Southeastern Baptist College announces restart of basketball program

By Linda Cranford

Dr. Scott Carson, president of Southeastern Baptist College, announced Thursday morning, April 12, the restart of the college's basketball program.

"Southeastern Baptist College has been part of the Laurel and the greater Jones County community since 1948 making this its 70th anniversary from its founding," stated Carson. "On this day we reintroduce Southeastern Baptist College to the great people throughout the Pine Belt and invite you to journey with us into the next 70 years. We look forward to the future of this great institution. We have planned several exciting initiatives, which will include a strong recruiting effort where we envision Southeastern Baptist College becoming the college of first choice for potential students in Jones County, the Pine Belt and throughout Mississippi. And, for us to become a leading Christian voice in our nation. The major initiative we are announcing today is the re-start of our sports program."

Carson introduced coach Brad Phillips, who will be leading the restart of the sports program, which will begin with recruiting the first basketball team since the 1980s. Phillips comes to SBC from Champion Christian College in Hot Springs, Arkansas, where he served as a recruiter. He has 15 years of experience in coaching at the levels of high school, junior college, and small Christian college. Since arriving at the college the first of February, Phillips has been on the recruiting trail, traveling throughout Mississippi and surrounding states including several trips to Arkansas. He has currently signed

three players for the men's team and has several interested in visiting the college.

"I'm excited to be a part of Southeastern Baptist College and Jones County," exclaimed Phillips. "We want to continue

the tradition that was started in the 70s and 80s. We are looking to join a conference either the ACCA (Association of Christian College Athletics) or the NCCA (National Christian College Association). We are still in the process of recruiting men and women basketball players for the fall and would like to get some local talent to consider SBC as their first choice. Please, come out and support Southeastern Baptist College."

Phillips said the first scrimmage game is scheduled for October and they have already scheduled 15 games to date for the season.

According to Carson, Southeastern Baptist College has received several awards and acknowledgements recently. In 2017, BestColleges.com ranked SBC among the top 25 Best Online Bible Colleges; AffordableColleges.com ranked SBC number 7 of 50 of the Most Affordable Small Private Colleges; AffordableSchools.net ranked SBC within the top 15 of the Most Affordable Bachelor's Degrees in Religious Studies. SBC also earned the 2017 Silver Award Military Friendly School designation. The school's accreditations include Association for Biblical Higher Education (ABHE) and Missis-

Trest Park Little Free Library dedicated in memory of Cyndi Trest

Submitted

Town & Country Garden Club dedicated a new Little Free Library to Trest Park in Downtown Laurel on Thursday, April 12, 2018. Family and Garden Club members stocked the St. John's Day School inspired Little Library with books and the children sat happily on the park's bench and flipped through these books at the dedication. The free book exchange is available to anyone. Books can be borrowed, returned and donated to the location at any time. Trest Park is the result of combined efforts by the Trest family, Jess Cooley's Eagle Scout project from Troop 33 of Laurel's First United Methodist Church, and the Town & Country Garden Club to honor Cyndi Trest. Mrs. Trest taught school for 24 years and had a great love for reading. The Little Free Library was designed and painted, by her son Adam, in the likeness of the school Cyndi taught at and loved dearly. We encourage children and adults to spread the word about the beautiful addition to our downtown by posting images to #readintrestpark.

sippi Commission on College Accreditation (MCCA). SBC credits are transferable to over 200 schools across the U.S. and Canada.

“As the Laurel community continues to enjoy its renaissance, my wife and I were quickly swept up into the excitement when we arrived in this beautiful and friendly town as participants in the HGTV series Home Town. I want to share with our adopted community, as president of this prestigious institution, that what we do here at Southeastern Baptist College is uniting with our Jones County neighbors with a renewed spirit of renaissance of Southeastern Baptist College. My vision is for it to become the school of preference for students seeking a college education at an institution that promotes a Christian world view. Southeastern equips the Saints, preparing men and women to become influential Christian business, ministry, and community leaders, and infusing Christian ethics throughout the Pine Belt and beyond. Southeastern exalts our Lord Jesus Christ. He is the reason for our existence and we will always remain centered upon his preeminence in all that we do.”

SCRMC to host Parkinson's Awareness Day event on Monday, April 30

Submitted

Parkinson's disease is a progressive disorder of the nervous system that affects movement as certain nerve cells in the brain gradually break down or die. Many believe Parkinson's disease is a death sentence, but if treated, the disease is manageable for those who have been diagnosed. South Central Regional Medical Center is hosting a Parkinson's Awareness Day on Monday, April 30th to educate and demonstrate how to manage disease. The event will include Parkinson's disease exercise sessions with certified therapists and education sessions from local healthcare providers on overall health needs. Parkinson's disease patients and their caregivers are invited to attend. A light lunch will be provided. The event is free, however a reservation is required. Please reserve by calling Kourtney Murphy at 601-399-0534.

symptoms of Parkinson's disease are not always noticeable, but some of the most visible symptoms are tremors, stiffness and speech changes. Parkinson's disease can be very painful and disabling for patients before treatment. Once a patient receives treatment, there is a major difference in their quality of life. They are able to return to work with less difficulties, enjoy life and participate in family activities.

South Central Regional Medical Center hosts a therapy treatment program called PWR! Moves, which stands for Parkinson's Wellness Recovery. The program is based around movement which assists people diagnosed with Parkinson's because mobility is one of the senses that is lost. Simple, daily tasks such as being able to get in and out of a car or being able to walk is very difficult. The PWR! Moves program teaches Parkinson's disease patients how to regain control and become more functional.

Kourtney Murphy, DPT at SCRMC, received her certification to instruct the PWR! Moves program to patients locally. Murphy explains the program, “The program integrates a research-based exercise approach in community and rehabilitation settings. The system allow those who live with Parkinson's to develop individual successes through a lifelong exercise routine.”

Together with community representative, Mrs. Meg Moore, the rehabilitation team created a support group for those with Parkinson's disease to engage themselves in the PWR! Moves. This support group is an educational and active group that will learn more about Parkinson's and work with Murphy to complete the exercises of the PWR! Moves curriculum.

“This group is very important because every person who has Parkinson's feels as if they are alone in their journey. Some may feel embarrassed or feel like a victim, but together we can encourage each other and progress as a group,” states Mrs. Moore.

South Central Regional Medical Center encourages those who would like to learn more about Parkinson's disease or the PWR! Moves, to attend the Parkinson's Day Event on Monday, April 30th at South Central Place in Laurel at 2260 HWY 15 North. The event will include Parkinson's disease exercise sessions with certified therapists and education sessions from local healthcare providers on overall health needs. Parkinson's disease patients and their caregivers are invited to attend. A light lunch will be provided. The event is free, however a reservation is required. Please reserve by calling Kourtney Murphy at 601-399-0534.

Cancer Survivor Kristi Grimes' story reflects importance of breast self-exams

By Linda Cranford

Kristi Grimes discovered the importance of performing breast self-exams when she found a small lump in her breast in May of last year. She was recovering from a hysterectomy when she located the lump one night while bathing and had her husband to confirm her concern. "I had just had a mammogram in April and I found the lump at the end of May," stated Grimes. Visiting her OBGYN within the next few days he also confirmed the existence of a lump.

"We met with the surgeon, Dr. Ivey, on Monday and a biopsy was done on Tuesday," recalled Grimes. "The biopsy was done at the hospital, and the nurse told my husband (James Hunter) afterwards to take me home and pamper me," said Grimes. It would be a week before they would know the results of the biopsy. "The waiting is the hardest," exclaimed Grimes.

The following week they learned that the lump was cancerous and was diagnosed as invasive lobular carcinoma; the second most common type of breast cancer after invasive ductal carcinoma. Following the diagnosis Grimes had to go through a series of test including an MRI, CT scan of the breast, abdomen, and pelvis, and a bone scan all while still recovery from the hysterectomy surgery. Grimes said it was challenging because you would hurry up to have a test, then wait on the results, have another test and then wait again. "It was always hurry up and wait," exclaimed Grimes. She said that the support she received from her husband, family, and friends and her faith was what helped her make it through the whole experience.

"My husband was so positive. I never heard a nega-

tive thing. He had the mindset to hit it head on and said we will just take one day at a time," said Grimes.

She said having a good support team also includes having a medical team that you trust and one that is caring and supportive.

"Dr. Bond is my oncologist and she was so good," said Grimes. "Dr. Ivey and his entire staff were great. Dr. Ivey would even talk to me after hours and answer questions that I had."

She added that it was also important to reach out to others for help. "I talked with a lot of women that I knew that had gone through having breast cancer and there were several others that I didn't know who reached out to me. Each person was willing to help and answer my questions."

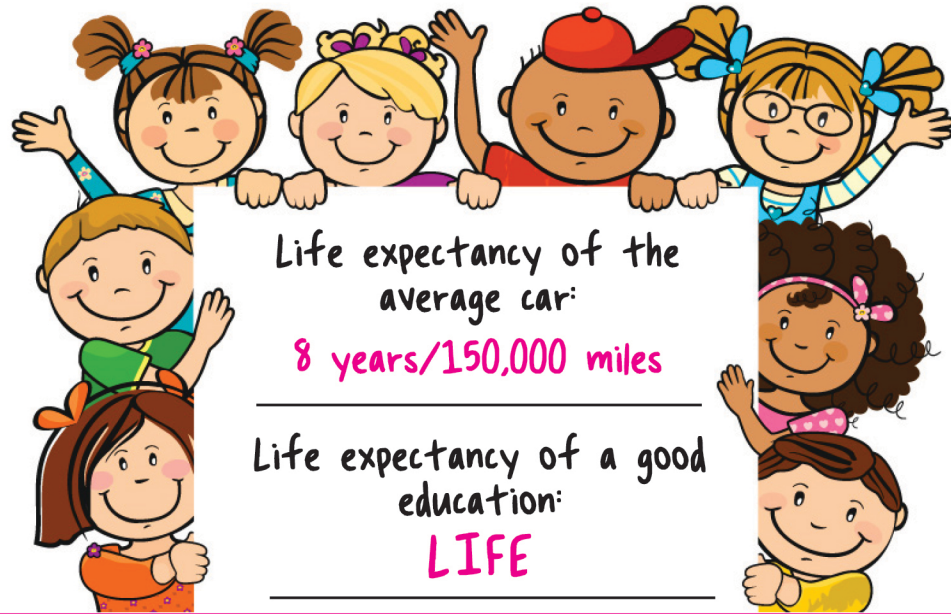

After the lumpectomy, Grimes completed 36 days of radiation at Oncologics, Inc. in Laurel. She said Dr. Pimprell and his staff were very supportive and caring.

"They became my extended family," said Grimes. "It's hard not to develop a relationship with someone that you see every day for 36 straight days. They were all wonderful."

"I really surprised myself at how calm I was through it all," said Grimes. "I contribute that to my faith and my support system."

She said she also pulled strength from the fact that she "wanted to be around for her babies," who includes Kade (12), and Rylee (10). "They were wonderful through it all."

"Throughout the whole experience I learned not to worry about the small stuff. What is more important is to worry about your family and friends," stated Grimes.

Pine Belt Students prepare to enter the business world

By Linda Cranford

Over 150 junior and senior students from schools throughout the Pine Belt attended the annual Pine Belt Area Career Prep Fair held at Life Church in Laurel on Tuesday, April 10. The event is sponsored each year by the Jones County School District and the Ability Works of Laurel Advisory Council.

Participants included students from Northeast Jones, South Jones, West Jones, Laurel, Ability Works, Smith County, Wayne County, Petal, Lamar County.

Volunteers from many of the area businesses and agencies participated in the fair giving the students an opportunity to be critiqued on employment applications, participate in mock interviews, attend an employability skills presentation, be instructed on dressing for success, and learn more about area businesses.

Victoria Bender with the Jones County School District, center, discussed dressing for success. Dewon Gore, left, from Laurel High School shows what to wear and Zachary Taylor, right, from West Jones shows what not to wear to a job interview.

Kelli Landrum, JCSD transition coordinator, left, talks with Quanisha Craft, right, from Taylorsville about what to expect next in the day's agenda.

Brewer graduates from NFPA firefighter course

Submitted

Firefighter Jacob L. Brewer of the Laurel Fire Department graduated April 12 from the National Fire Protection Association (NFPA) 1001 Firefighter I-II course held at the Mississippi State Fire Academy in Jackson, MS.

Jacob Brewer

This intense seven-week course included classroom and hands-on instruction in the areas of fire behavior, fire suppression, rescue, incident command, hazardous materials and other fire related topics. This course meets and exceeds the National Fire Protection Association for Firefighter Qualifications and the uniform minimum training standards stated in the Mississippi Code section 45-11-7.

The Mississippi State Fire Academy is a division of the Mississippi Insurance Department. Commissioner Mike Chaney and Academy Executive Director Reggie Bell conclude that firefighters, through their newly acquired skills and knowledge, will be an asset to the fire departments they represent in implementing fire protection and prevention for their community.

West Jones completes the sweep of South Jones and finishes unbeaten in 5-5A

By James Pugh

West Jones' student section waved a broom in anticipation. The baseball team made sure it wasn't in vain.

West Jones completed the sweep of county rival South Jones with a 5-3 victory Friday night in Soso to finish unbeaten in Region 5-5A. The Mustangs clinched the region title last week with a 12-0 win over Laurel after beating South Jones in two straight games the week prior. The sweep was the first of its kind for West Jones since South Jones joined 5A in 2011.

A big three-run fourth inning put West Jones in position for the win. A fielders choice RBI by Hayden Bryan with the bases loaded started the three-run bottom half inning. Walker Thompson followed with an RBI single, and a run-scoring groundout by Colson Harris added the two other runs. Thompson led West Jones at the plate with two hits and an RBI, while Harris finished with a team-high two RBI.

Evan Bynum also claimed two hits at the plate. Dustin Dickerson, Adam Bassett and Bryan each had a solo hit in the win too.

Kris Riley collected his third win on the mound. The senior RHP went five innings and gave up two earned runs on two hits and fanned five South Jones batters. Bynum closed the game out to earn his first save of the season, pitching two innings of perfect ball in six batters faced. Bynum allowed no runs on no hits and struck out four.

South Jones three runs came on solo frames in the third, fourth and fifth innings. Bryson Sumrall and Nate Conliff recorded the only two hits for the Braves.

Reid Golemon took the loss on the hill. The PRCC signee started the game and tossed 3.1 innings, giving up four earned runs on four hits while collecting two strikeouts. Ricky Boleware and Tyler Ducksworth pitched in relief.

West Jones improves to 21-1 on the season and finishes 9-0 in Region 5-5A. South Jones falls to 10-9 overall and concludes 5-5A with a 5-4 record. The Mustangs earned a first-round bye in the upcoming Class 5A playoffs and the Braves will face Stone County in the first round set to start on Friday, April 20.

Lady Braves collect 11th win with 4-1 victory over NEJ

By James Pugh

In a few weeks, South Jones softball will enter the Class 5A playoffs as a No. 1 seed. Head coach Ryan Hodge knows nothing prepares a team for the playoffs like playing quality opponents. And so they did Monday night, scoring its 11th "W" of the season.

South Jones (11-5) defeated cross-county rival Northeast Jones (12-7) 4-1 on Senior Night in Ellisville.

Mackenzie Jones and Jade Hall each had a multi-hit night for the Lady Braves, while Madison Jones and Faith Bufkin added solo hits to the mix. Jones second hit broke a 1-1 tie in the bottom of the fourth, scoring Hall who recorded her first hit of the night earlier in the inning.

Back-to-back errors in the field by Northeast Jones in the sixth, along with two walks later in the inning, allowed South Jones to add two runs to its lead. It was also an error in the field by NEJ that allowed South Jones' first

run of the game. The fielding error was linked to Jones' first single of the game and allowed her to advance to third. Macey Blancett, who doubled earlier in the inning, scored on the play.

The Lady Tigers threatened in the top of the seventh by advancing two runners in scoring position, but a groundout with two already on the board ended things and gave the Lady Braves their 11th win this season to date.

Grace Stringer earned the win on the rubber. The senior pitcher on Senior Night finished with eight strikeouts and allowed just three hits.

Courtney Booth led NEJ at the plate with a pair of singles.

South Jones faces another tough opponent Tuesday night. The Lady Braves will face the defending 2A champs Taylorsville (16-1) on the road.

NEJ faces Quitman in a Region 5-4A contest Tuesday night as well.

NEJ tops Mendenhall in Region 5-4A and further its claim as a No. 2 seed

By James Pugh

Northeast Jones remains in the driver seat in claiming the No. 2 spot in Region 5-4A.

Scoring in every inning Tuesday night, including a five-run fifth, Northeast Jones topped Mendenhall 14-4 on Senior Night in "The Jungle."

Northeast Jones invoked the mercy-rule with its five-run fifth and improves to 17-5

overall and 6-3 in Region 5-4A.

Click on the link to see video highlights of the win and NEJ head coach Jeremy Parker's post-game interview:

Reid Reynolds picked up his third win of the season on the mound, tossing the complete five-inning affair. The PRCC signee allowed four runs on five hits, and fanned six Mendenhall batters.

Reynold further helped his cause with a three-hit night at the plate. He and Alex Harrison led NEJ with three-hits and an RBI apiece. NEJ tallied 14 hits in the contest. Tyler Harper, Patrick Little and Dayvis McLeod also had a multi-hit night.

Cole Mozingo, Little and McLeod led in RBI with two apiece in the win.

All four Mendenhall runs came in the third inning. The four-run third for Mendenhall tied the game at four-all. NEJ answered with two runs in the bottom of the inning, three in the fourth and five in the fifth to earn its 17th win of the season.

NEJ travels to Mendenhall Friday night to close out the series.

Reynold selected for All-Star roster

By James Pugh

Per Northeast Jones baseball, senior RHP Reid Reynolds has been selected to play in the 2018 Crossroads Diamond Club D.M. Howie All-Star Baseball game. The game is set for Saturday, June 9 at Milton Wheeler Field on the campus of William Carey University in Hattiesburg.

The Pearl River Community College signee was selected to the South roster and currently holds a 3-2 record on the mound this season with a 1.19 ERA (Earned Run Average). In eight game appearances, Reynolds has a 42/17 strikeout-to-walk ratio in 158 batters faced. Opponents are hitting .224 against the RHP, who has tossed the most innings out of any NEJ pitcher this season.

"It feels great, it's something I've always wanted to play in," said Reynolds. "I'm just grateful to get a chance to play with the best players in the state."

"I've started several games on the mound this year. I've started to bounce back and find my control. I'm getting better."

Northeast Jones head baseball coach Jeremy Parker calls Reynolds "a real asset to our program."

"For the past four years, he has been a staple in our lineup and pitching rotation," said Parker. "The all-star game is a great honor and recognition for any high school player, and I know he will represent us well."

In addition to his role on the mound, Reynolds has the highest batting average of any NEJ starter this year. Hitting .462 in 83 plate appearance, the PRCC signee currently has a team-high 30 hits as well as a team-high eight doubles and two triples. He has one home run on the season too.

"I couldn't ask for a better year hitting," Reynolds said. "I believe I'm about nine hits away from reaching 100 hits in my high school career. I'm looking forward to reaching that mark."

Reynolds and the Tigers are 17-5 thus far and are likely to finish as No. 2 seed in Region 5-4A behind West Lauderdale who is 19-2 on the season and 8-0 in 5-4A.
