oakorchardhealth.org

Oak Orchard Health is an equal opportunity provider and employer.

Physical Therapy specializes in treating medical problems relating to pain and diminished mobility. Massage, electrical muscle stimulation, exercise, stretching, heat, cold and water are all part of its approach to helping people work and live healthier and more productive lives. Treatment in New York State requires a physician's referral. Most insurances cover treatment rendered by a licensed physical therapist. For over 20 years, Thomas Wenhold PT has had a mission to provide personal, hands-on treatments using various approaches to maximize patient performance.

The office includes an aquatic area for rehabilitation and expanded treatment areas. Aquatic exercise is rapidly becoming the method of choice for reconditioning and fitness programs in both North America and Europe. This pool facility is believed to be the only one of its kind in the Lake Plains area.

PUPPY PALACE

Anita Platt, the owner of Puppy Palace, has been in business since 1994. She has tried to provide unique services to pet owners that will accommodate each pet's individual needs. These services include mobile pet grooming, a pet resort, and a new full- and self-service pet spa and boutique. The mobile pet grooming is available to residents of Orleans and surrounding

15292 East Kent Rd., Kent, NY

counties, including Batavia.

Anita Platt is an animal lover who graduated from the Rochester Institute of Dog Grooming. She and professional groomers Amy Dalcin, Chelsea Tomeno, and Sara Pollack provide a unique service in which they come to your home in a fully equipped grooming van. A complete grooming service is provided. This includes baths, ears, nails, clips, and flea treatment. This service provides one-on-one personalized care for your pet, with no cages, and no drop-off/pick-up.

The pet resort is nestled in a quiet country setting away from busy roads. This ultra-clean boarding facility can accommodate up to 25 dogs and cats with both regular and extra-large indoor/outdoor kennels. In addition, a newly renovated "cozy/quiet" area is perfect for any special-need pet. It is heated and air-conditioned, has a large fenced-in play area, and is staffed by animal lovers, so your pet only gets the best of care. You can now check on your pet via the Internet while you're away by going to www.anitaspuppypalace.com. It also showcases all other services.

There is a full- and self-service grooming salon inside the kennel facility. You can have one of our professional groomers do a complete groom on your pet, or choose to do it yourself. The self-service pet spa offers enormous walk-in bathing facilities for even the largest pet. Everything you need to wash and dry your pet is provided except for the dirty pet, and our staff cleans up the mess! No appointment is necessary and self-serve is open seven days a week, 8-10 a.m. and 3-5 p.m. Full-service appointments are available Mon. - Sat. by appointment.

We offer unique gifts as well as treats, toys, grooming supplies & premium pet food.
