**Note of Thanks**

I want to thank the Orange City community for all the love, support and prayers on my behalf during my times in the hospital at Avera and while at home.

Its been overwhelming to know so many people care about me and were praying for me. I hope and pray that I will be able to reach out and help others who are dealing with depression some day if needed.

I give praises to God for answered prayers and such a loving and caring community.

Again Thank you, and may God bless you too.
