## Get outside and have some fun at Geauga Parks' Summer Camps

"Camp is exceptional." "It was fabulous." "Counselors were great." "Rated over 9,000."

With reviews like that, how could you not be tempted to sign your kid up for Geauga Park District's Summer Camps?

Adventures include everything from biking and kayaking to fishing and sending rockets high into the sky. Plus, in the new year, camp adventures expand to the new Claridon Woodlands, which will serve as a base camp for all campers' biking day and the older campers' high ropes challenge!

"New locations for camp activities that are completed every year will also include kayaking at Bass Lake Preserve," said Naturalist Karie Wheaton. "First day 'Survivor-like' activities will include a fire building challenge, a ring retrieval challenge and a scavenger hunt."

Gauga Park District's 6th annual

campers are offered in week-long forms for youth entering grades 5 through 7 the weeks of June 25, July 9, July 16, July 30 and August 6. A Junior Naturalist Camp will also take place the week of June 11 for this age group.

Week-long experiences for teens entering grades 8 through 10 will be the weeks of June 18 and July 23. Single-day X-Treme Adventures for the older kids will also be held July 2 and 5 (kayak challenge) and July 3 and 6 (high ropes challenge).

According to 2017 camp surveys, the majority of campers said they could recognize more plants and animals than they could before camp, and 100 percent of campers entering grades 5 through 7 said they enjoy outdoor activities more as a result of their camp experience.

Phone-in registration begins March 20 at 440-286-9516. Check [bit.ly/gpdcamp](http://bit.ly/gpdcamp) for fees, additional details and waiver forms.

Community Arts Association (RRCAA) in Madison.

**Youth Art Camp** is for anyone who likes to be creative and maybe make a mess in the process. For one or two weeks, campers ages 7 to 16 get elbow deep in paint, clay and other mediums as they create original two- and three-dimensional works of art.

Art Camp meets Monday through Friday from 9 a.m. to noon. Specific camp dates will be announced later in January.

**Pop Star Camp** gets youth ages 5 through 10 up and moving as they learn to sing and dance like their favorite pop star. This one-week day camp is from 9:30 a.m. to noon in early June. Check the Rabbit Run website soon for specific camp dates.

Campers delve into all areas of the theater arts including drama, music, dance, costumes, make-up, and stage

craft in four theater camps. Combining the best of both worlds, campers have access to the professional-quality stage with state-of-the-art theatrical equipment at Rabbit Run, as well as access to the fresh air and beauty of Stanton Park where many traditional camp activities take place.

Campers also participate in arts and crafts and age-appropriate games. At the end of each theater camp, actors share their talents with parents in an end-of-week program.

**Explorer's Camp**, for those who are new to theater, offers two weeks of camp with a different emphasis each week. This camp is for ages 7 through 15. Campers may register for one or two weeks of Explorer's Camp.

### Lost Nation Sports park is pleased to announce that a brand new basketball/volleyball floor has now been installed!

- The flooring has the look of a wood floor, but is a special sport-specific tile manufactured by Snap Sports Athletic Surfaces of Salt Lake City, Utah.
- These playing surfaces are both attractive and durable, which is a prerequisite given the amount of league play on the courts

In addition to the new flooring we painted the interior walls in the basketball area. Our painting contractor (Great Looks Painting) did a great job & the entire basketball area has gotten a facelift. The painting also included the soccer course and mezzanine.

We trust that our basketball and volleyball customers share the excitement as we introduce the new playing surface. Play ball!

## RED BARN AND CHINCAPIN CAMPS FROM PAGE 12

And summer being summer, boys and girls participate in outdoor activities, including canoeing and kayaking, archery and riflery, swimming, sports and hiking. There's fishing on Lake Mimi and we're proud to offer indoor and outdoor climbing walls, plus challenge and high ropes courses. Our horses are the main attraction at Chincapin, where girls (and boys too) learn English riding and horsemanship. There's down time to relax with arts and crafts, wood shop and board games.

Our staff works hard each summer to challenge kids through our experiential learning approach. Our camps are fun, and provide campers with an opportunity to escape from the ordinary to be part of something bigger than themselves – to be part of the great outdoors, and to make the friendships that will last a lifetime.

At Red Oak Camp our programs connect children to nature.

girls, have been serving Northeast Ohio campers since 1947. Alongside our neighbor, the Holden Arboretum, our campers immerse themselves in our natural world to become stewards of our environment. Our nature and science program is one of the best. We work in collaboration with educators from the Holden Arboretum to teach children about ecology, biodiversity and sustainability. They learn by doing hands-on activities and also through service projects, whether it's pulling invasive species on our own property or helping dig a culvert at the Arboretum.
