### ONE ON ONE COMPUTER SESSIONS AT THROGGS NECK LIBRARY

As you know, daily interactions become more digital each day. The use of computers, smart phones and tablets has grown exponentially. It is during times like these where we can turn to our local libraries for much needed support and education. On Friday, April 20th at 10 A.M. Throggs Neck Library is hosting one-on-one computer sessions open lab for adults over 50 years of age that wish to learn how to write learn basic computer functions and Microsoft programming such as Word and Excel. You are encouraged to bring any questions you have with regard to technology. Participants will be sure to receive one-on-one assistance. This session is first come, first served. Throggs Neck Library is located at 3025 Cross Bronx Expressway, Bronx, NY 10465 and can be reached by telephone at (718) 792-2612.

### CIVIL SERVICE EXAMS OPEN TO THE PUBLIC

I urge all to be mindful of the NYC Department of Citywide Administrative Services website with regard to municipal employment opportunities. As you know, some jobs require an examination that is often open to the public. Employment opportunities such as being a police officer, school safety agent, traffic enforcement agent or a child protective specialist require an examination. I understand that most employment opportunities, if not all, are mostly applied for through the Internet. This is why I am making my office available to help any person interested in learning more about the application process in hopes of having the applicant land stable employment with the City of New York. If you wish to view upcoming examinations, please visit [www.nyc.gov/html/work/exam\\_monthly.shtml](http://www.nyc.gov/html/work/exam_monthly.shtml).

### 45TH PRECINCT AND 49TH PRECINCT COMMUNITY COUNCIL MEETINGS

As many of you know, I encourage all of us as residents and stakeholders to attend as many local community meetings as often as possible. I certainly understand that there is just not enough time in the day to make the monthly meetings. However, our local 45th and 49th Precinct Community Councils do an excellent job of bringing communities closer to the people that protect us so admirably. At these meetings, you can pose a question directly to the commanding officer. The next 45th Precinct Community Council Meeting is on Thursday, May 3rd at 2877 Barkley Avenue at 7:30 P.M. The next 49th Precinct Community Council is Tuesday, April 24th at 2121 Eastchester Road also at 7:30 P.M.
