Now offering
GENIUS™
3D
 Mammography

Orange City Area Health System now offers this advanced, state-of-art screening technology for early detection of breast cancer.

The Genius 3D exam provides better, earlier breast cancer detection compared to the previous 2D alone. Greater accuracy means better breast cancer detection and a reduced chance of additional screenings.

• Our 3D exam finds, on average, 20-65% more invasive cancers than conventional mammography alone.

• Unnecessary call-backs are reduced by up to 40 percent.

• Accurate for women of all ages, with both dense and non-dense breasts; the only mammogram FDA approved as superior for women with dense breasts.

Talk to your healthcare provider about what's right for you and the women in your life regarding breast cancer screening and mammography. Or call us today at 712-737-5380 to schedule an appointment.

My wife Marsha and I have 4 children and we have lived in Sioux County for 15 years; 11 in Orange City and 4 in Rock Valley. Over the last 4 years I have been part of a team that started a church in Rock Valley whose mission is to make disciples by planting Gospel Communities throughout NW Iowa. I am the primary preaching/teaching elder and serve with a community of people who long to see people encountering Jesus through the church in everyday life. That is why I love the mission of ATLAS OC Area. To not only come alongside the hurting (which is ALL of us) but to help equip churches/believers and unite the community to do it themselves. I am excited to join a team of churches, partners, and others through the work of ATLAS Orange City Area to learn to take the gospel from Sunday into the everyday...Helping the Hurting by Equipping Believers and Uniting the Community. Thank you for the opportunity!

We'll help you through the process of finding your dream home.

IT'S ALL NEW!

Hear My Story
SiouxCenterHealth.org

I have been working as a license certified nurses assistant since November 1998. I did this part-time in addition to my factory job for 11 years. During the time spent away from the nursing home each week, I felt I had more compassion working with the elderly. To this day, I don't know if I could ever work any other place than working at Sioux Center Health.
