LONG'S HEARING IS THE PLACE TO GO.

Missy will do the very best for you. She "listens" to you. She is extremely knowledgeable about hearing problems. She will test you and make sure you get the right product. My product (which I didn't think I wanted after doing research before I went in) is amazing. It does fit above my ears, but I can wear my glasses with them. You can't tell I have hearing aids from looking at the front or the side of me! The controls are easy to use. And they have a built in "automatic" phone detector, so using the phone is easy now. The Aids are easy to put in and take out. I am amazed and extremely happy.

~ Judith Ann from Evart

I WOULD CHECK OUT LONG'S HEARING IN CADILLAC OR HOUGHTON LAKE.

I went to Cadillac and I am very glad now that I have to tell my wife to turn the TV down also I can hear the beautiful birds sing. What a blessing and I didn't have any insurance. I want to thank Long's Hearing.

~ Victor from Manton
