We feature high-quality Andersen® Products

At Andersen, we're driven to deliver the best windows possible. For over 100 years we've constantly innovated how our windows are made. Along the way we've evolved each of our windows to use the right materials in the right places so that they provide unmatched beauty on the outside and industry leading performance on the inside. We back our windows with some of the most comprehensive warranties in the business, so rest assured that your windows will perform beautifully for years to come.

Letter from the Home Builders Association

Welcome everyone to the 2018 Home Builders Association of Central Michigan Home Show.

We would like to thank our fine sponsors: Platinum Level: Isabella Bank and DTE Energy, and our Gold level sponsors: Dewitt Lumber Company and Mr. Electric for all their support in making this one of the greatest Home Shows in the area.

As one of the largest Shows in the state, we encourage you to take your time and visit all the booths filled with the finest builders along with the latest in building products and services available to you in today's market.

Speaking of highlights, how would you like to win a beautiful overhead door for your garage? Well, at this year's home show you'll have that chance as Johnson Door & Central Vac Systems has donated a garage door for our big giveaway. You must drop your ballot off at the show in order to win so don't hesitate and show up for your chance to win.

We will again be featuring our lifestyle and leisure theme with many exhibitors showcasing outdoor products that make your living lifestyle a whole lot easier. We also will be featuring some of the latest cars, trucks and SUVs available from our local Automotive dealerships. Remember our exhibitors are prepared to answer all questions so, take time and visit each and every one of them.

Along with our numerous giveaways we will again have our punch card play underway giving you yet again another chance to win thousands of dollars in prizes throughout the show so, please be sure to stop at all of the participating booths and have your card punched. Don't worry if you need a little rest as you visit booths as the Optimist club will be serving concessions for a quick snack or complete meal.

Also, be sure to stop by and visit our Home Builders Association Membership booth and our Ask the Builders booth which gives us the opportunity to inform and educate the community in what the Home Builders Association of Central Michigan is all about. Here's your chance to bring plans and visit with builders, remodelers and industry experts and ask questions about any upcoming building, renovation or remodel project you may have; they will be sure to assist you in any way they can.

I hope to see you all at this year's Home Show as we once again feature another Television celebrity.

Kevin O'Connor from This Old House will be here on Saturday at noon on stage and again at 3pm.

So, be sure to put on those comfortable walking shoes, take notes, collect valuable information and prepare yourself as our exhibitors assist you in turning your exciting home projects into reality.

As the Chairman of the show, I would like to personally thank you for attending the 2018 Home Builders Association of Central Michigan Home Show.

Sincerely,
Kevin Keating
2018 HBA of Central Michigan Home Show Chairman.

Never lose power again—are you ready?

Are you left in the dark when the power goes out? Apcom Electric & Power Systems, 714 W Pickard St in Mt Pleasant, can deliver affordable and reliable backup power solutions so customers feel safe and secure even in the most adverse conditions.

While Mid-Michigan is fortunate when it comes to extreme weather such as hurricanes, our little slice of paradise is hardly immune to severe storms. Thunderstorms, floods and high winds, the main culprits for power outages, are not uncommon.

In fact, throughout Michigan in one 6-month stretch in 2017, there were 120 power outages, due to either strong storms (50 percent), equipment failure (36 percent) or high winds (14 percent) affecting 780,693 utility customers.

Apcom Electric & Power Systems, a family owned and operated business, is a Generac Power Pro Elite Plus dealership. As such, not only does Apcom sell Generac auto standby generators for new or existing homes and businesses, their Generac-certified technicians also install, service and provide preventive maintenance programs for them. "Our service doesn't end at the installation. We are there for you to keep you and your assets protected by providing service after the sale."

"It provides peace of mind," said Vanessa Howell, CFO of Apcom. "When it comes to protecting your home or business or people with health issues, they don't have to worry if they don't have power. There won't be damage from pipes freezing and bursting in the winter or keep the sump pumps running during periods of extreme rains."

Most residents likely don't think about standby generators—which come on automatically when the power goes out and run on propane or natural gas until they're needed and may not be familiar with the various types or brands. Generac is a top-rated and best-selling brand, and Apcom's free in-home consultation will help determine the best standby generator for your home or business needs.

For those who think they don't need a standby generator, consider the spate of power outages in recent years as a result of weather, general equipment failure caused by an aging infrastructure, or the possibility of those aiming to do harm by infiltrating our electrical grid. Medical equipment in the home, air conditioning units, furnaces, refrigeration, well pumps, sump pumps, security systems, computers, all require electricity. Standby generators ensure power will resume within 20 to 30 seconds of an outage.

"Some people rely on portable generators, but when there is major icing or downed lines or washed out roads; people often can't get out to get the fuel to run them," Vanessa said. "With auto standby, they don't have to."

"There are other benefits to having a Generac generator installed that people might not consider," Vanessa said. "It can lower your insurance cost and increase the value of your home when you go to sell". "Your pipes are not going to freeze; your basement won't flood...it's asset protection."

Apcom Electric & Power Systems will be at the Central Michigan Home Show March 9th-11th. You can stop by the booth and ask questions about the products and services they offer. They will have generators there to see and understand how beneficial they can be when the power goes off. Coupons to save on installation cost and extended warranties will also be a part of the show promotions.

OUR PREFERRED VENDORS

ALWOOD NURSERY

is a retail nursery with a large variety of trees, shrubs, and perennials for all of you do-it-yourselfers out there. Our knowledgeable sales team can help you choose the perfect plant for any location. We also carry a full line of organic fertilizers including Morgan's Dairy Doo products and Espoma products. Don't forget to pick up your tree and shrub insect and disease control sprays...available in both organic and conventional formulations.

In addition, we also offer complete landscape installation services...including edging, weed barrier, stone and mulch, shrubs, trees, and lawns. We have a large selection of large trees to choose from and can also move your trees for you. Call for a free estimate. We are fully insured and large enough to handle any size job...both residential and commercial.

from Financing and Foundations to Set Up and Septic

PEOPLE ARE PUTTING THEIR MONEY WHERE THEIR ADDRESS IS!

If a home is 22 years or older, most likely some of the systems are in need of being replaced or at least upgraded.

The life of many of the appliances and mechanical systems is nearing an end and surely aren't as efficient and convenient as they need to be.

Americans will spend 100 billion dollars this year remodeling. The most sought after jobs are opening up floor plans, new kitchens, creating master suites, & changing window and door systems.

Kitchens:

Kitchens have evolved from an occupational space where the housewife was isolated behind closed doors, away from family activities, to the social nerve center of the home. It is a high-tech work center, intimate gathering place for family and friends and often the headquarters for managing family affairs. Many kitchens are built to accommodate multiple cooks. Food preparation is becoming a family affair.

There will be many kitchen companies at the show as well as appliances. There will even be products for the gourmet cook. Commercial type ranges, built in refrigerators, and dishwashers and laundry equipment that are so quiet as to be almost silent.

Master Suites:

Home owners have always been willing to spend money on their kitchens but now they want large bedrooms and bathrooms, the master suite. According to several remodelers and bath supply companies this is one of the most popular remodeling jobs. It can be accomplished by redesigning the floor plan of the home or in some cases adding on another room. This is definitely the time to visit with a professional.

The newest fixtures in bathrooms will be throughout the show. Jetted bathtubs are still in great demand and can be put in almost any bathroom.

Hot tubs:

Are still very popular. The market has changed a little; they used to be more of a luxury item than anything else. Now the therapeutic and stress relief benefits of this product are carrying it even further into the market. Indoor dry and steam saunas are also becoming more common for the same reason.

Fireplaces:

Gas burning, gas logs and wood combination.

Windows & doors

Many Options Available

Also on Display at the Home Show:

Every kind of fun gadget you can think of as well as:

Financing, Insurance, financial planning, security, fence & deck companies, closets, carpet, central cleaning systems, garage doors, water purification systems, windows, doors, lighting fixtures, storage buildings, foundation repair, fitness equipment, concrete sealants, shutters, sprinkling systems, sewing machines, vacuum sweepers, cleaners, kitchen utensils, cookware, and a whole lot more.....

Pre-Sale Tickets for the Home Show Available at:

Ric's Food Center in Mt. Pleasant,
Witbecks Grocery Store in Clare,
DeWitt Lumber in Mt. Pleasant,
Pro Build in Alma and
at the Home Builders Office
2026 Independence Drive MT. Pleasant

HEALTH NOTIFICATION

Have You Noticed a Reduction in Your Hearing?

Time to Experience Remarkable Breakthroughs in Digital Hearing!

A major name brand provider is field testing **the remarkable breakthroughs of their newest digital hearing instrument**. This offer is free of charge and you are under no obligation.

These revolutionary, 100% digital instruments use the latest technology to comfortably and almost invisibly help you hear more clearly and solves the "stopped up ears" sensation some people experience.

If you wish to participate, you will be required to have your hearing tested in our office **FREE OF CHARGE** to determine candidacy and review your results with our hearing specialist.

At the end of the evaluation, you may purchase your instrument, if you desire, at **tremendous savings** for participating in this trial. Special testing will be done to determine how you benefited from the new technology.

Benefits of hearing aids vary by type and degree of hearing reduction, noise level of environment, accuracy of hearing test and proper fit of the instrument. This is a wonderful opportunity to **determine if help is available for your hearing reduction — and get the help you need very affordably!**

THERE IS NO OBLIGATION, HOWEVER, DO NOT DELAY TO CALL & RESERVE YOUR TIME — WE HAVE JUST 30 SPOTS FOR THIS FREE TRIAL THIS MONTH ONLY AT PARTICIPATING TESTING SITES LISTED BELOW.

WHAT'S NEW?

- **Direct wireless connectivity with Apple® iPhones®** — hear conversations, as well as music and videos in vivid stereo!
- **Audio streaming directly from your TV** — enjoy your favorite TV programs in high-quality Dolby Digital® sound
- **Most natural sound quality** — so realistic you may forget you're wearing hearing aids!
- **Patented Voice Recognition** — recognizes YOUR voice so you will hear it as naturally as possible!

CALL (888) 381-0571 NOW IF YOU WISH TO BE INCLUDED IN THIS FIELD TEST LIMITED TIME ONLY! NOW THROUGH MARCH 31, 2018

*Risk Free Offer — Hearing screenings are always free and is an audiometric test to determine proper amplification needs only. These are not medical exams or diagnoses. Hearing aids do not restore natural hearing ability. Individual experiences vary depending on severity of loss, accuracy of evaluation, proper fit and ability to adapt to amplification. Hearing screening and video otoscope exams are always free, they are not medical exam and are used to determine proper amplification needs only. See your Miracle-Ear rep for complete details on all offers contained herein.
