Great for landscaping and garden boxes

ATTENTION: I placed in our church's garage sale this fall a Moses basket for babies. Consumer reports strongly recommends against using them at all. Suffocation risk due to soft materials & bumpers. Weight limits. Never carry baby in basket...falls & handles can break. Never use at night. Keep an eye on baby at all times. Keep basket on floor and never put basket in a crib. Babies should sleep alone, on back and in a crib 09
