**SPRING IS IN THE AIR**

Houses are selling in an average of 87 days. Do you want to know more statistics about the current market? Please give me a call and I can go over the market stats and what you should be doing if you are planning on selling.

Are you thinking about selling? Have you been waiting for Spring? Well Spring is around the corner but the real estate market is HOT. The inventory is at an all-time low, which means for sellers, it's the time to sell.
