**Helps reduce
tossing and turning**

ComfortRight™ Layers

This advanced system of foams and fluffy fibers is designed to provide instant comfort. This helps reduce the pressure points that can cause tossing and turning so you can sleep more comfortably through the night.

**Minimize impact from
partner movement**

TrueSense® Design

Serta's exclusive design helps minimize the impact of partner movements, working to isolate motion at its source so you can enjoy a peaceful night's sleep with fewer disruptions.

**Encourages proper
back support & alignment**

Custom Support® System

Every Perfect Sleeper features a system of durable, yet flexible carbon steel coils that work to promote proper support and alignment across the entire body.

**Resists sagging
& edge roll-off**

ComfortLast® Construction

Designed to enhance durability of the mattress and is thoroughly tested beyond industry standards to make sure it can resist sagging and edge roll-off. This enhanced durability can help extend the comfort life of your mattress.

**Promotes a balanced
sleep temperature**

CoolBalance® Technology

A unique combination of high-performance heat and moisture-regulating fabric and an overall mattress design that helps promote airflow. Together, these help provide a comfortable, balanced sleep temperature.

**5 reasons
to never count
sleep again.**
