## Notes from the NUNDA VILLAGE BOARD

### Home Safety

Have you checked your smoke alarms, carbon monoxide detectors, and home fire extinguishers for proper functionality and of being in sound working order?

**Now** is the time to check this equipment.

*Change those batteries*, have your fire extinguisher charged by a certified technician, if needed. Know how and when you should operate the home fire extinguisher.

Remember smoke alarms are your first defense against fire, they can provide the needed time for you and your family to escape a potential disaster. Develop and practice a fire escape plan with your family and never go back into a burning building for any reason.

## First Day Hike in Letchworth

**2018 First Day Hike** - A friendly, frolicky group.

Sure it was chilly on January 1st, but that didn't stop well over 150 hardy souls from getting out for a healthy hike in Letchworth State Park.

There was a roughly even split between hikers on the four narrated hikes and most stayed to enjoy the cookies and hot drinks afterwards at The Humphrey Nature Center.

In addition to receiving a backpack with a New York State Parks logo, an added incentive for the hikers to stick

around after the hikes this year was the chance of winning one of four Empire Passes being given away.

A New York State Empire Pass provides the passholder unlimited access to all New York State Parks for the year it is issued. The value of a one-year Empire Pass is \$65 and may be purchased at [www.parks.ny.gov](http://www.parks.ny.gov).

The extreme cold temperatures on January 1st did cause the Genesee Valley Greenway State Park First Day Hikes to be rescheduled for Saturday, January 13th. Three Empire Passes will be given away in a raffle on the Greenway's hikes.

*Letchworth is operated by New York State Office of Parks, Recreation and Historic Preservation which oversees more than 250 parks, historic sites, recreational trails, golf courses, boat launches and more, which are visited by 69 million people annually.*

*For more information on any of these recreation areas, call 518-474-0456 or visit [www.parks.ny.gov](http://www.parks.ny.gov), connect with us on Facebook, or follow on Instagram and Twitter.*
