ELDER ABUSE THRIVES IN SILENCE

Victims are often too afraid, too sick or too embarrassed to speak up.

Elder Abuse is:

- Pushing, hitting, punching.
- Shouting at, berating, intimidating, threatening harm.
- Stealing or fraudulent use of an elder's funds.
- Neglecting an elder's physical, medical and emotional needs.

If you know an older adult who is being harmed in any way, break the silence.

This program is funded in part by Monroe County Office for the Aging, New York State Office for the Aging, US Administration on Aging, Lifespan of Greater Rochester, and participant contributions.

I am asking for your vote on Tuesday, March 20th

Dear Highway Department,

I am writing to say thank you for your extraordinary hard work in the face of the extreme winter weather conditions that have recently plagued our community. We often take for granted the ability to easily drive to and from the destinations that we travel on a daily basis. As I sit here writing to you, I think of the countless hours you have put in, at times over sixteen hours a day, to ensure that our roads are safe to travel. I realize the time and commitment that you have put in to help, not only our residents soundly get to where they need to be, but also for our safety vehicles to easily maneuver on clear roads in their efforts to serve our community.

It is with gratitude and great admiration that I write this letter to you. Again, I wanted to make sure that you know how valued and appreciated you are. Thank you again for the incredible efforts that each and every one of you put forth.
