# "Living at The Haworth Center is Living Worry Free"

It all started in 1988; The Baptist Manor, a not-for-profit organization, opened the doors to the Haworth Center, a Licensed Home for the Aged - Assisted Living. Located conveniently on The Baptist Manor's 13 Mile Road Campus in Farmington Hills. The Haworth Center offers a highly desired option to all senior citizens, rather than moving into a nursing facility. Haworth offers a cozy, home-like setting where residents can stay as independent as possible, with the understanding that our staff is there when ever needed; whether it is helping with activities of daily living or just a cup of coffee and a quiet visit with a friend. Residents are treated with the same loving care that they would find with their family. In addition, our non-profit pricing structure insures every dollar goes directly towards individualized caregiving.

Mary Kent and her husband moved into a Beta Home in 1995 and spent 21 years very happily in their duplex on the 13 Mile campus. In 2016, Mary moved into a private room at The Haworth Center. "The staff is so special and they take such good care of me." When asks how the meals are, Mary gave a thumbs up. She stated she enjoys walking inside when the weather is not suitable outside. On the day, I stopped in to see her she was enjoying the quiet late afternoon, just returning from an outing with one of her daughters. A caregiver stopped in to check if she was coming to the dining room for dinner, "I had a late lunch with my daughter today, can you bring me a sandwich?" "Of course" said the caregiver, "I'd be happy to."

Cynthia Donahoo, Director of Activities, plans the monthly calendar so that there is something for every personality. Day trips to lunches, shopping at local stores, music concerts, and late afternoon trip to see the Wayne County "Light Festival." Celebrating Assisted Living Week this year, they had "Muffins with Mom", "Doughnuts with Dad" and other special activities. Two of the larger events each year are the Summer Family Picnic and the Family Christmas Dinner. While the Summer Family Picnic is held during the daytime, the Christmas Dinner is usually early evening so that all family members are able to attend. With dinner music provided by a local harpist, decorations galore, and a delicious meal served to all, it is a warm, inviting, special time of the year for all.

Speaking of meals, Brittany Whalen, Director of Food Service, uses only the freshest and tastiest of ingredients. Brittany and her staff can prepare meals for those with specific dietary needs. All meals are served as restaurant style in the brightly lit, wall-to-wall windowed, dining room each day.

Another long-time resident, Dorothy Vadnais, moved to The Haworth Center in 2013 after spending 17 years in the Gamma Building. Dorothy has always been a 'giver', Dorothy has always loved to be busy in the kitchen and sharing with everyone. "That's what I miss most." Dorothy now enjoys her time as President of the Resident Council, discovering new ideas for activities. Two years ago she went to her first prom at a West Bloomfield High School and was chosen Prom Queen because she was so gracious to everyone she met. "Of course I wish I were more independent as I used to be, but I'm doing alright." With her contagious smile she stated, "Crazy as ever."

At Haworth, each resident has their own Care-Plan, developed in consultation with the family, the resident, his/her physician, and our full time nursing staff. This ensures each plan is tailored to the individual's specific needs. We can organize any gamut of services; from in-house podiatry, ophthalmology, dental services, medical equipment, to physical, occupational and speech therapies.

From  
The Residents and staff at the Haworth Center and The Baptist Manor wishes you all a very Healthy and Happy Holiday Season!
