Countless people in our community have asked how we can help our friends at Sir's Fabrics. We are so thankful that no one was physically harmed in the fire, however, we realize that ten Sir's employees are now without jobs. A fund has been established at the Bank of Lincoln County to help provide some immediate support to these employees as they face this time of transition and prepare to move forward.

You may make a donation directly at any of our three branches or mail to:
