10th Annual Spring Blowout Sale!

256-739-0669

We survived the worst hail storm in Cullman County history! What this means is we have over 400 vehicles in stock, ready to go with no damage at all, so we are here for you!

During our blowout sale, we reduce our prices to clear out our inventory and pass those savings to our customers.

We have reached out to all of our lenders for the absolute best interest rates and terms available. And we will work with your schedule because some of our Cullman County residents had extreme damage to their homes and businesses too. And while we sell vehicles, we know that finding your next vehicle is a priority; but not your #1 priority. So if we can help in any way let us know.

Thanks,

 Owner, Billy Ray Taylor Auto Sales

New research published in the Journal of Clinical oncology suggests long-term, high-dose supplementation with vitamins B6 and B12-long touted by the vitamin industry for increasing energy and improving metabolism-is associated with a two-to-four-fold increased lung cancer risk in men relative to non-users. Risk was further elevated in male smokers taking more than 20 mg of B6 or 55 micrograms of B12 a day for 10 years. Male smokers taking B6 at this dose were three times more likely to develop lung cancer. Male smokers taking B12 at such doses were approximately four times more likely to develop the disease compared to non-users.

The U.S. Food and Drug Administration recently issued an historic action making the first gene therapy available in the United States, ushering in a new approach to the treatment of cancer and other serious and life-threatening diseases. The FDA approved Kymriah (tisagenlecleucel) for certain pediatric and young adult patients with a form of acute lymphoblastic leukemia (ALL). ALL is a cancer of the bone marrow and blood, in which the body makes abnormal lymphocytes. The disease progresses quickly and is the most common childhood cancer in the U.S. the National Cancer Institute estimates that approximately 3,100 patients aged 20 and younger are diagnosed with ALL each year.

A majority of patients with Type 1 diabetes who were treated with dapagliflozin, a Type 2 diabetes medicine, had a significant decline in their blood sugar levels, according to a new study published in The Lancet Diabetes and Endocrinology. Presented as a service to the community by

The Community Shopper's Guide would like to apologize to the Hutson family for our errors in this ad which appeared in the March 21 edition. We are happy to reprint the corrected copy here.

Hoyt Hutson

May 24, 1950 ~ February 27, 2018

Thank you seems so inadequate in light of the outpouring of love and kindness shown to us during Hoyt's illness and passing.

My heart is overwhelmed with gratitude ... to Spring Hill Baptist Church, our source of strength in so many ways - prayers, visits, meals, chicken house help and so much more; to Tim Aris, Ken Dees, Samuel and Jennifer Tucker - thank you for your part in the funeral service, it was beautiful; Tammy, Derrick and Karen - thank you for being there for your Dad when you were needed most, he loved seeing you all together; to our special friends, Phillip Hutson, Rose McCluskey, Steve, Paula and SaraBeth Harbison - you all went above and beyond with your help and encouragement; to Dr. Angelia Elliott and Laura, and Stephanie and Blair from Alacare - thank you for your care; to West Point's Class of '69 and Hoyt's childhood friends - thank you for reaching out to us, Hoyt was so happy to hear from you; to Moss Service, thank you for your kind attention and help; to other churches and friends, thank you for everything. We are especially grateful to God that Hoyt no longer suffers and has finally met Jesus face-to-face.

Hoyt was a faithful member and supporter of Spring Hill Baptist Church for over 50 years. He loved to visit and share the Gospel of Jesus Christ. He loved his family and friends unconditionally. He will be sorely missed and always loved.

Thank you to all from the bottom of my heart.

Most churches do not teach the Gospel of Christ that you must repent, be born again and sin no more in order to be forgiven (Mt 5:17-19, 9:11-13, Mk 2:17, Lk 5:32, 19:10, Jn 3:3, 5:37-47, 5:14, 8:11, 2Cor 5:17, 1Jn 3:8-9). If you think otherwise then your faith is in theories and man's traditions (Mt 15:9), not what The Holy Messiah said (Mt 16:22-23) So Be It!
