## Happy 67th Birthday Junior "Bud" England

Bud was born Jan. 17, 1951 to Betty & John England with stepfather Troy "Ole Troy" Bagwell who played such an important part in Bud's life. Bud has two sisters, Dianne England and Evelyn Styles.

He has been such an inspiration for everyone in the Welcome community for years.

Special thanks to Sandy, Delores, Sharlene, Billy Albritten, Barbara C, Sandra C, Byron Bonner and all the Merchant's Bank employees at Fairview and many, many others whom have shown special kindness to Bud.

Although born in a tiny, tiny body, Bud has a gigantic heart. He appreciates everything more than anyone will ever know.

Satan is the father of liars (Jn 8:44) and opposes the Word of Holy Father Elohim. Sin is the transgression of the law and he that committeth sin is of the devil and Christ was manifested to destroy the devils work (Jn 1:1-14, 14:6, 24, 1Jn 3:4-9) and said sin no more. He came in His Father's Holy Name yet not believed and many so-called Christian churches teach against Him by another's name (Mt 5:17-19, 7:21-27, Jn 3:16, 5:43). Deut 8:3, Mt 4:4, Lk 4:4, Isaiah 56:6. So Be It!

## In Memory of Our Dad

# Bobby J. Brock, Sr.

Nov. 6, 1936 ~ Dec. 17, 2017

In memory of our Dad – a loving dad and businessman at A-1 Batteries for 38 years. We appreciate everyone's prayers, flowers, donations and all of the help from all of the doctors, nurses, hospitals and Hanceville Nursing Home and Funeral Home and Cullman Funeral Home. Thanks! For Burke's Florist and services from Rev. Dudley Brock and (WKUL) Mr. Ron Mosley and our friends and neighbors and the Shopper's Guide.

*Thanks from Bobby J. Brock, Jr. (son),  
Anita Jo Harris (daughter) and  
all the family*

**Bobby Brock was our customer from our first issue in 1981, until his death. For many years he came into our office every week and handed us ads and directions written clearly on a piece of white paper. His first health problems kept him homebound for a long time ... but the ads still came in the mail each week. We were very happy to see him when he was again able to walk into our office, though not as often as before. He was much, much more than a customer ... he was our good friend. We will miss you, Bobby Brock.**

**SHOP TODAY'S LOW PRICE TAGS:**  
We have HUNDREDS of non-advertised items marked down throughout our entire store. More savings passed on to our customers. Just look for blue tags on the shelves.

**NO LIMITS:**  
Our competitors also have advertised specials. The difference is, in most cases, they have a limit on how many of an item you can buy at the sale price...we don't have any limits to family shoppers.

Type 2 diabetes (T2D) and osteoporosis often coexist in patients, but managing both conditions can be a challenge. Several studies have shown that fracture risk is increasing in people with T2D. T2D directly affects bone metabolism and strength. Certain diabetes medications affect bone metabolism, and an association exists between diabetic complications and the risk for falls and subsequent fractures. A comprehensive review published in the Endocrine Society's Journal of Clinical Endocrinology & Metabolism highlights the most effective treatment options for treating these conditions together. Metformin, sulfonylureas, DPP-4 inhibitors and GLP1 receptor agonists—medications for T2D—should be the preferred treatment for T2D in patients who also have osteoporosis. Studies show that Metformin has beneficial effects on bone formation and bone mineral density. Positive or neutral effects have been seen in bone metabolism with the use of DPP-4 inhibitors and GLP1 receptor agonists. On the other hand, thiazolidinediones (TZDs) and canagliflozin should be avoided while other SGLT2 inhibitors are less well-validated options.

Methicillin-resistant Staphylococcus aureus (MRSA) bacteria are resistant to multiple antibiotics and commonly cause skin infections that can lead to more serious or life-threatening infection in other parts of the body. In new findings published in The New England Journal of Medicine, researchers found that two common, inexpensive antimicrobials - clindamycin and trimethoprim-sulfamethoxazole (TMP-SMX)- can help patients heal from MRSA skin abscesses. The findings suggest that current treatment options for MRSA still have a role, even as scientists continue to search for new antimicrobial products.

## IN LOVING MEMORY

It broke our hearts to lose you, but you did not go alone. A part of us went with you, the day God took you home. If tears could build a stairway, and heartaches make a lane, we'd walk our way to Heaven and bring you back again. In life we loved you dearly, in death we love you still. In our hearts you hold a place no one could ever fill.

## MITCHELL GROCERY CORP.

### IS WHAT WE ARE ALL ABOUT

Local North Alabama, Folks Serving North Alabama Folks! We Truly Appreciate Your Business

AD PRICES EFFECTIVE WEDNESDAY, JANUARY 17, 2018 THRU TUESDAY, JANUARY 23, 2018

**SHOP TODAY'S LOW PRICE TAGS:**  
We have HUNDREDS of non-advertised items marked down throughout our entire store. More savings passed on to our customers. Just look for blue tags on the shelves.

**NO LIMITS:**  
Our competitors also have advertised specials. The difference is, in most cases, they have a limit on how many of an item you can buy at the sale price...we don't have any limits to family shoppers.
