Digital PRINTING COLOR

Captures Attention.

Fast Turnarounds

The market for printing has been undergoing changes in recent years. A **demand for fast turnarounds** is one of the largest of those changes. Digital Printing gives the ability to have **next day printing** - there is little setup, no plating and no dry time.

Short Run - Full Color

Small quantities at an affordable price. Difficult to believe, but true! With no setup costs, there is no more overprinting. **How many you need, is how many you get.** Need a reprint? Even easier and very affordable. **Convenience** at its best.

Direct Marketing

Need an edge? Digital Printing creates a scenario where **each piece printed can be different.** The use of variable data, such as a customer data base, can be used to **personalize** each piece printed.

Extremely Efficient

The efficiency and convenience of Digital Printing **benefits any company whether large or small** The capability of full color short runs, direct marketing, and fast turnarounds is breaking down printing barriers.

Public Road Right-of-Way Ordinance
 To: Property Owners, Tenants, and Residents of Sioux County.
 Sioux County's "Public Road Right-of-Way Ordinance" prohibits the obstruction and/or tillage of public road right-of-way which includes the road ditch.
 Sioux County Secondary Road Department is asking for the help and cooperation of each property owner, tenant or resident in violation of this ordinance to remove the following items considered an obstruction from the right-of-way and road ditch as soon as possible:
 1. Fences of any kind placed within the right-of-way and road shoulder
 2. Debris, trash, burn piles, garbage, farm implements, vehicles, etc. placed on road right-of-way
 3. Crops on the right-of-way which includes the road ditch
 The placing of these items along the road right-of-way and in road ditches may cause damage for others and liability for those in violation of the Sioux County's Public Road Right-of-Way Ordinance.
 The Ordinance does provide for a penalty which will be enforced against those who remain in violation of this "Public Road Right-of-Way Ordinance".
 Your time, efforts and cooperation in removing these obstructions from the right-of-way and road ditches will be appreciated plus aid in keeping our road ditches and right-of-way beautiful. Thank you.
