoe substation areas in 2018. The contractor will attempt to contact each house along the right-of-way at least one week before clearing will commence.

If you have any questions, you may contact the Cooperative toll free, 800-607-2027.
