Got Drugs?

Most abused prescription drugs come from family and friends. You could be a drug dealer and not even know it.

TURN IN YOUR MEDS AT THE DRUG COLLECTION BOXES LOCATED THROUGHOUT THE COUNTY!!

Unused or expired prescription medications are a public safety issue, leading to accidental poisoning, overdose, and abuse.

- Pharmaceutical drugs can be just as dangerous as street drugs when taken without a prescription or a doctor's supervision.
- The majority of teenagers abusing prescription drugs get them from family and friends – and the home medicine cabinet.
- Unused prescription drugs thrown in the trash can be retrieved and abused or illegally sold.
