## WINTER CAR CARE & DRIVING TIPS

- Keep your equipment properly maintained and include a winter survival kit in your vehicle: an ice scraper, snow shovel and sand/salt.
- Clear snow and ice off your car – including windows, mirrors, lights, reflectors, hood, roof and trunk.
- Drive with your headlights on, and be sure to keep them clean to improve visibility.
- Avoid using cruise control in snowy or icy conditions.
- Know how to brake on slippery surfaces. Vehicles with anti-lock brakes operate much differently from those that do not have anti-lock brakes.
- If you do venture out or are unexpectedly caught in a snowstorm and encounter problems, stay in your car and wait for help. You can run the car heater to stay warm for 10 minutes every hour, but make sure your exhaust pipe is clear of snow. There is a danger of carbon monoxide poisoning if snow blocks the pipe and enables the deadly gas to build up in your car. Open your window slightly to help prevent the buildup.
- Be cautious on bridges and overpasses as they are commonly the first areas to become icy.
- Avoid passing snow plows and sand trucks.

If you or a family member is in need of an apartment, the Gladwin City Housing Commission has smoke-free affordable apartments in downtown Gladwin and Beaverton. Seniors and disabled citizens can rent a one bedroom apartment for 30% of their income. This includes appliances, gas, electric and water. Small pets are welcome.

You'll also have access to a laundry room, arts & crafts room and lounge. Other services available include curb side pickup from the City County Transit and lunch at the Council on Aging dining centers. You do not have to live in Gladwin or Beaverton to qualify for this low income housing. So contact the Gladwin City Housing Commission at 426-5721 to see if you qualify. An Equal Housing Opportunity
