Important ••• Natural Gas Safety Information

What's that awful smell? We add a distinctive odor to natural gas (similar to rotten eggs) to help alert you to a leak.

If you smell natural gas, get up, **get out and get away!** Then call us immediately at **1.800.743.1702** or **911** from a safe location.

Don't assume that someone else has already reported the possible leak, and don't attempt to locate and remedy the situation yourself.

RG&E will respond quickly to ensure that you and your family are safe.

- Do not smoke or operate electrical switches or appliances. These items may produce a spark that could ignite the natural gas and cause an explosion.
- Do not assume someone else will report the condition.
- Provide the exact location, including cross streets.
- Let us know if sewer construction or digging activities are going on in the area.

Use your senses to detect gas leaks. A natural gas leak is usually recognized by smell, sight, or sound. Remember, if you smell natural gas, get up, get out and call us immediately from a neighbor's phone.

Smell - Natural gas is colorless and odorless. For your safety, a distinctive sulfur-like odor, similar to rotten eggs, is added so that you'll recognize it quickly. Not all transmission lines are odorized.

Sight - You may see a white cloud, mist, fog, bubbles in standing water or blowing dust. You may also see vegetation that appears to be dead or dying for no apparent reason.

Sound - You may hear an unusual noise like roaring, hissing, or whistling.

You can also visit our natural gas safety summary page for additional natural gas safety information at www.rge.com/UsageAndSafety

Nunda Community Benefit Fund

We would like to thank everyone who supported our mission by stopping by our booth at Nunda Fundays again this year! We would also like to thank those of you who donated baskets and items for our Chinese raffle or items for the bigger raffle! There are too many of you to mention, but we appreciate you very much!

Who We Are

We were established in 2013, beginning as a fundraiser for a dear friend undergoing treatment for cancer. We then decided to go forward and develop a fund to help anyone in need who resides in the Keshequa Central School District.

What We Do

We will do one or more fundraisers throughout the year to build the community fund, and we will disperse the funds based on the need and availability of such funds. We are not only here in times of sickness. We can help with many types of financial burdens.
