ALCOHOL TRAINING AWARENESS PROGRAM

As you know Bronx Community Board #10's advisory opinion is required when a business owner is seeking a New York State Liquor Authority liquor license. Protecting our residents' quality-of-life is our top priority. To do this, we often partner with the Throggs Neck Community Action Partnership (TNCAP) on an Alcohol Training Awareness Program. If you are a restaurant and/or bar owner and would like for your staff to learn more about customer service, how to comply with the Alcohol Beverage Control Laws, how to stop underage drinking and sales to intoxicated persons and how to preserve the health, safety and welfare of our communities then please register for this training by calling TNCAPP at (718) 904-1333 ext. 28. The training will be held on Wednesday, March 21 from 10:30 A.M. to 1 P.M. at 2789 Schurz Avenue, Bronx, NY 10465. If your business is located outside of CB #10, a \$50 charge will be applied to the first attendee from a business with a \$10 surcharge for each additional person. I encourage all restaurant and bar owners to take advantage of this unique opportunity as this reminds establishments of the importance of upholding the quality-of-life of the adjacent residential communities where the establishment exists. Please contact Patrick Caruso at my office with any questions.

COLLEGE AND CAREER READINESS

As you know, many of our city's high schools offer courses of study in the technical trades. The United Federation of Teachers is holding a Career and Technical Education Expo on Saturday, March 24 from 9 A.M. to 1 P.M. at its Bronx borough office which is located at 2500 Halsey Street, Bronx, NY 10461. This expo is also a college fair where students can speak with experts and leaders from the various technical fields. To register for this event, visit www.uft.org/bronx-cte-expo.

"PARKNYC"

You may have noticed blue signs under our municipal parking metered signage on our local streets and throughout the city during your travels. The six-digit code on the blue sign tells you your zone where you now have the ability to pay the muni meter through your smart phone by downloading the ParkNYC application. No longer do you have to feed the meter, but I will caution motorists that you can only pay once at each zone. Please download the application to your smart phone as this will save much needed time during your commute.
