Thank You

Thelma and I would like to thank all the friends, neighbors, and relatives for the prayers, well wishes, offers of assistance, as well as the numerous food dishes, during my stay in the hospital and since my return home. No one really realizes how many friends you have until something happens. They are truly a blessing!

A special "Thank You" to our daughters, Jean and Karen, for not only looking after me before and after my surgery but for making sure "Mom" got back and forth to the hospital and that I got home. Also to Larry & Donna Walsworth and Fred Garwood for running errands for us and getting me to my Doctor appointments.

A special "Thank You" to Dr. Cheeran and the staff at Rochester General Hospital for their excellent care during my stay there.

There were so many people that sent cards, offered help, stopped in to visit, or called to see how I was doing. It is hard to remember everyone.

We would like to "Sincerely" thank everyone from the bottom of our hearts. If we missed anyone, please accept our apology as it was in no way intentional.

Thank You & May God Bless!

Dave & Thelma Thompson

DID YOU KNOW?

On newer direct injection vehicles, a fuel injection and intake cleaning **MUST** be completed every 10,000 miles due to excessive carbon buildup. This process improves gas mileage and driveability on all vehicles.

ELDER ABUSE THRIVES IN SILENCE

Victims are often
too afraid, too sick
or too embarrassed
to speak up.

Elder Abuse is:

- Pushing, hitting, punching.
- Shouting at, berating, intimidating, threatening harm.
- Stealing or fraudulent use of an elder's funds.
- Neglecting an elder's physical, medical and emotional needs.

If you know an older adult who is being harmed in any way, break the silence.

This program is funded in part by
Monroe County Office for the Aging,
New York State Office for the Aging,
US Administration on Aging,
Lifespan of Greater Rochester, and
participant contributions.

Thank You!!

***From the bottom of our hearts for your
immediate and generous response to our
devastating house fire on February 12...***

The words of encouragement, hugs, prayers, love,
and support have kept us going;

The visits, food, donations of clothing and furniture, money,
and cards are very much appreciated and immensely helpful;

Thanks to one and all who were so generous in every way
to keep our family sane and grounded.

Livingston County Department of Health Tested Readiness

An exercise that tested the Livingston County Department of Health's plan to manage an infectious disease outbreak was conducted on April 10, 2018. The scenario was that an employee at a local grocery store was diagnosed with acute hepatitis A. Treatment or post-exposure prophylaxis was recommended for any customer that consumed produce purchased from this grocery store between March 27 and April 4. The Livingston County Department of Health offered hepatitis A vaccine and immune globulin (IG) to potentially exposed customers of the grocery store. The exercise included medical screenings, a medication consultation component, and general education regarding public health emergencies. Individuals who participate in the exercise received a simulated/fake vaccine.

Jennifer Rodriguez, Public Health Director stated, "It is important to test this area of our emergency preparedness plan. The ability to quickly and efficiently set up clinics during a public health emergency which could include infectious diseases such as, Hepatitis A is vital to keeping the community healthy".

Community partners included Dr. Witte of Tri County Family Medicine, Dansville Moose Club, Livingston County Sheriff's Office, Dansville Police Department, Livingston County Medical Reserve Corps, Lifetime Care, UR Medicine/Noyes Health, Dansville Emergency Services, Livingston County Emergency Medical Services, and Livingston County Office of Emergency Management.

Also, the Livingston County Department of Health is thankful to the community members who attended the exercise. The exercise benefited Livingston County residents, Livingston County Department of Health and its community partners in planning for future emergency events.

If you have questions regarding emergency preparedness or would like to join the Livingston County Medical Reserve Corps, please contact the Livingston County Department of Health at 243-7270.

My name is Robert. I went to the Healing Rooms in December because my knees had been in pain for almost 25 years, from intensive karate and kick boxing. My doctor said my knees were worn out and had arthritis from over-use. Taking lots of Ibuprofen offered some relief, but they still hurt. The moment I entered the Healing Rooms, I noticed less pain. Then when they prayed for me, the pain totally left. It has been gone ever since. I can squat, work on my knees and bend with no pain at all. God touched me with His love and healing. He is so good!
