Most Gentile churches claim the law was fulfilled by Jesus Christ, by His death, burial and resurrection they are forgiven (Ezek 13:22). The Holy Bible reveals He came seeking sinners to repent, does not give He gave His life for people who ignore His word (Acts 3:23)! The Holy Messiah said to the man He had made whole, to sin no more lest a worse thing come unto thee (Jn 5:14). 1Jn 3:8-9 reveals who is of the devil, and who is of the Holy Father Elohim. Jesus Christ has not changed (Heb 13:8) which aligns with Mt 5:17-19, and Rev 22:14-15 reveals who can or cannot enter into The Holy City. So Be It!

The Signature name says it all. The 504R Signature baler advances the Vermeer legacy by giving the working man a baler for any operation. Built upon the three signature pillars of Vermeer balers — convenience, ease of use and durability. Combine that with a camless wide pickup, rotor and durable steel windguard roller for quiet and smooth operation — all while making bales at a quicker pace. Backed by a 3-year pickup warranty\*, it's clear the 504R Signature baler is truly one of a kind.

The U.S. Food and Drug Administration is advising that the serious side effects associated with fluoroquinolone antibacterial drugs generally outweigh the benefits for patients with acute sinusitis, acute bronchitis, and uncomplicated urinary tract infections who have other treatment options. Fluoroquinolone antimicrobial drugs include ciprofloxacin (marketed as Cipro and generic ciprofloxacin), ciprofloxacin extended-release (marketed as Cipro XR and Proquin XR), gemifloxacin (marketed as Factive), levofloxacin (marketed as Levaquin), moxifloxacin (marketed as Avelox), norfloxacin (marketed as Noroxin), and ofloxacin (marketed as Floxin). An FDA safety review has shown that fluoroquinolones when used systemically (i.e. tablets, capsules, and injectable) are associated with disabling and potentially permanent serious side effects. These side effects can involve the tendons, muscles, joints, nerves, and central nervous system.

Taking the contraceptive pill, particularly for seven or more consecutive years, is linked to lowered risk of developing rheumatoid arthritis, according to research published online in the Annals of the Rheumatic Diseases.

Administering acetaminophen, such as Tylenol, during surgery may reduce the incidence of postoperative shivering, suggests a study presented at the Anesthesiology 2017 annual meeting. Chills and shivering are a common side effect that occur when patients regain consciousness after surgery. Shivering can occur in up to half of patients. While the exact cause is unknown, scientists believe it may be related to the body cooling down.

### Jack Jerome Cornett

Oct. 24, 1927 ~ March 3, 2018

Jack Jerome Cornett, age 90, of West Point, died Saturday, March 3, 2018, at Cullman Regional Medical Center. Never one to desire the spotlight, he requested no public visitation or service. Interment was in Hopewell Baptist Church Cemetery. Cullman Funeral Home assisted his family.

Mr. Cornett was born October 24, 1927, in Cullman County, to James Monroe "Jim" Cornett and Vola Junia Hubbard Cornett. He was preceded in death by his parents, and one sister, Elouise Cornett Huffstutler.

Jack was a U.S. Army veteran who served as a paratrooper in WWII and Korea. He was a lifelong educator and student, holding numerous graduate and undergraduate degrees, primarily in mental health disciplines. Although he had no children, he was mentor, friend, and teacher to many - from corresponding via written word with a 7-year-old niece to guidance and advice for a teen nephew. His greatest pleasure in life was awakening and enhancing a love of learning in young people.

He is survived by two brothers, Hardie Cornett of Cullman, and Ronnie Cornett (Nancy) of Vinemont; two sisters, Faye Cornett Glover of Gold Ridge, and Dot Cornett Waters of Cullman; and 12 beloved nieces and nephews.

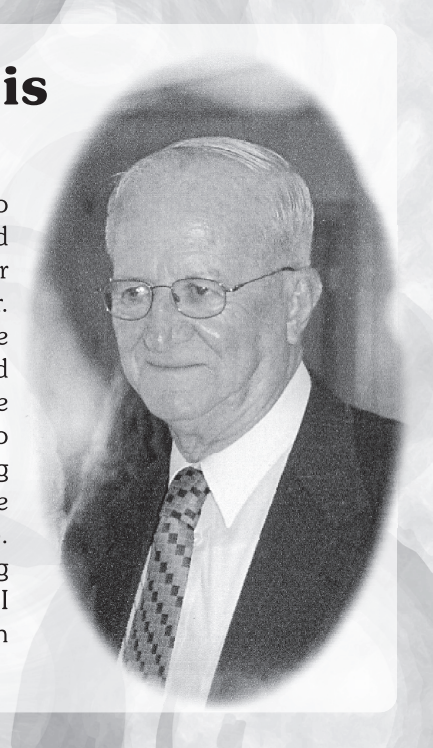

His family would like to thank the physicians, nursing, and ancillary staff of CRMC for their compassionate care of Jack, as well as their concern for the well-being of his sister, Dot, who stayed there with him.

### Rev. Vernon Willis

September 6, 1931 ~ March 3, 2018

The family of Vernon Willis would like to say thank you for all you did for him and us during this difficult time. Thanks for each text, visit, phone call and prayer. Thanks for the beautiful singing and the messages by Rev. Freddy Waldrop and Rev. Charles Dixon. Thanks to each one who stood in line to visit him. Thanks so much for the food and love shown during this time. Thanks to Cullman Heritage Funeral Home who did such a good job. So many said he looked like he was going to say something. Can you hear him say "I love you and I want to see you again in Heaven"?
