In Loving Memory

Larry G. Wooster, a USMC Veteran, was called to heaven on February 22, 2013. He was my best friend and the love of my life. It is hard for me to believe that five years have passed since that fateful night. He will remain forever in my heart, and I will love him always.

Missing Cat Found!

After many months of being lost, our beloved cat finally came home.

A kind and generous man named Tom Shearing rescued her, then paid several hundred dollars in vet bills.

Had he not, she would have died.

Sadly, she lost a leg and half her tail and has frostbite scars on her face and lips.

Thank you Tom Shearing for being such a kind man with a caring heart.

SPEAK OUT

Dear "Speak Out"

Do You Think You Can Do More?

Do you think you can do more to end the scourge of abortion?

January 22, 2018 was the 45th anniversary of Roe v Wade that made abortion legal in the United States of America. On that day, the United States began to transition from a culture of life to a culture of death.

Since January 22, 1973 more than **60 million babies** have been aborted in the US!

The majority of abortions are done by Planned Parenthood.

Does anyone care what is happening?

Every year there are over one million abortions in the US!

Every day over 3,000 babies are aborted in the US!

Every hour over 120 babies are aborted in the US!

Every 30 seconds one baby is aborted in the US and it is happening in your community!

How can a civilized society encourage and promote the killing of babies by their own mothers? It is time to take back our country and destroy the culture of death that permeates our very lives. I am calling on patriotic Americans and those who believe in Life to help turn our country back to a culture of LIFE and to help make abortion unthinkable as well as unavailable.

How can you help? One of the most proven, effective means to decrease abortions is 40 Days for Life. In the 10 years that 40 Days for Life has been taking place, over 14,000 babies have been saved from abortion! Take part in the area's first Spring 40 Days for Life Campaign from **Wednesday, February 14, through Sunday, March 25, 2018.**

Through prayer and fasting embrace human life and promote the end of abortion. Volunteer to pray with your friends, in a peaceful, vigil, outside of Planned Parenthood at 114 University Avenue. Prayer vigil is from 7 AM to 7 PM.

Come and join other prolife Americans. You can make a difference.

Visit www.40DaysforLife.com/Rochester for info and to sign up for prayer vigil times.

For more info, contact Telana Nieves at (585) 955-3014 or lovetheprebornbabies@gmail.com.

❖ Higher Quality in Maternity Care ❖

For the third consecutive year, Excellus BlueCross BlueShield has recognized UR Medicine | Noyes Health with a Blue Distinction® Center+ for Maternity Care designation as part of the Blue Distinction Specialty Care program. Blue Distinction Centers are nationally designated hospitals that show expertise in delivering improved patient safety and better health outcomes, based on objective measures that were developed with input from the medical community.

Nearly four million babies are born in the U.S. annually, making childbirth the most common cause of hospitalization, and cesarean sections the most common operating room procedures, according to National Centers for Health Statistics and the Agency for Health care Research & Quality (AHRQ). Reducing early elective delivery is an area of focus for the American College of Obstetricians and Gynecologists (ACOG) and the American Academy of Pediatrics (AAP). According to Health Affairs, elective inductions result in more cesarean deliveries and a longer maternal hospitalization.

The Blue Distinction Centers+ for Maternity Care program evaluates hospitals on quality measures for vaginal and cesarean delivery. To receive a Blue Distinction Centers+ for Maternity Care designation, a hospital must also demonstrate cost-efficiency.

Quality is key: only those hospitals that first meet Blue Distinction's nationally-established, objective quality measures will be considered for designation as a Blue Distinction Center+.

"We're proud to be recognized by Excellus BlueCross BlueShield for meeting the rigorous Blue Distinction Center+ quality and cost selection criteria for maternity care," says Tim Peterson, Noyes' Director of Compliance/Performance Improvement, "Our staff works hard every day to provide our patients the best possible care."

**Left-Right:
Nicole Hancock,
Christine Ellis, DeNae Gibson
and Kathryn Holler**

Blue Cross and Blue Shield (BCBS) companies across the nation have recognized more than 1,000 hospitals as Blue Distinction Centers+ for Maternity Care. Hospitals recognized with this designation are assessed using a combination of quality information supplied by hospitals and cost measures derived from BCBS companies' medical claims. Since 2006, the Blue Distinction Specialty Care program has helped patients find quality specialty care in the areas of bariatric surgery, cancer care, cardiac care, maternity care, knee and hip replacements, spine surgery, and transplants, while encouraging health care professionals to improve the care they deliver. Research shows that, compared to other hospitals, those designated

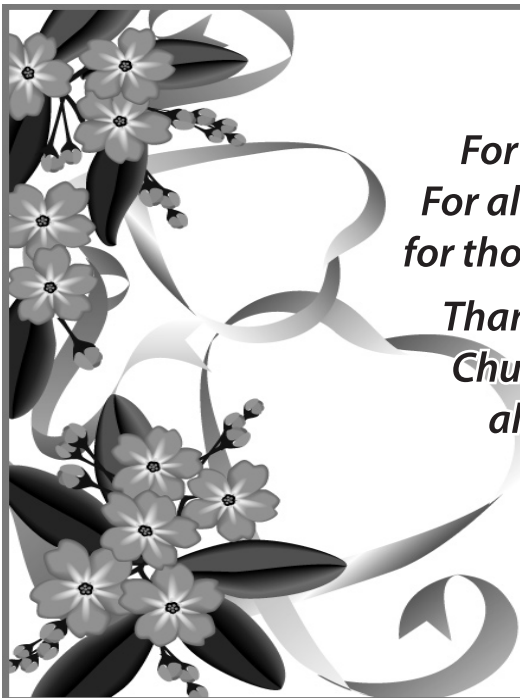

as Blue Distinction Centers demonstrate better quality and improved outcomes for patients. On average, Blue Distinction Centers+ are also 20 percent more cost-efficient than non- Blue Distinction Center+ designated hospitals. For more information about the program, please visit www.bcbs.com/bluedistinction.

THANK YOU JUST IS NOT ENOUGH

How do you express your feelings of gratitude when the words Thank You just do not get your thoughts across with the sincerity you want each and every person to feel and understand? How do you make sure each and every person knows that his/her efforts were noticed, needed, wanted, and appreciated, but the sheer numbers of those people are too great to count? What do you say when people near and far, friends, family and strangers alike, donate their time, money, food, conversation, prayers, thoughts, and visits and after they have given all they can, they wish they could have done even more?

As many people may know, my wife Tina Buchinger was diagnosed with a terminal form of cancer, a cancer that would ultimately claim her life on 1/28/2018. Since the first day of her diagnosis, both Tina and myself were flooded with many issues, some mental, some physical, some financial, and some logistical. They included the fear of the unknown. How do we find child care during treatments? What about lost time from work? How do we pay the standard and also, now the nonstandard financial obligations? Even the simple household chores such as making meals and cleaning up the house were becoming burdens that we were struggling with. But we didn't have to struggle with a lot of them for long because of our friends, family and the people of the community we live in. Due to the size limitations of this letter, and our desire to not violate anyone's privacy, I cannot name each and every person by name. We say thank you for and to each and everyone who organized the benefits for Tina. We thank you and appreciate those who came, bought something and/or donated to our family. We thank and appreciate everyone who drove Tina to an appointment, watched Jacob while we were getting treatments, made us home cooked meals, cleaned our house, and just ran errands for us. We thank all of the people who I have the pleasure of working with at Groveland Correctional Facility, for donating your vacation time so I could be home when my family needed me the most. I would pass on to Tina the endless inquiries as to how she was feeling. Consistently, she was always so grateful for the care and concern my coworkers displayed toward her.

There is one person that I need to give an exceptional Thank You to, and that is Tina's visiting nurse. We met her when she was assigned to Tina's care mid way thru her treatments. Once Tina progressed into HOSPICE care the visiting nurse's duties were over and she would have been well within her duties to move on. However, Sonya could not abandon Tina. She continued to be available, and would care for Tina on a volunteer basis, and without pay, right up to and after her death. Sonya, your caring touch, your compassionate bedside manner, your skills, your professionalism, and your friendship mean more to Tina, Jacob and I than you will ever know. And for that, we all are so happy to count you as one of our friends. Our family is forever grateful and in your debt.

So again I ask, how do you say thank you when the results of people's love, care and concern are too overwhelming to be able to put into words? The best answer I can come up with is to yes, say the words, but more importantly, follow up those words with paying it forward. To all who were there for Tina and our family at our darkest hour, from the bottom of our hearts,

Thank You All!
Todd and Tina Buchinger
