## Okoboji Awards Night/Graduation

Okoboji High School has a history of great students and 2018 is no exception. The class of 2018 will gather on Sunday, May 13, at 7:00pm, in the OHS Auditorium for their annual "Awards Night". At this time they will acknowledge many of these young people with scholarships and awards. They are able to do this through the generosity of numerous local individuals and organizations. The public

is welcome and encouraged to attend.

Okoboji High School will celebrate graduation of the members of the Class of 2018 at commencement exercises on Sunday, May 20, at 1:00pm, in the south gym of Okoboji High School, 901 H Avenue, Milford.

The commencement address will be delivered by Dr. Olivia (Johnson) Huseman. A 2007 graduate of Okoboji High School, Huseman attended Northwestern College

in Orange City for a year where she earned NAIA All-American honors in cross country and track. Huseman continued her studies at Marquette University in Milwaukee, Wisconsin, and worked as a summer intern at Williams & Co. in Spencer, and subsequently at KPMG in Minneapolis, Minnesota. Named a captain of the cross country and track teams at Marquette, Huseman qualified for the NCAA Division I West Preliminary Championships in the 1500-meter run and was named a CoSIDA 1st-team Academic All-American.

The 2011 senior recipient of Marquette's College of Business Golden Key Award, Huseman completed her Master's in Accountancy at Marquette in 2012, and then began her Ph.D. studies in Accounting at the University of Iowa. While a graduate student at Iowa, Huseman was one of 20 university-wide recipients of the Council of Teaching's Outstanding Teaching Assistant Award and selected by the accounting faculty for the Mary L. Collins Doctoral Research Fellowship. In addition, the Tippie College of Business selected her as the sole recipient of the Graduate Teaching Award of Excellence in 2017. Huseman graduated with her doctorate in May 2017 and accepted a tenure-track position at Chapman University in Orange County, CA as a professor, where she conducts empirical research on voluntary disclosure behavior within capital markets and teaches Managerial Accounting in the MBA program.

In her free time, Olivia is often found running, cycling and spending time with her husband, Taylor.

## **A KID AGAIN**

The "kid" in the middle of the front row is none other than Okoboii High School Band Director Ryan Middleton, who sat in with his Class 2A State Championship jazz band for Saturday night's final song, *Sing, Sing, Sing,* at the Emerald Hills band fundraiser.

## Groups earn top marks

Not unlike the children in Garrison's Keillor's mythical Lake Wobegon, the students in the area's bands and choruses are nearly all above average - at least as rated by the adjudicators at the Large Group Festivals in Storm Lake and Sioux City over the weekend. In alphabetical order, where a Division "I" rating is Superior, "II" is Excellent, "III" is Average, "IV" is Fair, and the rarely seen "V" is Poor; ratings show: Class 1A, Estherville - Lincoln Central: Mixed Chorus, II, Concert Band, I... Class 1A, Graettinger: Concert Band, II... Class 1A, Harris - Lake Park: Mixed Chorus, I; Concert Band, III... Class 1A, Glactinger. Concert Band, III... Mixed Chorus, II; Concert Band, I... Class 3A, Spencer: Treble Clef Chorus, II; Mixed Chorus, I; Concert Band, I... and Class 3A, Spirit Lake: Bass Clef Chorus, I; Treble Clef Chorus, I; Mixed Chorus, I; Mixed Choruses-1 & 2, I; Concert Band, I. That's a "Five-Fecta" for Spirit Lake with five Superior ratings...

The Art's at St. Joseph's Sunday presentation of That's what He said, was more than just a little bit over the top. The crowd we estimate at about to 500 packed into St. Joe's and rose to its feet with three standing ovations – first for Tyler Pedersen's vocal solo on Simon and Garfunkel's mega hit from 1970, *Bridge Over Troubled Water*; then at the close, plus – and with even more gusto – after an encore that featured Gospel music that got the crowd singing and clapping. Each participant demonstrated tremendous versatility in many roles.

We have another busy week before graduations. The Okoboji Middle School and High School have two concerts coming up. Tonight (Tuesday) will see the Middle School's Spring Concert, starting at 7:00; and the High School concert Tuesday, May 15th, at 7:30...

Research director RD is all about Berlin (The composer, not the city), Burt, and Billy this week, as we celebrate the birthdays of three members of the Songwriters Hall of Fame. Cathryn Antoinette 'Toni' Tennille turns 75 today. Born in Montgomery, Alabama, Toni

could be described as "Incurably Romantic," which was the title of her 2001 album which also included You're My Thrill. The song was written by Sidney Clare and Jay Gorney in 1933, and made popular in the early years by Billie Hóliday, Julie London, and Peggy Lee.... We celebrate Billy Joel's 69th natal day on Wednesday. Joel was inducted into the

Songwriters Hall of Fame in 1992, and the Rock 'n' Roll Hall of Fame in 1999. Joel credits Frankie Valli and The Four Seasons as one of his early musical influences. His first number one song came in 1973 with Piano Man. Ten years later he released his 'seasonally-flavored' hit Uptown Girl, on his critically acclaimed album An Innocent Man.

Friday is eat what you want day. And RD wants to try some mythical Frim-Fram Sauce a lá Nat 'King' Cole. The song is best remembered for its silly lyrics about foods that didn't exist when the song was written in 1945, and probably not since then. While Nat and his trio had the first hit with Redd Evans' lyrics, it has been recorded by counties others in the last seven decades including Dianna Krall, on her 1996 album, *All For You...* The second birthday celebrant member of the Songwriters Hall of Fame is Irving

Berlin, who was born on May 11, 1888, and inducted into the Hall in 1970. His song, Blue Skies, was featured in the first full-length talkie, The Jazz Singer, starring Al Jolson; and has been performed ever since by the likes of Benny Goodman (in his famous 1938 Carnegie Hall Jazz Concert); Count Basie, Oscar Peterson, Bobby Darin, and more recently by Diana Krall.

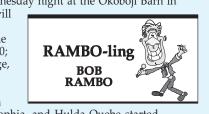

We celebrate Burt Bacharach's 90th birthday and Trains Day on Saturday, with *Trains* and *Boats and Planes*, written by Bacharach and Hal David – and first recorded in 1966 by Dionne Warwick for her sixth studio album, Here Where There is Love. It has also been released by Chet Baker, Astrud Gilberto, and the British Invasion group Billy J. Kramer and The Dakotas.

Lest we forget, Sunday is Mother's Day, and the day in 1954 that the Broadway musical Pajama Game opened for 1,064 performances. Based on the 1953 novel, 7 1/2 cents, by Richard Bissell, *Pajama Game* included the song, *I'm not at all in love*, which was written by Richard Adler and Jerry Ross -- and sung by Doris Day in the 1957 film version the show...

Sunday's That's what He Said concert included (I-r) Jennifer Johnson, Brian Moore. Karess Knudtson, Tyler Pedersen, Dave Rowley, Greg Forney, Ryan Sather, and Tim Schumacher.

Gardening is based on hope. Hope that winter will eventually end. Hope that there will not be a late ( or an early) frost. Hope that it will not rain too much or too little. Hope that the tomatoes will not get blight or the deer will not eat all of the beets. Without hope gardeners would never plant again each year. So much is out of our control.

Many things are out of our control at the Farmers Market, too. The state Department of Agriculture has regulations that we must follow. There are requirements that the Department of Health makes concerning food safety. That is why we are not allowed to sell certain kinds of jelly, such as pepper jelly, or why we can't sell salsa, pickles, or any canned food. Various licenses are required to sell meat, cream pies, or prepared food for you to eat on site. We cannot seal bags, cut large items in half, or chop the vegetables for you. Along with state rules, individual farmers markets have their own rules. Lakes Area Farmers Market requires that vendors make or grow what they sell and that they live in Dickinson or surrounding counties. That way you will be receiving local foods that have not been shipped a long distance and stored a long time. While the vendors at Lakes Area Farmers Market do their best to bring you fresh, clean vegetables, some things are out of our control. The late spring weather will likely put many crops behind schedule but the farmers market in Spirit Lake will still open the first Saturday in June. We hope you will be patient with us as we strive to cope with things out of our control and still provide fresh, local food at the Farmers Market. We hope to see you there.

#### Letter to the Editor:

I've known Kim Wermersen for 34 years and believe he will be an excellent Dickinson County Supervisor for District Four, and all of Dickinson County. Kim has the heart of a servant leader and possesses the unique, all too often uncommon, ability to unite people and join different viewpoints for solutions. He's not one to kick the can down the road for others to deal with an issue. I've seen the successful, sometimes life-changing, results of his passionate, tireless work first hand working with him on many local, district, and national Kiwanis boards and committees. Kim served with distinction as the Nebraska/Iowa Governor of Kiwanis and as a Lt. Governor before that. His vision and leadership were instrumental in Dickson County becoming the first county in Iowa to earn the County of Character designation from Drake University in 2008. He sees the big picture when he works on projects. He is a problem solver. He is inclusive of all ideas and works to bring people together.

Kim and his wife Deanna have made Dickinson County their home for more than 30 years. Kim has the leadership ability and vision to continue building our county to thrive and be a desirable location for our children and grandchildren to make their homes, too. Please cast your vote for my good friend, Kim Wermersen, on June 5th.

## **PLAC** Appoints Three

The Pearson Lakes Art Center in Okoboji has filled three vacant staff positions.

Executive director Bob Kirschbaum says Jackie Olson will become the new Marketing and Graphic Design Coordinator. "Jackie brings a lot of experience and creativity to the Art Center. She has already worked with our new PR firm on our summer brochure and updated website to bring the "wow" factor that we've been looking for."

Jackie and her husband Jake have two children and live in Lakefield, Minnesota, where Jake works for Jim Hussong.

Long-term staffer Alesia Johnson will be the new office manager. "She has done a wonderful job as the Performing Arts Director. But she can serve us best now in the front office, where she already has several years of experience. We get one chance to make a first impression with our public and I believe that Alesia can make that a positive and caring expression," Kirschbaum said.

Dave Rowley is the new Performing Arts Director. "A wellknown performer in the Lakes Region, Dave is highly respected in the field, and not only brings his entertainment experience, but Pearson Lakes Art Center experience," Kirschbaum said.

Rowley is a former board member, and board chair, who has entertained at the PLAC for several years. His two shows, "Dave Rowley and Friends," and "Dave, Damon and Ryan," were both sold out this past year. Dave can help our Performing Arts program 'go from good to great.'"

Dave and his wife Kris, the Dickinson County Treasurer, have four children.

With the three new staff members, along with Danielle Clouse Gast, Holly Zinn, and Juli Johnson, Kirschbaum says he feels that "I have surrounded myself with the 'Dream Team'. It's going to be a busy, but fun, and exciting summer."

## LETTERS TO THE EDITOR

Letter to the Editor:

Earth day, April 22, a day during which environmental concerns are acknowledged.

Earth day began in 1970 to bring attention to how humans

negatively impact the planet and to show how we can all be better stewards and caretakers of our mother earth.

I live in a beautiful area out by Twin Forks here in Dickinson County. One of my passions is to take walks along the Little Sioux River. On Sunday, Earth Day, I was walking enjoying the day and landscape when I could not help but notice the trash that yes humans had discarded and left behind. This is on public land that the DNR manages for us to fish, hunt, and give access to the river and what do we do in thanks but desecrate it with garbage.

Here was my chance to celebrate Earth Day the best way I knew how. Garbage bags in hand, I picked up after the people that only new how to celebrate by throwing their Green Tea cans, paper and bottles out as if they were leaving presents for Mother Earth.

The only presents she needs is for us to live responsibly, for us to be good stewards and caretakers of her, our good Earth. We take for granted what a wonderful planet we have, and yes, we must take care of her. After all, she does take care of us. Please, let's try a little harder and celebrate Earth Day every day by respecting the planet we live on.

 $\langle \langle \langle \rangle \rangle$ 

I am writing this letter to tell you about my observations of Paul Johnson, who is running for re-election of the 4th District County Supervisor position, in the June 5 primary in Dickinson County.

I worked for Paul at Berkley & Co., now Pure Fishing. Paul is, first and foremost, honest, articulate and thoughtful. His demeanor is one of calm, reassuring confidence, marked by an ability to make a point and gain consensus, without pretense. He always asks first for your opinion.

His management style focused on results with a team-oriented approach that relied on individuals coming together determined to succeed

Paul was an integral part of the success of Berkley & Co., as head of the Research Team. New and innovative products were the hallmark result of those efforts and kept Berkley & Co. at the forefront of fishing tackle innovation during his tenure. Production of these products created a demand for both a highly skilled and technical workforce right here in Dickinson County.

Paul is a family man, always ready to regale you with the latest accomplishment/predicament involving one of his children. I urge everyone in the 4th Supervisor District to consider the

qualifications and expertise, along with 15 years of experience, that Paul brings to the position and vote for Paul Johnson on June 5.

## LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper. Letter to the Editor:

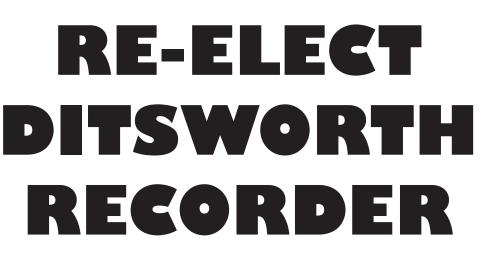

I am not a "Letter to the Editor" writer, but after reading last week's shopper, I felt compelled to communicate on behalf of a lot of us readers on what has become a constantly reoccurring issue in the paper. Most of us regular readers enjoy The Lakes News Shopper and are interested in reading the many good onetime letters to the editor supporting political candidates, school news, expressions of appreciation, and various other community events and pertinent topics.

However, when it comes to the recent and growing phenomena of a handful of serial letters to the editor writers that seem to feel that the rest of us care about what they think beyond reading it more than one time, well, we don't care! So the message to this group is that no one cares or wants to be constantly bombarded with how much you like or dislike President Trump or any of our elected officials, the NRA, the Republican or Democratic party, what party you are in or not in and why, or anything else on a constant and repetitive basis.

You, in all likelihood, haven't changed one mind on anything with all this and it has become boorish and arrogant to repetitively subject us to your obsessions. It is certainly OK to exercise your First Amendment rights, but not necessary to belittle and essentially insult those of us that actually support the candidates in office that we voted for and remain loyal to and believe in our political party choice.

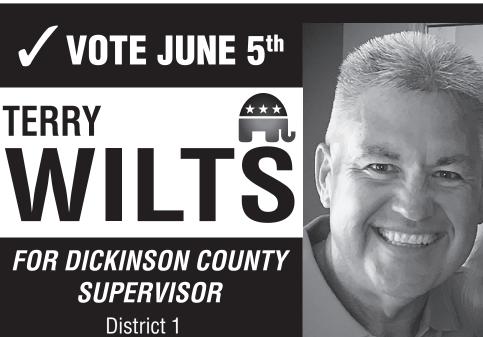

Since you know who we are, a suggestion would be that you all just get together as a group on your own and repetitively share your views to one another and mercifully leave the rest of us out of your never ending rants. Perhaps you could resolve your differences on your own with one another. Unfortunately, pistol dueling has long been illegal (where was the evil NRA that a lot of us are members of on that one?) so maybe you could just incessantly bloviate to one another to fulfill your individual needs for attention and self-adoration. If that doesn't work, you can always seek professional help. Just please, leave the rest of us out of it because we don't care!

## Pioneer Apprentice Class Results

by Mrs. Stoltenberg, Pioneer Apprentice Midmester Class What a year! Old Man Winter put the young entrepreneurs

of Pioneer Apprentice class to a test this spring that fortunately ended on a high note. The kids were able to get their business commercial and presentations completed and their fundraisers finished up in the knick of time. In the end, the group, the Written Rulers, and their business partner, The Lakes News Shopper, came out as this year's victor. All the kids did such a phenomenal job of fundraising this year that they decided to split the proceeds between two groups: the Humane Society and the Stahly family. Christine Stahly, center, is pictured receiving a check from the winning group including Amy Martin, Makenna Helmers, Drew Behrens and Caden Jostand.

The students were so excited to do this, and you could tell by all their hard work and creative ideas. In the end, the Written Rulers (The Lakes News Shopper), Pepperoni Pals (Piccadilly/ Landmark), the Boji Paws (Boji Bark), the Stylers of Okoboji (The Three Sons), and the Pick A Pet Foundation (the Humane Society) raised a class record total of \$2,071.95. Plus, they brought in over 3,000 cans for the Humane Society. WOW.

As usual, none of this could happen without the help of our business partners, so thank you. Also, the Okoboji Middle School staff, the Pioneer Apprentice parents, and the student body here at OMS are truly what makes this all work. Everyone is so generous with their time, participation, and financial support. It is all greatly appreciated.

Every year I am overwhelmed with what these kids can do when they set their minds to something. I hope if you see them and ask them what they learned about communication and collaboration in the business world, they will be able to tell you. Congratulations to all of them. I am very proud of their work, effort, and growth mindsets.

Walleye Weekend: No Ice Fishing Necessary

From the fantastic weather to the turnout of almost 2,000 anglers just days after the ice finally cleared out, the 36th An-

nual Walleye Weekend was an enjoyable kick-off to the Walleye season in the Iowa Great Lakes Area. Individuals of varying ages and 18 different states got to experience the beautiful Lakes area this weekend with anglers from Utah to Tennessee and even California participating in the annual fishing tournament. We would like to congratulate and

thank everyone who was involved in the efforts that went into this weekend.

Thank you to the Iowa Department of Natural Resources, Dickinson County Cattlemen, Fareway, Hy-Vee, Great Lakes Marine, Custom Creations, John Grosvenor, and the Dickinson County Fairgrounds for contributing to another successful year as well as KUOO, KICD, MC22, Dickinson County News, The Lakes News Shopper, and Okoboji Tourism for their promotions of the event.

Thank you to all bait shops and weigh-in stations that we were fortunate enough to work with including Fisherman's Factory Outlet, Kabele's Trading Post, Oh Shuck's Bait and Tackle, and Stan's Bait and Tackle.

These businesses include Capital Retention, GrapeTree Medical Staffing, Hy-Vee, Kuhlman Lake Service & Welding, Mediacom, Northwest Bank, Snook's of Okoboji, Stan's Bait Shop, Stauss Realty, Tri-State Litho, Walker Insurance, and Walmart.

Thank you to Pure Fishing for generously donating over \$3,500 in prizes for our 1st, 2nd, and 3rd place winners in the heaviest fish categories.

Thank you to Stan's Bait Shop for initiating the addition of the Biggest Walleye Contest and coordinating the donations of \$3,000 in prizes for the top three winners. This contest has allowed a donation of over \$1,300 to go to the Iowa Great Lakes Fishing Club.

Thank you as well to the Chamber members who donated a variety of items to the prize packages given out at the Awards Luncheon. These businesses include American Family Insurance, Arnolds Park Amusement Park, Bev Shuck, Custom Creations, Fareway, Godfather's, Homeology, Kabele's Trading Post, KICD, Papa's Smokin' Meat, Parks Marina, Pearson Lakes Art Center, Polaris, ServPro, and Walker Insurance.

I write this letter in support of Kim Wermersen for Dickinson County District 4 Supervisor. I have known Kim for over 30 years and been involved on various boards and organizations with him. Kim has shown in several ways that he has the ability, desire and leadership skills to be the person Dickinson County needs to serve as a District Supervisor.

Kim has been active in a broad range of community activities and was awarded the "Citizen of the Years" award for outstanding service in Spirit Lake and around the Lakes Area. Kim is a positive, forward looking leader with great integrity, and experienced in working with people and getting things done.

I have served on a number of boards over the years and believe that new energy and new ideas are important. I encourage you to cast your vote for Kim Wermersen on June 5. **Norm Meinking**

DIGITAL EDITION | OBITUARIES | GARAGE SALES | COMMUNITY GUIDE | BRIDAL GUIDE

Warm weather at last!

There are many new books on our shelves. A new author to our library is Sandra Dallas. We have just gotten many of her good books – *Tallgrass*, *Prayers for Sale*, *True Sisters*, *The Chili Queen*, and *Hardscrabble*.

Another good book that has just arrived is "The Life She Was Given" by Ellen Marie Wiseman. On a summer evening in 1931, Lilly Blackwood glimpses circus lights from the grimy window of her attic bedroom. Lilly isn't allowed to explore the meadows around Blackwood Manor. Momma insists it's for Lilly's own protection, that people would be afraid if they saw her. But on this unforgettable night, Lilly is taken outside for the first time – and sold to the circus sideshow.

More than two decades later, nineteen-year-old Julia Blackwood has inherited her parents' estate and horse farm. For Julie, home was an unhappy place, and she hopes that returning might erase those painful memories. Instead, she becomes immersed in a mystery involving a hidden attic room and photos of circus scenes featuring a striking young girl.

At first, The Barlow Bros. Circus is just another prison for Lilly. But Lilly discovers strength, friendship, and an affinity for animals. Thanks to elephants, Pepper and JoJo and their handler, Cole, Lilly is no longer a sideshow but the circus's biggest attraction...until tragedy and cruelty collide.

## Spring Events at AOG

Spring has finally come to northwest Iowa and Arts on Grand is full of springtime flowers and kites and more from the Spencer preschools. What fun it is to encourage all these "Little Leonardos" by showcasing their work. This exhibit runs until May 18.

Folks can enjoy a piano concert on May 12 surrounded by this colorful art. Carter Nath from Algona will be playing in the gallery on that Saturday at 7:00pm. He was among the top three finalists in the statewide Terrace Hill Piano Competition in March of 2017. Carter is a busy young man with his own piano tuning business. Refreshments will be served and everyone is welcome to come for this fun musical evening!

Spotlight on Spencer art will be the next exhibit beginning on Tuesday, May 22, 2018. This will be a chance for Spencerites to share in the gallery treasured original art from their own living room walls. If you have some favorite art work you wish to share, call AOG at 712-262-4307 by May 10.

## **RIDES to Celebrate National Transit Week**

RIDES, Regional Transit Authority, will celebrate National Transit Week May 13 - 19, 2018. This week-long event first began in Texas in

1952 by Charlotte Jones Woods. Ms. Woods realized the general public knew very little about public transportation. The week did not become a nationwide event until 1962, when President John F. Kennedy declared it an official holiday. National Transit Week is a time to honor all the people who make transportation systems an efficient, safe, and reliable way to travel.

To celebrate the week, RIDES has several activities planned: \$1 trip day: On Thursday, May 17, the cost for a General Public one-way trip in our nine counties will be \$1 per trip. RIDES offers taxi-service in Spencer, Storm Lake, Iowa Great Lakes, Estherville, Emmetsburg, Sheldon, Sioux Center, Orange City, and Hawarden. RIDES' service is open to the public, including those with disabilities.

Photo Contest: During the week, RIDES will share photos on their Facebook page. People are encouraged to vote for their favorite RIDES photo. The photo with the most votes will win a prize.

Coloring Contest: RIDES also partnered with local pre-schools for a coloring contest. Prizes will be given to various students for their efforts. These pictures will be displayed in the buses.

Executive Director, Hugh Lively, shared, "RIDES is looking forward to celebrating National Transit Week in May. We appreciate our riders and their patronage."

## **Hospital Equipment Donations**

The Unit 384 Milford American Legion Auxiliary has a program which loans hospital equipment at no charge to people and is happy to do so. Sometimes demand outstrips supply so they run out of certain items such as wheelchairs or shower benches. If you have or know of items that are no longer in use, please return them so others may use them.

Also, they are accepting donations of used equipment. If anyone with walkers, wheelchairs, shower chairs and other items that need a new home would be gratefully accepted. Please contact Darlene at 712-332-5057 or LaVonne at 712-332-5089.

## Hansen Discusses the Importance of Recycling

Ashley Hansen of the Dickinson County Nature Center recently visited Spirit Lake High School to discuss the im-

portance of recycling with freshmen students in English I and Earth Science as part of an interdisciplinary project on the environment. The students learned a lot about how long different items take to decompose. One thing the students learned is that it takes 450 years for one plastic bottle to decompose. Unfortunately. It is estimated that 60 million plastic water bottles are used in the world on a daily basis, and of those, 80% end up in landfills. These bottles can release harmful chemicals into the environment, which can seep into bodies of water. Following the presentation, the students were more aware that everyone needs to consider using reusable water bottles instead of buying plastic bottles.

## Volunteer Opportunities At LRH Brunch to learn more on Tuesday, May 15 Volunteering has been a part of Lakes Regional Healthcare's THE LAKES NEWS SHOPPER Auctions

Volunteering has been a part of Lakes Regional Healthcare's (LRH) history since before the first patient received care, and is still an integral part of the organization. For over 50 years, LRH Volunteers have assisted patients and staff in various ways, such as escorting and transporting patients throughout the facility, delivering patient meal trays to cancer patients as they receive chemotherapy, and assisting Gift Shop customers.

LRH Vice President of Marketing and Retail Services Jennifer Gustafson said, "We have a great group of men and women that volunteer their time and talents based on their availability and desires. Depending on the area, volunteer shifts are three or four hours long, and we have some volunteers that work every week and others that work once a month. We really appreciate the help each volunteer provides. They all do a great job - they are so important to our organization!"

Anyone interested in volunteering is invited to attend an LRH Volunteers Brunch on Tuesday, May 15, from 8:45 until 10:30am, in LRH's Dining Room. This meeting is held twice each year, and is an event in which most of LRH's nearly 70 member volunteers attend.

Those with questions can call Willy Moeller at 332-5042 or Jennifer Gustafson at 712-336-8799 anytime.

Tips from the Channel Field Check Up Series Soybean Seed Treatments

In a year like this year, it is crucial to look for areas of our farming operations in which to cut costs. While choosing not to apply a soybean seed treatment may look like a tempting opportunity to do this, the problems caused by doing so may greatly outweigh the money saved.

Right now, we are experiencing challenging planting conditions due to cool temperatures and moisture. Conditions like these can cause problems such as slow germination and seedling establishment. The seeds may then become more susceptible to disease and insect pressure. Pathogens such as Pythium, Phytophthora, Fusarium, and Rhizoctonia can invade plant roots causing tissue decay, pre-emergence damping off, and early post-emergence seedling death. The use of soybean seed treatments can combat these issues and in return result in a more uniform stand, a reduction in replant situations, improved yield potential, and an increased return on investment.

Acceleron Seed Applied Solutions can help minimize the effects of unfavorable early season planting conditions and promote improved plant health through more rapid and increased emergence of seedlings. Acceleron products for soybeans contain multiple modes of action to provide broad spectrum control of diseases and insects for up to 30 days after planting. Acceleron Seed Applied Solutions provide the greatest benefit in early planting situations, poorly drained or high clay content soils in fields with tight crop rotations, or in fields with a history of disease.

Acceleron offers three tiers of seed treatment products, which are BASIC, STANDARD, and ELITE. Acceleron BASIC contains fungicide, which controls Rhizoctonia, Pythium, Fusarium, and early-season Phytophthora. Acceleron STANDARD contains both the fungicide combination plus an insecticide for control of early season diseases and early season soybean aphids and bean leaf beetles. Acceleron Elite Contains the fungicide and insecticide combinations mentioned above, along with additional insecticide to combat soybean cyst nematodes. Acceleron Seed Applied Solutions may also be paired with ILeVO to combat sudden death syndrome, soybean cyst nematodes, root-knot, and reniform nematodes.

Other Acceleron products include: Acceleron E-007 SAT which is a dry seed finisher that allows for faster drying of treated seed and improves seed flow through seed handling and planting equipment; and Acceleron B-200 SAT, which is a biological product for soybeans that stimulate the growth of beneficial microbes in the soil and therefore increased nodule formation and nitrogen fixation

Before cutting out seed treatment on your soybeans, consult your local Channel Seedsman for more information on the benefits of Acceleron Seed Applied Solutions and seed treatments in general

#### Letter to the Editor:

Recently I learned that Dickinson County Supervisor Paul Johnson is standing for re-election in District 4 in the June 5 Primary of Dickinson County.

It is very important for readers of this publication to be reminded of how outstanding Paul Johnson's 15 years of service as a Supervisor have been for Dickinson County as a whole, including his more recent contributions as a District 4 Supervisor -- covering West Okoboji and Lake Park's Silver Lake.

He has worked tirelessly during those years gaining a comprehensive understanding of how county governments in Iowa function, and how an experienced county supervisor can bring to reality citizens' needs. He knows the key actions which must be taken for citizens of Dickinson County in the years to come. Electing Paul Johnson will not require a costly learning curve before actions are realized -- a process which is part of any newcomer's work who joins the Board of Supervisors as a beginner. In fact, Paul knows every step, stone, and window inside and out of the new court house, because his job at the time of its construction included every-day supervision of its creation! In fact, the building was completed a half million dollars under budget and with very high quality.

More recently Paul worked with Lake Park's citizens to achieve positive actions of the Board of Supervisors to gain funding for the Lake Park Housing Authority . . . as well as the new Lake Park/Twin Forks family shooting range. His interest in assisting residents of Lake Park to develop a Silver Lake protection plan helped bring that into reality as well. He is tireless!

Supervisor Johnson just recently saw the opportunity and realized the value before the closing of The Inn's sale to work with Okoboji's city manager in starting plans related to a possible major land gift by the buying owners of The Inn. As a result a new, very large "Nature Park" will be given by purchasers of The Inn property to the city of Okoboji at no cost, and with an attached gift which will provide a trust to fund its development and continual maintenance for perpetuity!

Before Paul Johnson began serving his first year as a County Supervisor, he had completed 33 years as an executive with the Berkley Company, managing a 12 million dollar budget and a sizeable work force for the company. During that time he produced 13 US patents for new products in the sport fishing business, many of which are now being "fished" world wide. During that time he also served 2 years as a member of the Spirit Lake City Council. Paul Johnson "Knows the Territory!"

Paul earned college degrees at the University of Wisconsin in chemistry and engineering, served 8 years of US military service, and has served as an Iowa Republican Central Committee chairman

Paul Johnson is a very hard worker, who takes his assignments with the most serious commitment. Though retired, Paul has chosen these past 15 years to commit all of his professional energies to Dickinson County and the Board of Supervisors. He has no other distracting "work" experiences. He "belongs to the people he serves." Paul Johnson is a most deserving candidate to continue his commitment to Dickinson County as a re-elected County Supervisor. Without reservation I can recommend that Paul Johnson be re-elected on June 5!

Letter Carriers Food Drive

The National Association of Letter Carriers (NALC) will conduct its 26th annual national drive has grown in importance and in impact," food drive on Saturday,

May 12. The Stamp Out Hunger® Food Drive, the country's largest singleday food drive, provides residents with an easy way to donate food to those in need.

Customers of the Spirit Lake Post Office may simply leave their donation of nonperishable goods next to their mailbox before the delivery of the mail on Saturday, May 12. Letter carriers will collect these food donations on that day as they deliver

mail along their postal routes, and distribute them to local food agencies. A designated hamper will be located in The Post Office Lobby the week preceding the Food Drive for your donation convenience. On Sat, May 12, a hamper will be also be located on the back loading dock of the post office.

The Letter Carriers' food drive is held annually on the second Saturday in May in 10,000 cities and towns in all 50 states, the District of Columbia, Puerto Rico, the Virgin Islands and Guam. It remains as important as ever, with many people facing economic struggles. Hunger affects about 50 million people around the country, including millions of children, senior citizens and veterans.

Letter carriers see these struggles in the communities they serve, and believe that it is important to do what they can to help.

NALC President Fredric Rolando said. "It's an honor to be able to help people in need all across the United States - and to do so in a way that brings out the best in so many Americans."

The timing is important, with food banks, pantries and shelters running low on donations from the winter holidays and with summer approaching, when most school meal programs are suspended.

Last year, letter carriers collected 75.3 million pounds of food, the

third-highest amount since the food drive began in 1993. That brought the total over the past quarter-century to almost 1.6 billion pounds.

On May 12, as they deliver mail, the nation's letter carriers will collect the donations that residents have left near their mail boxes. People are encouraged to leave a sturdy bag containing non-perishable foods, such as canned soup, canned vegetables, canned meats and fish, pasta, rice or cereal next to their mailbox before the regular mail delivery on Saturday.

Carriers will bring the food to local food banks, pantries or shelters. Several national partners are assisting NALC in the food drive: the U.S. Postal Service, the United Food & Commercial Workers International Union, the National Rural Letter Carriers' Association, United Way Worldwide, the AFL-CIO, Valpak and Valassis.

Students in Preschool through 4th Grade are encouraged to attend the After School Craft Party from 3:30-4:30pm, on

Thursday, May 10, in the Community Room. This month's theme will be Mother's Day Flowers featuring book talk, stories, crafts, and snacks. Everything will be provided at no cost to the students.

Storytime Play Date will take place at 11:00am, on Friday, May 11, at Milford Memorial Library. MML is inviting all children and families to interact, have fun, and use their imaginations with a variety of toys, puppets, games, puzzles, and so much more. Caregivers can relax and engage in conversation with other adults, or they are welcome to join the play date with the kids. All of the items will be available at the library. There is no pre-registration and no cost to join this event.

Young Adults (YA) Busy Brains will be having another monthly activity. Students in 4th through 12th Grade are welcome to build a dazzling paper spinner from 3:30-4:30pm, on Friday, May 11, in the Community Room. Pictures, step-by-step directions, and play time will be offered to the builders. All of the materials will be provided at no cost to the students. There is no pre-registration, but families are encouraged to let MML know ahead of time.

## Tuesday, May 8, 2018 Lita Ford to join Tesla at Clay County Fair September 9

The Clay County Fair announces that Lita Ford will open for Tesla as part of the SRG Concert Series in the Sleep Num-

ber Grandstand at the 2018 Clay County Fair on Sunday, September 9, at 7:30pm.

A British born rocker who grew up on the streets of L.A., Lita Ford is considered one of the most important female representatives of the rock genre. She was a founding member of the Runaways, one of the first girl groups who unexpectedly broke down barriers in the punk era as well as the male-dominated world of rock music, causing a stir with their six rebellious releases.

Following the demise of the Runaways, Ford concentrated on her own career and now looks back on many memo-

rable hits including the chart topping duet with Ozzy Osbourne, "Close Your Eyes Forever," "What Do You Know About Love," "Shot Of Poison," "Larger Than Life," and "Kiss Me Deadly." With the release of her new album, Living Like a Runaway, expect many more songs to be added to the list of hits.

Over the course of their thirty-year career, the critically acclaimed iconic hard rock quintet, Tesla, has sold more than 25 million albums and performed to sold out crowds across the world. The band's journey kicked into high gear with 1986's platinum-certified debut, Mechanical Resonance, which solidified them as a household name. With signature anthems such as "Love Song," "Signs," What You Give," "Modern Day Cowboy," and more, the band remains a mainstay in rock music today.

Tickets are on sale now. Prices are \$40 (general admission stage front standing), \$35 (reserved Grandstand seating), and \$30 (general admission bleacher seating). Tickets will be available online at www.midwestix.com, by phone at 515-244-2771, or in person at the Clay County Regional Events Center Box Office.

Rooted in Tradition, the Clay County Fair and Events Center is a year-round facility that annually hosts more than 300 events, including its signature event, the Clay County Fair. Known as "The World's Greatest County Fair" since 1917, the Clay County Fair attracts more than 325,000 guests each September for nine days of world-class entertainment, competition, food, fun, and the largest farm machinery show at any fair in the United States. Additional information can be found at claycountyfair.com.

Spencer Radio Group (SRG), based out of Spencer, is made up of three premier radio stations KICD1240 AM, BIG Country 107.7, and MORE 104.9. SRG not only provides a radio avenue to reach a range of audiences, but also partners with online solutions to optimize the success of their clients.

However, staff at the recy-

Compost begins with leaves and grass clippings.

"We make them into wind

rows, and I also add in some already done compost," said Charles Vigdal, Dickinson Recycling Center manager. "We mix that together and let it sit for a couple of months, turning it and getting it wet to help it break down."

That final compost is then moved to another pile and sifted into fine granules to make sure any inorganic material is removed before customers take it home.

"It's very organic loam," Vigdal said. "It's almost like potting soil, so it's very nice stuff."

Anyone can pick up mulch or compost free of charge. Simply bring a shovel, containers and someone willing to do the labor of loading it up. If you would like help loading from staff, a new loading fee has been added. The first wheel loader bucket, approximately 3-3.5 cubic yards, is free. The loading fee for each wheel loader bucket full after that is \$10 per bucket.

Allowing people to take the compost and mulch at no charge is a service the Dickinson Recycling Center offers to the community and is an outlet for the green waste brought to the center.

"It's a way to get rid of it and also provide something for the public," Vigdal said. "It's a win-win. It keeps it out of the landfill, which is our job, to recycle what can be recycled."

For those working on the opposite side of the landscaping spectrum, who are clearing green waste instead of bringing in compost and mulch, the Dickinson Recycling Center fees are as follows for Dickinson County residents: \$0.50 per bag, \$10 for a one-axle trailer, \$20 for a two-axle trailer, \$10 per pickup load, \$20 for a single-axle truck, \$30 for a double-axle truck or \$60 for a roll off or side dump trailer.

The Dickinson Recycling Center also takes a variety of other materials, including electronics, tires, white goods, scrap metal and household hazardous materials. For disposal fees, visit www. dickinsoncountyconservationboard.com/recycling-center or call 712-338-2549.

The Dickinson Recycling Center is located at 2260 220th Street, Milford, and is open 9:00am-4:00pm, Monday, Wednesday, Friday and 11:00am-7:00pm, Tuesday and Thursday.
