Greetings

from the Lorain County Medical Society!

The Lorain County Medical Society is in its 122nd year of service to Lorain County, and we are honored once again to be a resource for our community in all matters of health. Our physician members span all specialties and health systems and come together to ensure that each patient gets the right treatment at the right time for the right reason.

Within this annual physician directory you will find physicians from thirty-eight different medical specialties that have chosen to be a member of the Lorain County Medical Society, and in doing so, are working in partnership with their colleagues to provide a cohesive healthcare network throughout Lorain County to all its

residents.

The Lorain County Medical Society and its members also function as a charitable organization. Each year, the Lorain County Medical Society Scholarship Foundation distributes more than \$30,000 in academic scholarships to Lorain County Students who are pursuing a career in the medical field and intend on returning to Lorain County to work. The Lorain County Medical Society Foundation provides charitable funds to a variety of Lorain County organizations that serve the needs of our community.

Our physicians are here to serve you, the patient. When looking for care, look for a doctor from the Lorain County Medical Society.

An expert's touch, close at hand

Why do I choose Mercy Health? I've got 25 reasons — one for each year Dr. Escolas has taken such great care of me. In 1991, I was new to the area and didn't know many people. When I met Dr. Escolas, he and the Mercy Health team immediately made me feel like I was in the right place. Since then, I've built a healthy life in Lorain County, and I love my job helping others in our community transform their lives. Through it all, Dr. Escolas and Mercy Health have been there for me and my family, with expert care whenever we've needed it — any time, every time.

My home. My health. My Mercy.

Find your reason to choose Mercy Health by getting to know our physicians at mercy.com.

Lorain County Medical Society

LORAIN COUNTY MEDICAL SCHOLARSHIPS

The Lorain County Medical Scholarship Foundation was developed in 1963 for the purpose of establishing a fund to assist Lorain County students who were preparing for a career in the health or medical allied fields. The concept of a Scholarship Foundation grew out of the Lorain County Society's deep interest in the general health and well being of the residents of Lorain County. The members of the Medical Society wanted to ensure a sufficient number of properly trained and qualified persons to adequately serve the needs of the County.

HISTORY OF ESTABLISHED SCHOLARSHIPS:

The Scholarship Foundation has been the beneficiary of many gifts made in memory of beloved family members or well respected colleagues of the medical community. The Scholarship Foundation includes eleven separate funds plus the General Fund, all of which are earmarked for scholarship grants to Lorain County residents.

Applications are due Friday, May 4th 2018
