Powers Fire & Rescue receives office space from B&C Mobile Homes

Submitted

Powers Fire & Rescue has received what is being deemed a major donation of an office building which will complement the volunteer fire department's existing fire station on Hwy. 184 in the Powers Community in Jones County. B&C Mobile Homes owners Bo & Beverly Burroughs donated a 28' x 56' double-wide manufactured office building, which was delivered and installed by B&C Mobile Homes personnel last week at the Powers fire station. B&C Mobile Homes is located at 1513 Hwy. 84 East in Laurel, Mississippi.

The 1,568 square foot office building features two meeting space areas, three offices, kitchen, men's and women's bathroom facilities, and is equipped with hot water heaters, a central heat and air conditioning unit along with a wired fire alarm system with battery backup. The value of the office building is \$38,500.00. B&C Mobile Homes owner Bo Burroughs recently joined Powers Fire & Rescue as a volunteer firefighter and is currently enrolled in the Mississippi Certified Volunteer Firefighter 1 course.

"Beverly and I are pleased to donate this manufactured office building to Powers Fire & Rescue in recognition of the incredible job that they do in providing fire, rescue and emergency medical response services to the residents of the Powers Community

and surrounding communities," noted Burroughs. "Beverly and I had no idea just how much the volunteer firefighters and emergency medical responders at Powers Fire & Rescue do every week keeping our residents safe. Beverly and I personally challenge every business and individual to support their local volunteer fire department. We encourage residents to get to know their commu-

nity volunteer fire department and volunteer firefighters and be involved in what they do and help support their efforts to save lives and property."

"The donation of this office building is just incredible and will allow our department to move our meeting space from a small kitchen and dining area to a large, modern facility. We will also now have ex-

panded space for storage of gear and equipment and be able, if necessary, to house Powers and mutual aid firefighters during extended operations such as responses to hurricanes, tornadoes or HazMat incidents that may affect our area," said Powers Fire Chief Joey Davis.

Powers Fire & Rescue President Ed Ritchey stated, "We cannot say thanks enough to Bo & Beverly Burroughs and B&C Mobile Homes for their generosity! Bo has been an outstanding addition to our volunteer firefighting ranks, and he and Beverly do so much for the Powers Community that goes unnoticed."

The office building will be connected to an existing emergency backup generator in the event of a disaster situation that interrupts electrical power to the building. Powers Fire & Rescue Assistant Chief Kyle Howell concluded, "We cannot say thanks enough to Bo & Beverly Burroughs for this awesome donation. It is heartwarming to see the incredible support we receive from the residents of the Powers Community and the Powers Water Association. This donation adds to the legacy of our residents who step up to ensure we have the resources we need to provide fire and rescue services to our community."

Bok Homa Casino brings Bingo to Jones County

By Linda Cranford

Saturday afternoon, March 24, the word "Bingo" echoed through the Bok Homa Event Center after a ribbon cutting and Grand Opening ceremony was held to officially bring Bingo to Bok Homa. The Event Center is located adjacent to the Bok Homa Casino in Sandersville.

The grand opening events included an early bird bingo session and regular bingo session in which players won over \$11,500 in cash.

The early bird bingo session and other sessions are simulcast from the Pearl River Resort Silver Star Casino in Philadelphia.

"We are pleased to now have bingo as a steady gaming offering at Bok Homa Casino. Our bingo events have been very popular among our players, and we wanted to give them the opportunity to play as often as they would like," stated Sonny Johnson, Interim President & CEO for Pearl River Re-

sort. "Now, they can enjoy this classic game while also having the opportunity to compete against players across the country for progressive jackpots."

The Bok Homa Bingo will be opened four days a week, Thursday through Sunday. Early bird sessions begin on Thursdays at 7 p.m.; regular sessions begin at 7:30 p.m. On Fridays, early bird sessions begin at 7:30 p.m. and the main Bingo begins at 8 p.m. Sunday matinee sessions begin at 3 p.m. (early bird) and 3:30 p.m. (main). Guests have the options of choosing traditional paper game cards, electronic game cards or both! Paper buy-in packages start at only \$15, and electronic packages start at only \$35. Daubers are also available to purchase for only \$1.50.

Guests must be 21 years of age or older to play. No minors are allowed in the event center. For more information on Bok Homa Casino, call 1-866-447-3275 or visit www.bokhomacasin.com.

Murray named McAllister's General Manager of the Year

By Linda Cranford

Laurel McAllister's Deli general manager Tracie Murray was named the 2017 General Manager of the Year among the corporation's 30 corporate owned stores. The annual McAllister's Deli GM Conference was held at the Gaylord Opryland Hotel in Nashville, Tennessee, in February of this year. In addition to the GM of the Year Award, the Laurel deli received eight other awards.

"We had an awesome year," exclaimed Murray. Among the other eight awards was the prestigious McAllister's Deli "Two Million Dollar Club."

"I also won a trip to Cancun, which is my fourth trip with McAllister's," said Murray, who has been with McAllister's since 2007.

In addition to celebrating the company's successful accomplishments, Murray said the conference included sharing some of the do's and don'ts with the new general managers. She said this year there were 13 general managers attending the conference for their first time. Committees of experienced general managers were formed to welcome the new general managers and participate in several break-out sessions offering valuable information and tips.

"I was part of the Design Alliance Team committee," said Murray. "We talked to them about things like developing teamwork, trust and accountability."

McAllister's Deli Area Director Mike Moss said in an email, "For the past 10

Photo/Linda Cranford

years Tracie has been working at her deli in Laurel and moved her way up from an assistant manager to the 2017 McAllister's Deli General Manager of the year. Supported strongly by Assistant Managers Glen Blackledge, Ann Grable, and an awesome crew, she and her team were recognized in our annual Corporate General Manager's Conference in Nashville with several awards. The awards ranged from General Manager of the Year, highest sales growth, highest profit, and the exclusive McAllister's Deli 2 Million Dollar Club. I would like to take this opportunity to thank Tracie, her entire team, and all of our loyal guests for a great 2017."

When asked what she felt the major contributing factor to her success was, without hesitation she said, "My team," then added, "and this town."

Garden club members honored in dedication service

A dedication service was held at Northwood Park on 7th Avenue in Laurel in memory of garden club members Melissa Downing and Betsy Thaxton. The Northwood Garden Club planted a Gingko Tree and donated a beautiful stone park bench in memory of their precious friends and garden club members. Northwood Garden Club is a member of the Laurel and Jones County Council of Garden Clubs and also the Garden Clubs of Mississippi, Inc. Jones County Heart Walk is set for September 29

By Linda Cranford

A luncheon was held Friday, March 23 for the Jones County Heart Walk Executive Leadership Team to kick off the 2018 Jones County Heart Walk campaign. The Heart Walk is scheduled to take place on Saturday, September 29 at 7:30 a.m. at the Jones County Junior College campus.

"I'm sure everyone in this room has been affected by heart disease or stroke, and it opens your eyes when that happens," said 2018 Heart Walk Chairperson Danielle Ashley, chief administrative officer and board attorney for the Jones County Board of Supervisors. Ashley told the story about her father, Dan Ashley, having to have six bypasses seven years ago at the age of 48 and how that affected her family.

"It was a shock," said Ashley. She said they discovered that heart disease was prevalent throughout their family history. "It was eye-opening to see him in that hospital bed. I was only twenty at the time, and I started thinking what can I do to prevent something like this from happening." She said their experience with her father is the reason she is getting involved with the

Heart Walk.

During a short film about the American Heart Association the Heart Walk slogan, "Life is Why," was revealed, indicating that life is why they walk. They also ask the question, "Why do you walk?"

AHA Heart Walk Event Director Cassie Cox said, "All the money donated, whether

a personal donation or corporate sponsorship goes, toward the mission of the American Heart Association. The money that we raise here in Mississippi gets reinvested here and then some. Two years ago there was over \$2 million raised in our state alone."

Guest speaker for the luncheon was Luke Johnson, interim pastor at First Baptist Ellisville and radio personnel on the Eagle Hour on Super Talk Mississippi with Shelia Hennis. Johnson talked about when you're young you feel invincible. "But when something comes that is really crazy, that is out of left field, we feel our vulnerability, that we are mortal people and need to take our life and our health seriously." He spoke of a friend of his who found out his left anterior descending artery, called the widow maker, was 98 percent blocked. "He was weeks or months away from dying," said Johnson.

Johnson continued to talk about the need for all of us to take better care of ourselves, that death can come unexpectedly, and the way you live your life is important and can make a difference. He shared how his

grandmother suddenly passed away after having a stroke after they had all been together for the holidays. He also shared the story of a companion who passed away on a ministry trip to India after hiking many miles to a secluded village.

"When I think about what we're here for, scripture says a lot about heart," said Johnson. "It says that we are to love God with all our heart. It also says the heart is deceitful. We are supposed to put our heart in it. We're supposed to work at things with all our heart. So what we are here for today, this Heart Walk, I encourage you to put your whole heart into it."

"What I've learned it's one thing to leave when it's your time; it's another thing to be disappointed because you had to check out early," stated Johnson. "I think that what we're here for today is that as a community we can help people not check out early."

For more information contact Cassie Cox at cassie.cox@heart.org or any member of the Executive Leadership Team, which includes Danielle Ashley, Jennifer Boswell, Jon Chiacco, Brian Ginn, Chasity Gray, Shelia Hennis, Scott Pickering and Ashley Rae.

WJHS Peer Council promotes National Kick Butts Day

West Jones High School Peer Council joined with Generation Free to promote National Kick Butts Day! This day empowers youth to stand out and speak up about the terrible consequences of smoking! Tobacco use is still the leading cause of preventable death in the U.S., killing more than 480,000 people every year. By getting involved in Kick Butts Day and other activities, America's youth raise awareness about the tobacco problem, encourage peers to be tobacco-free and support effective solutions to reduce tobacco use! Peer Council members interviewed WJH coaches to get their opinions about tobacco use and posted the results around campus! WJH Peer Council hopes everyone will remain tobacco free. Dixie EPA's 10th Annual "Relay for Life" Golf Tourney raises money for ACS

By Linda Cranford

It looked like a Nascar race lineup as approximately 36 Golf Carts lined up four across and nine deep for the afternoon flight of the Dixie Electric Power Association's 10th Annual "Relay for Life" Golf Tourney. The four-man scramble tournament included a morning and an afternoon flight with approximately 38 teams in all participating in the tournament.

According to Lydia Walters, Dixie EPA communications and human resources manager, and Pollyanna Magee, tournament organizer and Dixie EPA communication specialist, the tournament raised \$11,400 for the American Cancer Society this year.

The winning teams for the morning flight were as follows: First place: Dwain Strickland's team - Thomas Prine, Mike Kenny, Dwain Strickland, Joey Landrum; Second place: Scott Thames - Scott Thames, Will Thames, Ernie Joiner, Brent Smithers; Third place: Cooperative Energy - Don Hinton, Trey Cannon, Steven Jackson, Jeff Lazenby.

The winning teams for the afternoon flight were as follows: First place: Community Bank - Justin Holifield, Sawyer Taylor, Al Taylor, Andrew Hudson; Second place: First State Bank - Darren Dodd, Mark Waller, Jim Clark, Joey Landrum; Third place: Hugh Parker Team - Jim Henderson, Steve Brantley, Hugh Parker, Donald Coleman.

The first place team in the afternoon was Community Bank. The team members, Justin Holifield, Andrew Hudson, Sawyer Taylor and Al Taylor, received their winnings from Pollyanna Magee. Photo/submitted

Mayor Proclaims April 1-7 National JA Week

By Linda Cranford

The Junior Auxiliary of Laurel will be celebrating National JA week, April 1-7. On March 26, Mayor Johnny Magee signed an honorary proclamation designating the week as Junior Auxiliary week in Laurel. This annual celebration is a time to pause and thank the community, sponsors, and volunteer members who work so hard year-round to make a positive difference in the lives of children in Laurel and Jones County.

The Junior Auxiliary of Laurel began in 1932 with 23 Charter members and currently has 60 active members who donate over 3,500 hours annually to the chapter's various projects. These service projects include Amblyopia screening, Child Abuse Awareness, Character Counts, Secret Meals, Family Matters, Girl Talk, Parkside Playground, Salvation Army, O The Places You Will Go, Scholarship, Very Special Arts Festival, Done in a Day, Lady Tornado Chick Chat, and an annual Provisional Project. The chapter raises funds each year through Shareholders, Patrons, Frosty Frolic 5K, and "An Evening with Junior Auxiliary."

"This is an exciting week for us, because it gives us a chance to thank all of the citizens of Jones County for supporting us in this work, and to recognize our wonderful corporate sponsors who finance these projects", said Bryn Nasajpour JA of Laurel PR

chair. "The families and children we serve are so deserving and thankful for this assistance, and none of that would be possible without the support of the entire community."

"The National Association of Junior Auxiliaries will soon be entering into our 77th year of serving others and many chapters have been a part of that from the beginning," said Charlotte Jones, NAJA President. "Whether a chapter has been with us for 77 years or one year, the fact that our members have a heart for service and a passion for making a difference in the lives of their neighbors around them has never wavered."

The Junior Auxiliary of Laurel is a part of the National Association of Junior Auxiliaries (NAJA), a non-profit organization founded in 1941 with headquarters in Greenville, MS. NAJA has 15,043 active, associate, and life members in 96 Chapters in Alabama, Arkansas, Florida, Louisiana, Mississippi, Missouri, and Tennessee. Junior Auxiliary members worked or volunteered 96,312 hours in their communities, and invested \$2,890,818 in seven southeastern states in 2016-2017.

The NAJA slogan is "Care Today- Character Tomorrow." Junior Auxiliary chapters are working more than ever to provide care to those less fortunate in order to make their tomorrows better.

Pictured with Mayor Magee is L-R, Anna Thornton - 1st vice president, Bryn Nasajpour - PR chair, Jade Yoder - shareholders chair, Christy Drennan - president, Katye Ainsworth - provisional chair, Cindy Miles - corresponding secretary, Andrea Endom - 2nd vice president.

Northeast Jones High School Prom Promise: Mock crash program set

Submitted

Parents, family members and friends of students at Northeast Jones Elementary School, Middle School and High School should not be concerned when they see, hear, or hear about emergency vehicles responding to the Northeast Jones High School football stadium on Friday, April 6 around 9:00 a.m. In light of current events at schools around the country and heightened anxieties, we want to make sure everyone is aware that there will be a simulated two-vehicle crash involving a mock DUI driver and a car with five Northeast Jones High School students on their way to the prom. Emergency services providers will respond to and work the simulated crash scene just like they would a real crash - which involves responding with emergency lights and sirens.

Northeast Jones High School seniors and juniors, teachers, staff and parents will have the opportunity to watch and learn about the impacts inflicted on the lives of young people when drinking and/or driving distracted, especially during a time of celebration such as the upcoming NEJ prom and graduation. This Prom Promise-Mock Crash Program will start in the NEJ gymnasium at 8:15 a.m. and then move to the NEJ football stadium at 9:00 a.m.

This program encompasses the support and participation from several Jones County

Photo/submitted

and Mississippi emergency services agencies and private businesses including: Glade, M&M, Powers, Rustin and Sandersville Volunteer Fire Departments, EMServ Ambulance Service, Jones County Coroner's Office, Jones County District Attorney's Office, Jones County Emergency Management Agency and Emergency Operations Center, Memory Chapel Funeral Home, Mississippi Highway Patrol, Rescue 7 Air Ambulance, University of Mississippi Medical Center

- Safe Kids Mississippi, Red Line Recruitment, Springer Auto Salvage, and deputies, investigators, victim's advocates and K9 units from the Jones County Sheriff's Department.

Northeast Jones High School students, teachers and staff members will participate in this realistic event which is designed to save lives, change outcomes and eliminate poor decision-making. Dr. Jennifer Lowery, supervising principal at Northeast Jones

High School, is a strong proponent of programs designed to increase student safety and has fully supported and endorsed this program. Northeast Jones High School senior and junior high parents are invited to attend and should be prepared to witness a realistic event that is designed to get the attention of students in advance of their 2018 Northeast Jones High School prom and graduation. Jones County residents are asked to share this information personally and via social media platforms to help spread the word about the event and help prevent anyone from assuming a real emergency is occurring at Northeast Jones High School.

Jesus is your Answer

By Dr. Bill Myers

Learning to wait on God's timing. T-R-U-S-T. Have you ever asked the question, "God, where are you?" Honestly, all of us have probably been guilty of asking that question during a crisis or waiting period.. Our mind wants God to wave a magic wand to fix the problem instantly! Of course, that usually isn't the case. God desires for us to trust Him, learn from Him, walk with Him, and have a deep relationship with Him. He will answer/fix the problem, if we will trust Him and wait on His perfect timing!

"Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up." (Galatians 6:9). There are many times when we feel like throwing our hands in the air and giving up believing for our miracle. I'll admit it can be discouraging at times when our prayers seem unanswered. But God never ignores us . . . Never! He is working in our lives every day molding us into the image of Jesus. Yes, He loves us! We should read this verse again and see the key words...."for at the "proper time" ... we will reap a harvest..."If we do not give up."

"Those who know your Name will trust in you, for you, Lord, have never forsaken those who seek you." (Psalm 9:10)

Yes, God's timing is always perfect; never early, never late! Our human nature tends to want our answers now, not later. Thankfully, we have a loving Abba Father (Daddy) that sees the big picture and knows the perfect timing to answer. God desires for us to learn to trust when He doesn't answer the moment we ask. Another key phrase in this scripture is we "can't give up!" His promises are true, and if we don't receive our miracle the moment we ask, we should trust Him and rest in His peace knowing

He will answer at the right time. We must understand that He always does what's best for us!

As we learn to walk with God daily, we understand He doesn't always give us what we want. Again, He does what is best for us. If we pray for a "plan A" and he gives us a "plan B", we should thank Him because He knows what's best! Would you give your toddler a sharp knife to play with just because he or she asked for it? Of course you wouldn't! As a parent, you try to do what's best for your child. Friends, we might not see it at the time, but it's usually revealed down the road of life. God always does what's best for us!

"Be strong and do not give up, for your work will be rewarded." (2 Chronicles 15:7) Please don't give up on God because He hasn't and never will give up on you! Yes, Jesus loves me this I know...Jesus is The answer! Jesus is your answer! Amen!

Figueroa named 2017 Wendy's High School Heisman finalist

By James Pugh

Score 53 goals in a single season, and its bound to get noticed.

Northeast Jones girls soccer standout Esmeralda Figueroa has been named a finalist for the 2017 Wendy's High School Heisman award in Mississippi. The winner of the prestigious award will be announced during a banquet luncheon at the Mississippi Sports Hall of Fame in Jackson, Miss. on April 19.

"I never thought I would be at the point," said Figueroa. "I had always hoped to be, but I never thought I would be a finalist for the Wendy's High School Heisman award."

The senior forward finished with 155 goals during her career at Northeast Jones. She tied with former teammate Morgan Mansell with the most ever in school history.

"The list goes on with ways she has been recognized," said Northeast Jones head soccer Matt Reid. "And she deserves every bit of the recognition. I think she is used to it now with all the banquets, awards, offers, and scholarships. That comes with the territory of scoring 53 goals in a season. She's also been named MAC All-Star and so on [for her accomplishments on the field]."

Figueroa was also named Sports601's Girls Soccer Player of the Year.

If she wins the award, Figueroa will be granted a 1,000 dollar college scholarship. One girl and one boy from each state win the award every year. Those winners have a shot at

Esmeralda Figueroa

being a national finalist and will receive an additional 5,000 dollar scholarship. The overall national winner is awarded a 10,000 dollar college scholarship.

The "intangibles" as Reid says is what also made his senior forward a star during the 2017-2018 season.

"It was the things that can't be put on a stat line," Reid noted. "It was the leadership and character and her taking ownership and realizing it was her last go around here at NEJ. Not only did she do all those great individual things, I think she made her teammates better in other ways."

One of this year's other Mississippi finalists is a travel ball teammate of Figueroa.

"Aubree Dillon is a finalist that I know," said Figueroa. "She is from Madison-Ridgeland Academy (MRA), and she is a teammate of mine in RUSH. She's a great player as well."

Figueroa signed with JCJC women's soccer last month. She chose the Lady Bobcats over several D1 colleges, including Northwestern State and Southern Miss, and four-year universities such as William Carey, SUNY Farmingdale State in New York, West Alabama and West Florida just to name a few.

She will join her sister, Araceli Figueroa at JCJC. Both made their decision public inside Northeast Jones' Media Center on February 26.

"I'm going to keep working hard and training," said Figueroa. "I'm going to believe in myself and keep doing what I'm doing."

West Jones captures its second win over South Jones in Region 5-5A

By James Pugh

It was quickly becoming a trend as if it was the hip thing to do. Inning after inning, someone, whether a Brave or a Mustang, left stranded on base. Someone had to break the trend and break the 1-1 tie that carried into the third, fourth, fifth and sixth inning.

West Jones was that someone Thursday night in Ellisville. Scoring three runs in the top of the seventh, and holding off the Braves with the bases loaded in the bottom of the same frame, West Jones defeated South Jones 4-1 for the second time this week.

With the win, West Jones improves to 16-1 on the year and remains unbeaten in Region 5-5A at 5-0.

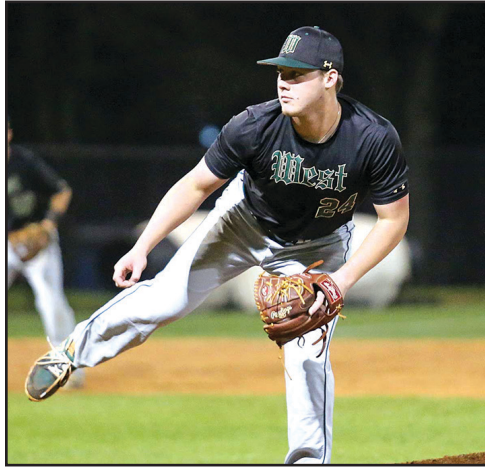

The Mustangs are on track to win their second consecutive 5-5A baseball title. To do so, they will have to sweep county rival Laurel next week.

South Jones falls to 8-7 overall, and 3-2 in the region.

A bases-loaded walk in the top of the seventh broke the 1-1 tie Thursday night. West Jones junior slugger Garrett McLaurin added two more runs in the inning with bases loaded double to left field.

McLaurin led the Mustangs with three hits in his three plate appearances. Dustin Dickerson also had a multiple hit night with a double and single. Walker Thompson, Kris Riley and Colson Harris each had a hit apiece.

Similar to Dickerson's outing on the mound Tues-

Photo/James Pugh

day night in Soso vs. South Jones, West Jones starting pitcher Hayden Bryan allowed just two hits in over six innings of work. Bryan, who earned his fourth win from the mound, finished with 11 strikeouts against 28 batters faced. Kris Riley closed out the game in relief and was awarded the save.

Bryson Sumrall and Tyler Duckworth had the solo hits for South Jones.

South Jones starting pitcher Max Sharp took the loss on the mound, allowing three earned runs on six hits in 6.1 innings pitched. He finished with seven strikeouts.

West Jones plays Southeast Lauderdale on Saturday at the Enterprise Easter Tournament. South Jones will face another Region 5-5A foe next Tuesday night on the road vs. Wayne County.

This property is ideal for anyone looking for a weekend hunting retreat, cattle farm, or a beautiful setting to build a home. The open fields are great for deer and turkey and could easily be used for cattle farming. The house located on site would make a great farmhouse, hunting camp or rental investment. This property is offered at \$199,500. Contact Bennett at 601-913-0340 at Walley Properties LLC. or visit walleyproperties.com for maps and info.

Jones County +/- 109 Acres. Situated in the Moss Community of Jones County near the Jasper County line, this beautiful wooded property contains a mix of natural pines and hardwoods. With plenty of frontage on Shady Grove-Moss Road, this location offers numerous possibilities for a home site or mini-farm. Its amenities include fenced pasture land with a barn and shed on site. Water sources for area wildlife include a small pond and the Tallahoma Creek which runs along a portion of the property's southeast border. Whoever buys this listing will enjoy the benefits of country living with the convenience of being less than 15 minutes away from Laurel, Stringer and Bay Springs. This property is located in the West Jones High School/North Jones Elementary School area. Priced at \$400,000. Call Walley Properties, LLC at 601-477-3014 or visit walleyproperties.com for maps and more information.

Cooke signs with MGCCC basketball

By James Pugh

Laurel basketball standout Colby Cooke has signed with Mississippi Gulf Coast Community College.

The senior forward did so Tuesday at noon in front of friends, family, coaches and school administrators inside of Laurel High School's library.

"Colby is one of the most humble and hardworking players I've ever coached," said Laurel boys head coach Marcus Price. "He comes in every day and approaches the day the same way. He's not emotional, and he doesn't waiver in terms of intensity.

"He was one of the guys that kept us together this year because we had a lot of guys that had never played varsity before. He was that guys we could count on with we needed a bucket or someone to take a charge or someone to block a shot."

Meridian Community College made a big push for 6'7 senior forward, but Cooke settled on MGCCC as his school of choice.

"I chose Gulf Coast because I felt like that was the best place for me," Cooke said. "I thought about the other recruits that would be coming in with me, and I felt that

is where I fit best. Meridian recruited me hard, but at the end of the day [choosing] Gulf Coast was what was best for me."

Cooke averaged just over 10 points and six rebounds per game during the 2017-2018 season.

He evolved into a more consist player during the offseason heading into Cooke's senior season said Price.

"He's going to be a prototypical stretch forward," said Price. "He is 6'7, and he can shoot the three. He's a great free throw shooter and has a great mid-range game."

"He evolved as a player because last year he wasn't as consistent as he was this year shooting the three ball. Even after the season, he's been coming to the court every day and getting workouts in trying to prepare himself so that when he gets on campus [at MGCCC], he'll be well equipped to deal with whatever situation may rise.

Price adds that Cooke has been a joy to coach.

"If we have men like him every year," said Price, "then our program will continue to be the success that it's been."
