Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

8	6	2	9	7	1	3	5	4

Hypnosis...

So Much More Than Clucking Like A Chicken!

By Lori Kleinsmith, Certified Hypnotist, Pinnacle Hypnosis and Therapies

Sounds funny, but, clucking like a chicken is the first thing many people associate with hypnosis. The hypnotist has volunteers from the audience doing crazy things they normally wouldn't do. They are on stage, in front of an enthusiastic group of people. The "show" is usually very funny and amazing. Just like the "show" or as it is called, Stage Hypnosis as in a Therapeutic Hypnosis sessions, people volunteered to be there. They wanted to be hypnotized and therefore were/are open to the suggestions the hypnotist gave/give them. Some things to keep in mind when considering hypnosis...

1. You cannot be hypnotized against your will. You are always in control and therefore in power.
2. A hypnotist cannot make you perform actions that are against your values or morals. When a person is hypnotized they have the ability to accept or reject any suggestions that are given by the hypnotist. They cannot

surrender their will or reveal any secrets.

3. Hypnosis is a trance-like state. It is not sleep. We enter a natural state of hypnosis multiple times a day. For example: Let's say you are driving to work. You enter your car, start the engine, put it in gear and off you go to work. As you are driving, your subconscious mind starts to think about other things such as what you saw on TV that morning or remembering a conversation you had with your children or spouse. Next thing you know you are pulling into your parking spot at work. You really don't remember the whole drive but you were in control of the car. You were able to brake when needed and accelerate. You still knew what roads and turns to take. Those times you were thinking of other things as you were driving, you were in a natural hypnotic state and still in control.

4. Hypnosis is a means of communication between the conscious mind and the subcon-

scious mind. Many problems, habits, stress, anxieties, attitudes or apparent deficiencies can be traced to interpretations by the subconscious mind, which when understood by the conscious mind, can reduce or resolve specific problems.

The subconscious is also the file cabinet of all memory. Traumatic events can be buried or suppressed in the subconscious. A major benefit of hypnotherapy is its ability to uncover and bring into the light of understanding the buried information or experience which may be the cause of a troublesome disorder.

The most common statement when a client has experienced hypnosis: "I had no idea hypnosis was so relaxing!"

READER'S Recipe

CHICKEN & DUMPLINGS

<p>3/4 cup all-purpose flour, divided</p> <p>1/2 teaspoon salt</p> <p>1/2 teaspoon freshly ground pepper</p> <p>1 broiler/fryer chicken (about 3 pounds), cut up</p> <p>2 tablespoons canola oil</p> <p>1 large onion, chopped</p>	<p>2 medium carrots, chopped</p> <p>2 celery ribs, chopped</p> <p>3 garlic cloves, minced</p> <p>6 cups chicken stock</p> <p>1/2 cup white wine or apple cider</p> <p>2 teaspoons sugar</p> <p>2 bay leaves</p> <p>5 whole peppercorns</p>
--	--

DUMPLINGS:

<p>1-1/3 cups all-purpose flour</p> <p>2 teaspoons baking powder</p> <p>3/4 teaspoon salt</p>	<p>2/3 cup 2% milk</p> <p>1 tablespoon butter, melted</p>
---	---

SOUP:

<p>1/2 cup heavy whipping cream</p> <p>2 teaspoons minced fresh parsley</p>	<p>2 teaspoons minced fresh thyme</p> <p>Additional salt and pepper to taste</p>
---	--

In a shallow bowl, mix 1/2 cup flour, salt and pepper. Add chicken, one piece at a time, and toss to coat; shake off excess. In a 6-qt. stockpot, heat oil over medium-high heat. Brown chicken in batches on all sides; remove from pan.

Add onion, carrots and celery to same pan; cook and stir 6-8 minutes or until onion is tender. Add garlic; cook and stir 1 minute longer. Stir in 1/4 cup flour until blended. Gradually add stock, stirring constantly. Stir in wine, sugar, bay leaves and peppercorns. Return chicken to pan; bring to a boil. Reduce heat; simmer, covered, 20-25 minutes or until chicken juices run clear.

Meanwhile, in a bowl, whisk flour, baking powder and salt. In another bowl, whisk milk and melted butter until blended. Add to flour mixture; stir just until moistened (do not overmix). Drop by rounded tablespoonfuls onto a parchment paper-lined baking sheet; set aside. Remove chicken from stockpot; cool slightly. Discard bay leaves and skin fat from soup. Remove skin and bones from chicken and discard. Using two forks, coarsely shred meat into 1- to 1-1/2-in. pieces; return to soup. Cook, covered, on high until mixture reaches a simmer. Drop dumplings on top of simmering soup, a few at a time. Reduce heat to low; cook, covered, 15-18 minutes or until a toothpick inserted in center of dumplings comes out clean (do not lift cover while simmering). Gently stir in cream, parsley and thyme. Season with additional salt and pepper to taste. Yield: 8 servings (3 quarts).
