SPEAK OUT

Dear "Speak Out"

Are you a survivor?

One of the most popular reality television shows is Survivor! People often wonder if they could survive the treacherous and challenging conditions enduring all kinds of trials in an effort to win one million dollars. The individual contestants get to decide how much they are willing to endure to win.

What Americans don't seem to recognize, acknowledge or appreciate, is that there are millions of 'real' survivors who are alive today living in this country who escaped a tortuous and brutal death from the hands of calculating diabolical killers. These survivors haven't won a million dollars, but they have won the right to live and breathe because of a decision their mother made. Let me explain. If you were born after January 22, 1973 you are an abortion survivor! One third of your generation didn't make it! Can you believe it? One third of your generation equating to 60 million Americans have been brutally killed in an abortion. I find it so difficult to comprehend how our great country transitioned from a culture of life, liberty and the pursuit of happiness, to one of choosing death for a small defenseless innocent baby.

No matter the circumstances that resulted in a pregnancy, it wasn't the baby's fault, yet the baby is the one who suffers an excruciating painful death. Mothers get to choose if their little innocent helpless baby gets to live or die! Abortion today is known as the 21st century slavery. During slavery the slave owner could decide whether or not a slave could live or die because slaves were merely property and not treated as persons. Abortion today is also known as the 21st century Holocaust when the Nazi's decided that the Jews and others were to die because they were devalued as people. Today, mothers faced with an unplanned pregnancy get to decide if their baby, their own offspring, gets to live or die; they get to choose, just like the slave owners and the Nazi's got to choose, who should live or die.

Every week I join other prolife advocates and we peacefully pray and protest outside of the Planned Parenthood on University Avenue in Rochester. Over the past 40 days as we prayed each day, three mothers chose life for their baby instead of going through with their scheduled abortion. Can you imagine what goes through a mother's mind when she picks up the phone to schedule the execution of her own child? We have found in most cases, this mother thinks abortion is her only option to her unplanned pregnancy. Often she is coerced by her parent(s) and/or the father of her child. It is truly heartbreaking seeing these mothers after they have colluded with the abortionist to kill their own child. Often she can barely walk, and there is a look of despair on her face. It can be overwhelming for us that witness this travesty. At other times, when the mothers hear about their options, and realize there are people and resources to help her throughout her pregnancy, it is a joyous occasion when she changes her mind and chooses life. When we witness that miracle we raise our hands and shout for joy as we thank God for intervening and touching the heart of a mother. We want to share the options these mothers have so that they can make informed, wise decisions about the life of their baby. We want to help them go from fear to confidence, so that abortion will be unthinkable and we can help erase the need for it.

So, if you were born after January 22, 1973 smile, you are an abortion SURVIVOR! Congratulations!

Program

Nunda Youth Wrestling Gives Back

The Nunda Youth Wrestling Program had another successful season. With practices taking place on Mondays, Wednesdays and Fridays from November until March each year, the team travels around the area competing in youth tournaments.

This year, the team featured 36 wrestlers with 35 boys and 1 girl, ranging in ages from 4 to 14 years.

Coaches this year were Kirk Brickwood, Gary Nageldinger, Sarkis Matossian, Craig Claud, Jeff Bugman and the Keshequa Varsity Wrestlers. We thank them for all what they bring to the team.

Being part of a caring community, it's only natural that the team would be so intent on giving back. In addition to providing scholarships to graduating wrestling seniors and wrestling camps, they've also purchased new warm up suits for the Keshequa Varsity Wrestling Team, new wrestling mats for use by the school, and cheerleading mats for the Keshequa Varsity Cheerleading Team.

In March, their 8th Annual Youth Wrestling tournament saw a great turnout of wrestlers from all over the area, including those from out of the state.

The team also held their 3rd Annual Old-Timers Wrestling Tournament in memory of Jake Baxter. Proceeds from this tournament allowed them to make a monetary donation to the Jake Baxter Family and the Nunda Ambulance.

The 9th Annual Youth Wrestling Tournament is scheduled for Saturday, March 2, 2019. And the 4th Annual Old-Timers Wrestling Tournament in Memory of Jake Baxter will be on Sunday, March 3, 2019. All of the proceeds from this tournament will be donated to the Ronald McDonald House Charities.

Next year, the program will be open to children from all school districts and signups will take place in November. For more information, check out our Nunda Youth Wrestling Facebook page or contact Crystal Learn at 585-319-8342.

Believe in Mount Morris

Village of Mount Morris

117 Main Street
 Mount Morris, New York 14510
 (585) 658-4160

- We would like to CONGRATULATE Honorable David Provo and Trustee Joel Mike in their new positions.
- The Village of Mount Morris will be Hydrant Flushing starting the week of April 9th. Water may be discolored for a period of time. Please let your water run if you experience discoloration.
- The Village of Mount Morris is investigating the feasibility of making small changes to the Village Zoning Map to make zoning district boundary lines conform to property boundary lines or to other easily defined features (streets, distance from a road, etc.). The Mount Morris Joint Planning Board and the Livingston County Planning Department will be holding meetings to discuss proposed adjustments within the Village. Property owners whom are identified as being impacted by changes in the zoning district boundaries will receive personal notice of the date in which there will be discussion of the district their property is in. The first meeting will be April 18, 2018 at 6:30 PM at the Town Hall at 103 Main Street. Any questions about the project can be directed to the Village Code Enforcement Officer, Louis Stein at 585-721-2857.
- The Village is creating an Abandoned Property Task Force. We will be looking for volunteers from the community from different neighborhoods. Those interested should send letters of interest to the Village of Mount Morris, 117 Main Street, Mount Morris, NY 14510.
- The Village is looking for a Part-Time Cleaner. The position is flexible with approximately 20 hours per week. Those interested can pick up an application at the Village of Mount Morris, 117 Main Street, Mount Morris, NY 14510.

STI AWARENESS MONTH

Nearly 20 million new sexually transmitted infections occur in the United States every year, costing the American healthcare system approximately \$16 billion in direct medical costs alone, according to the US Centers for Disease Control and Prevention (CDC). America's youth shoulder a substantial burden of these infections. CDC estimates that half of all new STIs in the country occur among young men and women aged 15 to 24.

Chlamydia is the most common STI in the United States. In 2017, 143 chlamydia cases, 10 gonorrhea cases and 2 syphilis cases were reported in Livingston County. The majority of the cases were among young adults.

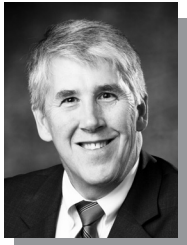

The high incidence of STIs in the general population suggests that many Americans are at risk of exposure to these infections, underscoring the need for prevention. Despite this news, there are effective ways to prevent, diagnose, and treat STIs. Abstaining from sex, reducing the number of sexual partners, and consistently and correctly using condoms are all effective prevention strategies. Safe, effective vaccines are also available to prevent hepatitis B and some types of the human papillomavirus (HPV) that can cause some types of cancer. For those who are sexually active – particularly young people – STI screening and prompt treatment (if infected) are critical to protect a person's health and prevent transmission to others. STI screenings and early diagnoses are essential in preventing transmission and the long term health consequences of STIs.

The Livingston County Department of Health in observance of STI Awareness Month would like to encourage everyone to be tested for STIs. Knowledge is power! Once you know if you have an STI, you can make important decisions about your health and well-being. Men, women, and teens can receive confidential, low or no cost STI testing at the Livingston County Reproductive Health Center.

More information about STIs or to schedule an appointment to be tested, please call 1-800-243-9240, or visit our website @ www.livingstoncounty.us/rhc. A program of the Livingston County Department of Health.

The Inspirations Trail of Livingston County

- What if we could inspire people through art in our downtowns?
- What if we could make them smile as they stroll the street and peer into windows?
- What if they were inspired to stop and take a picture and share it with their friends?
- What if everyone worked together to make this happen?

Join us in creating the Inspirations Trail!

The Downtown Partnership of Livingston County is planning an exciting new initiative that will drive visitors to the downtown districts through the use of public art.

All the art installations will incorporate an uplifting or inspirational quote whether it's one word or a complete statement. It's a treasure hunt of inspiration—who knows what you will find!

The Inspirations Trail is planned to begin in May 2019. All nine downtowns in Livingston County will be included in an art walk designed to engage the public through both storefront and interactive public art. Storefront art would be on display for the complete duration of the event.

Interactive art pieces will include wall-murals, sculptures, or benches that could remain as permanent art in the village.

All artists, creators, and inspirators will be invited to participate!

Check out the survey by visiting

www.surveymonkey.com/r/InspirationsTrail

This is an ambitious project, and we will need the participation of volunteers and businesses in every community to make it happen!

Students from SUNY Geneseo's Public Relations Case Problems Course have partnered with Livingston County Development to help plan the Inspirations Trail with the results of this survey.

As business owners, you are critical to the success of this event. If you have five minutes to spare, please consider filling out our survey. We want to know how to make this event the best fit for you, your village, and our county.

For more information, contact Louise Wadsworth, Downtown Coordinator Livingston County at 585-243-7124.

Box Tops for Education

can be found on many of the products we all use everyday. General Mills provides us with 10¢ for each Box Top.

The MMPTSA returns the funds to each classroom. Students help earn \$2000 for teachers to spend in the classroom each year. The MMPTSA also provides prizes throughout the year to classes bringing in the most Box Tops. Please leave your Box Tops in the Main Office at MMCS or call Pam at (585) 704-4513 for pickup.

Thank You!

Nunda Community Benefit Fund

We would like to thank everyone who supported our mission by stopping by our booth at Nunda Fundays again this year!

We would also like to thank those of you who donated baskets and items for our Chinese raffle or items for the bigger raffle! There are too many of you to mention, but we appreciate you very much!

Who We Are

We were established in 2013, beginning as a fundraiser for a dear friend undergoing treatment for cancer.

We then decided to go forward and develop a fund to help anyone in need who resides in the Keshequa Central School District.

What We Do

We will do one or more fundraisers throughout the year to build the community fund, and we will disperse the funds based on the need and availability of such funds. We are not only here in times of sickness.

We can help with many types of financial burdens.

Running Effective Meetings and Conducting Effective Virtual Sessions

Employees spend a great deal of time planning and attending meetings (live and virtual), but statistics show the vast majority of employees believe meetings are often unproductive and ineffectual. The first part of the session will focus on concepts and techniques for running effective meetings, specifically: How to prepare for an effective live or virtual meeting; How to use meeting structures such as agendas, activities, questions and action plans; and approaches to manage participation. In the second part, participants will explore ways to design and engage participants in remote meetings including exploring the WebEx platform with simple tools to promote engagement from meeting attendees. One hour lunch break on your own. *Register by April 18!*

Introduction to Drones

(sUAS - Small Unmanned Aerial Systems)

If you're new to drone piloting, this 18-hour Intro to Drones course will give you all of the vital skills and information you need to start piloting drones safely and legally. The comprehensive 18-hour course is designed to provide thorough instruction on drone systems, use applications, legal issues, maintenance and FAA (Federal Aviation Administration) regulations, in addition to piloting skills and safety best practices. The course includes a workbook, a quadcopter, a computer flight simulator with radio controller and prepares you to successfully pass the comprehensive FAA knowledge test. The drone is the Syma X5C Explorer Quadcopter with HD camera. (Everyone learns to fly on this model.) Upon successful completion, a certificate will be awarded to each participant (not an FAA certification). *Register by April 20!*

My name is Robert. I went to the Healing Rooms in December because my knees had been in pain for almost 25 years, from intensive karate and kick boxing. My doctor said my knees were worn out and had arthritis from over-use. Taking lots of Ibuprofen offered some relief, but they still hurt. The moment I entered the Healing Rooms, I noticed less pain. Then when they prayed for me, the pain totally left. It has been gone ever since. I can squat, work on my knees and bend with no pain at all. God touched me with His love and healing. He is so good!
