PUBLIC HEARING AT BRONX COMMUNITY BOARD #10

As part of our New York City Charter mandate, Bronx Community Board #10 is required to hold a public hearing with matters regarding changes in land use for property owners seeking variances from the City's Board of Standards and Appeals (BSA). To be clear, all community board comments and opinions are non-binding and solely advisory. On February 15 at 7 P.M. at 2999 Schurz Avenue, Bronx, NY 10465, Board #10 will be hearing BSA Calendar #2017-187-BZ for the McDonald's restaurant at 3660 East Tremont Avenue, Bronx, NY 10461 at the corner of East Tremont Avenue and Philip Avenue. If you have any questions with regard to this process and want to learn more about it, please do not hesitate to contact my office at (718) 892-1161. Please come to this meeting and voice your concerns and/or suggestions.

WATER AND SEWER SERVICE LINE PROTECTION PROGRAM

Costly water and sewer repairs are an additional tax for our homeowners. Many homeowners are not aware that they are responsible for all costs stemming from repairing damaged water and sewer lines on their own property as well as to the service lines in the street. The NYC Department of Environmental Protection encourages homeowners to sign up for water and sewer line protection through American Water Resources (AWR). Once you are enrolled in the program, AWR is able to pay for damages to your water and sewer lines through the monthly fee added to your NYC DEP water bill. Monthly rates for water and sewer line protection are \$4.49 and \$8.47 respectively. If you would like more information on your eligibility, you can contact AWR at (800) 300-3570. You can also contact NYC DEP's customer service line at (718) 595-7000.

FDNY AND EMERGENCY MANAGEMENT

If you belong to a neighborhood, property owner, tenant, or cooperative association, our heroes at the Fire Department in conjunction with the City's Emergency Management (EM) office are looking to hold fire safety outreach events at your monthly meeting. As you know, recent fires claimed innocent lives in our community, and it is always necessary to review fire safety procedures. Lastly, community participation is essential. If you have interest in joining your respective neighborhood association but are unsure of its name, location and meeting dates, please contact my office at (718) 892-1161 so we can assist.
